Prologue and Deciding the Status

[Google Docs for those who want to read with the raw above the TL](#)

I, Fujiyama Shinsuke was driving my car on my way home from work

(... Another shitty day has ended....)

When I get home, I'll just eat a convenience store's meal, take a bath, then sleep like a log (TL: It was "sleep like a mud", I took liberty changing it)

Nothing to hope for everyday

As a man, there are things I want to try

I want to live like a King, have a mansion and multiple women....
(Even if I win the lottery, that would still be impossible)

Driving the car with such thoughts, Suddenly a boy that was walking from school to home jumped on the roadway.

「Dangerous ! ! 」

I steered the wheel in order to avoid the boy.

A large truck crashes in and has come while ringing a horn from an opposite lane there.

(ah... I'm going to die)

Along with the loud crash, I lost consciousness

~~~~~

「Congratulations! Fujiyama Shinsuke」

「.....Huh ? 」

I just realized that I was in a space that's just pure white

In front of me was a Gentleman wearing a Tuxedo, but for some reason his face is hazy and it is unrecognizable

「Eh?... Am I in a hospital? Was I saved?」

Then, the gentleman regrettably said

「Sad to say but no. You tried to save the boy by steering to the other lane, the truck hit your car head-on resulting to instant-death... where we are, in simple terms, we are in the waypoint from your world to the other world」

「.....I'm still dead then haha.., now what? 『Congratulations』 you said, you'll take me to heaven?」

「Nope」

The gentleman acts self-importantly

「In simple terms..... 『Congratulations! You won in the lottery the Gods made for past-time』 .....is what i mean」

「Pastime lottery of gods?」

「Yes. To be specific, dead people who tried to do good deeds before they died. They are selected at random. Gifted with various privileges, they are sent to another world」

「Reincarnation.... So, what do I do? Defeat the Demon King?」

「No, you don't need to be bothered by such things, you're free to live as you like」

「Live as you like?」

「Yes」

「Even making a harem?」

「No problem」

「Even committing a crime?」

「This will not be concerned」

「Haha.....」

This talk is like a dream.

Rather than continue that shitty life, my heart would wither greatly

「Well then, please determine the status on your own」

The gentleman said while snapping his fingers. A desktop appeared out of nowhere.

「Please decide status and so on in your different world by this PC.」

「Can I decide by myself? Is there a upper limit?」

「Feel free to do so. Just in case, there is a MAX value」

「How much is MAX?」

「When the status is put to MAX, it would be possible for you to be a God」

「.....Haha.....」

「Take your time on deciding your status, I'll be watching the Television for the meantime

-Since this will influence your life, please do take time on deciding your status」

When he says so, the gentleman snapped his fingers and a television appears out of nowhere. He then began to watch a comedy show.

I then looked at the PC, it's even possible to customize even the trivial details, it is also possible to decide the size of

the penis during erection.

I went to decide the status of my second life seriously.

.....

「Fuu.....How's this one?」

I moved away from the PC to let the gentleman take a look.

「Let's see... This looks like a dark hero of the wind, isn't the peerless handsome guy more acceptable? 」

「A man hiding in the shadows is something I always wanted to be」

「Well, it's a matter of taste... Show Status...」

When the gentleman to check the screen, the status is lined I mean not fool myself. (TL: I give up rephrasing the machine TL here)

H P ...Infinite

M P ...Infinite

Power...M A X

Speed...M A X

Wisdom...M A X

Strength...M A X

Everything Else...M A X

Energy... Inexhaustible

Magic... All

Skill... All

Personal Belongings...Inside an item box which you can take it out immediately

「Hohoho, aren't you a greedy one」

「Yeah, was that bad?」

「No, there's no problem」

「How strong is this specifically?」

「Let's see... It is possible for you to crush a dragon, that is feared by people like stepping on an ant, you could also destroy a country, heck you can even destroy the world. It's that kind of power」

「hmm.....Speaking of which there was a gold column as well?」

「Earn it yourself, Just in case 1000 gold will be put in your item box as funds. That said, with this status, it's easy to earn all this world's riches」

「I see. Do your thing by yourself, is it」

「Correct, 『do whatever you like』 ...Were 30 centimeters ok for the length of your penis? It's still possible to make it larger you know?」

「This is ok, it would be problematic if tears apart...」

「That is true...Well then, I'll check if there's something we did overlook」

He then proceed to check every column

「Ah, The language field isn't filled up, well, with 『Wisdom』 it would be easy to learn...」

「Ah, I forgot.」

「Then I'll put a check on it.... do you also want to learn the monster language?」

「Only the humanoid types... I'll just learn the other monster language by myself」

「Certainly... Then what about your equipment?」

「Give me the strongest one」

「Then, at what age do you want to be reincarnated?」

「Let's see... I want to make a harem in early age. Make me 20 y/o please.」

「Very well. Instead of being born from a mother, you want to appear in shape already. Well, you don't have any more omissions, It's OK」

「Then, What should I do?」

「Yes, about that... let's have you appear in the grassland

walk north, in thirty minutes you'll find the commercial city "Alias", I recommend going there first.

also, while you're travelling, try your power with monsters as opponent」

「Thanks for everything.」

「There is no need to, I'm only doing my duty, Then I'd like you to welcome your 『second life』 」

The gentleman snapped his fingers again and my consciousness gradually switched over.

When I noticed, I stood in the middle of the vast grassland by myself.

Instead of the clothes that smell poverty that I was wearing a while ago, my body is now dressed in black, which somehow looks strong.

「Let's see.....Skill、 『Equipment Check』 .....was it ? 」

Just by thinking, I confirmed my equipment

E: Sword of the Champion

E: Armor of the Champion

E: Mantle of the Champion

「Hmmm.....Not bad.....」

Surveying the scene, immediately to my side is something like a road running through. (TL:thanks 87% senpai)

Standing on the road, I squinted my eyes and confirmed that there's a city ahead

By the way, vision is also MAX (TL: Yea, all your parameters are max, we know it)

「Well then, while experimenting on my abilities, I'll aim at that city.....」

Along the way, high intelligence monsters seems to fear me because of my aura, however, low-intelligence monster like slimes doesn't seem to be affected, thus I swung my sword and tried to shoot with magic.

「Hmm... Defeating monsters doesn't seem to give you gold...could they be put on requests of guild and such?」  
Still, with the slime's watery body, "All-purpose" lotion can be retrieved.

When you think about it, it does seem to be useful.

I used a small bottle, collected the lotion and tossed it away in my leather bag.... My "Able to put and get anything from Item box" (TN: I'll shorten it to "Item Box" when I see that line again. That's the literal TL)

I've gotten the hang of how to use magic and skills

I tried to use the weakest fire spell on a slime, The slime was burnt and everything else within 50m diameter.

I need to be careful when controlling magic.

~~~~~

When I arrived in the city, the gatekeeper asked me of my purpose so I answered politely.

『Wisdom』 is really convenient at such times

Upon entering the city, the market is already in sight.

Good, let's survey the prices, and gather intel.

「Old man, how much for this apple?」

「Aiyo! It's two gold per piece」

「Hmmm... Give me three」

Comparing the currency from my old world, it seems that 1 Gold = 100 Yen.

「Old man, can I ask if there's an Adventurer's guild in this place? It's my first time in this city」

「The adventurer's guild is the big building in the center square on the right side. You can see it immediately」

「hmmm.....」

As expected, you can gain money by working in the adventurer's guild.

「Brothel, do this city have it?」

「Eh? Hehehe.....there is a full range of variety, you know. (From the best to the worst)」 (TN: Thanks again 87% senpai)

「In regards to luxury stores, what do you recommend?」

The old man whistled while making a money hand symbol

「Then, give me twenty more apples」

「Thanks for the purchase! The best store for that would be 『The Dragon's Cage』 The women there are beautiful, I can guarantee you that. 」

「Hmmm. By the way, how much it would cost for an overnight with the best lady?」

「Let's see.... I heard this from a wealthy merchant....One night would cost you 2000 gold」

「I see, sorry to bother your business old man」

「Not at all, thanks for your purchase」

A high class lady would be around two hundred thousand yen per night. I lack money so it can't be helped, let's go to the Adventurer's guild to earn some money

~~~~~

When I entered the Guild, an old man that seems to be the manager was looking at me (TN: Machine says 'waiting')

It seems that they are evaluating people through equipments

「Well, well... What can we do for you sir customer?」

「Ah, this is my first time in the guild, could you describe your work」

「First time? ah, no, but your equipment is...」

「This equipment was my parent's memento, they take pride in sword and magic skills. I have been trained with such parents」

「Is that so.....」

I just lied on the spot, but I used a little bit of 『Hypnotism』 so I should be fine.

「Adventurers are separated by class, which is S, A, B, C, D, they are given work which corresponds to their class」

「The classification is determined by the abilities?」

「No, they are determined by the equipments, for example, even if it's your first time here, you would be put to B-class」

「Hmm... you say roughly, what about the other classes?」

「D would be a handyman

C's can subjugate monsters

B can be a guard of a medium sized caravan

and A is a first class adventurer」

「What about S ? 」

「For S class, There is no need for them to go to the guild by themselves. We're the ones to request them if they're needed.

Also, there's no S-class in this city right now. 」

「I get it. For starters, let me see the requests for B-class」

「Certainly.」

The manager brought me the request chart, but there aren't much quests to be seen.

Also, rewards doesn't even reach 2000 gold

「Is....there any request where I can get lots of money?」

「Lots of money.... Right now, request for subjugation of earth dragons is out. This one's an introductory quest for B-class」

「And the reward is?」

「200,000 gold, but, a group has already accepted this request.」

「I see. Then, if I completed this request promote me to S-class」

「P-please wait, do you have companions?」

「I alone am enough. Don't worry, I'm strong enough」

「Wha..... ! ?」

「.....What are the rules on accepting a quest? I'm fine, if I died then I'm just another foolish adventurer」

「Ha, hah.....」

Overwhelmed by my aura, The manager began telling me the details

Thus, I challenged the Earth Dragon -alone.

## Hit the Dragon, also Rape ★

[Google Docs for those who want to read with the raw above the TL](#)

---

Haa....Haa....Haa....!

Running to the camp with her feet speeding with magic, Emily's breath is getting rough  
It was a failure

That's impossible, we who were waiting by a nest of a dragon to be caught in a trap easily...!

Our opponent was a Dragon, a veteran Dragon. It was called Nushi(ヌシ) by the townsfolk.

Emily with the members of "Steel Hunter Group" was waiting in the dragon nest, was confused by the falling rocks,  
and suddenly it came down from the sky

The group, with the sudden attack was scattered. Emily lost her consciousness. When she came to, the members of  
"Steel Hunter Group" was no more.

The healer isn't supposed to leave the party...!

It's too late for regrets

Anyway, if ever anything happened we decided to set a camp beforehand.

I reached the camp!

While Emily was having those thoughts, she saw a collapsed camp

The earth dragon was waiting in the camp

It was chewing some sort of meat

Don't think what kind of meat that is.

*I have to run away!*

I thought to myself, but my legs was trembling in fear

A healer can't do anything against a Earth Dragon

The earth dragon rushed aiming at me

*Someone! Help me!*

When Emily prayed so, something jumped from the air

「There we go」

That “something” pulled out a sword, swung it against the dragon, and its head fell.

「 ! ? ! ? ? ? ? ! ? 」

Emily was confused, ‘That person’ cut off the dragon’s head easily.

「With this, 200,000 gold is mine」

Apparently this person is also an adventurer

Emily’s instincts are screaming “Don’t antagonize this person”

But still, I have to make sure

「H-Hey! You! Have you seen my party?」

「What ? 」

「D-did you see my companions?」

「Now that you mentioned it, I saw a mountain of corpse behind the rock when I came here. They were around 19 bodies I guess.」

「A、 a、 a..... ! 」

「I just remembered, there was another group that accepted this request, Ain’t you glad? It didn’t turn twenty」

「Cain!! Caiiiiiiiiiiiiiin!!」

Emily cried while screaming the name of her lover.

~~~~~

My celebration has been spoilt

Even though I took the trouble saving this woman, She was crying and screaming a name of an unknown man.

(No... Ain’t this fun too?)

I grabbed her collar, looked in her eyes and murmured.

「Don’t cry」

「Hii..... ! 」

With a light hypnosis added in my words, the woman shut up immediately

「Strip」

「Wha? I don’t want to!」

「Your robe looks expensive. I don’t mind slashing your clothes with my sword you know?」

After showing my sword, the woman reluctantly took off her clothes.

(That’s quite a nice body....)

The woman tries to cover it with her arms, but she can't hide her ample bosom.

The large areola is colored pink.

The waist and hips are moderately narrow

The pubic hair is thin, and it's color is chestnut

「Y-you've had enough right? Let me go already.」

「Bind」

When I chanted, The woman is bound by an invisible rope.

「He-y! Sto-!」

The woman fell on the ground

I hugged her body and started rubbing her chest.

「E-even though I don't want it... why do I feel... 」

I'm adding charm on my hand while it fondles her boobs

With this, even she doesn't want to, she'll feel it gradually

「Nooo~!」

Reminds me, how long has it been since I have touched a woman's breasts?

Like a wolf, I massaged, fondled, and groped her body.

「Aah~... Ahn~...Even though you can't....」

While licking her voluptuous breast, my hand reached for the lower region

「T-That's!」

With a charm on my finger, I reached for her vagina, It's already wet. I slid a finger in and stimulated her G-spot intensely.

「Aaaaaaaaaahhh! W-what's this.....I don't know」

It seems it's the first time for her G-spot to be stimulated.

I was massaging her breast, sucking the nipple on the other, fingering her G-Spot and rubbing her clitoris with my thumb at the same time.

「Ah~ ! Don't! ! Something's coming ! It's cumming! ! ! I-It's coming out ! ! 」

The woman screamed while orgasming, she squirted

「Your squirt...hit me」

After saying so, I laid the woman down, unzipped my pants, and took out a superb article

「....Hiii! What is that?」

「What is it? It's my dick, this is gonna be inside your vagina」

「I-impossible, that thing won't fit in!」

「Be at ease, I'll use lotion.」

I took out the all-purpose lotion from my item box and started pouring it in her secret crack.

「P-please.... stop this already!!」

「Don't want to」

I sentenced so, my superb article inserted.

'Michi michi', The sound of my meat being wrapped around.

「Ga.....haa ! ! 」

The woman screamed from the top of her lungs when her insides were pierced.

It does look painful for her, I continue to piston with no care.

「Gu... Aah, Ahh, Wha-What's this...Even though it's painful..ahh.. wa... ahh!」

My thing 『Generates』 aphrodisiac, and I was pouring it in her vagina directly.

The feeling gradually increases as I thrust.

「Aahh... Ahn~....C-cain... I-I'm sorry...I've degenerated」

I rammed it in and ejaculated inside.

「Aah, Hyaaaaaaaaaaaaaaaaaaaaa!!!」

She orgasms while I pour my semen in her womb, and this time she urinated.

From my hips, I can hear the sound of piss, I decided not to question it.

My ejaculation was wonderful compared to my previous life.

「Uuu, uuuu.... are you done already?」

「Try to look at my meat stick, do you think it's done already?」

I declared so, my dick inside her started throbbing and starts to get erect again.

「Two more rounds at least.」

「N-Noooooooooooooooooooooooooooooo ! ! ! ! 」

I started moving my hips while ignoring her cries...

~~~~~

「Uuuu.... My insides are torn apart....」

The woman who saw blood mixed in semen sighed, and started casting magic on herself

「Heal.....」

「You, you can use healing magic?」

I asked while stripping the evidence from the head of the earth dragon... She didn't answer.

「If you don't want to talk, I can force you to using magic you know?」

「! This rapist! Yes! I'm a healer! Is there a problem with that!?」

「Nothing in particular」

「.....」

I left the woman to hiss alone and headed for the rocks

「! W-wait! What are you doing!」

「What ? I'm collecting the guild card of those who died, isn't it the rule of the guild?」

「Ah...U,Uuuuuu.....」

When she realized that her companions really died, she started crying again.

「.....Tsk」

I walked up to the woman and grasped, dragged and raised the nape of her neck.

「Hii... Wha-what? A-are you possibly going to do something horrible to me again?」

「Hey woman! Can you make an apple pie?」

「eh..... ? 」

「I'm asking you if you can bake an apple pie!」

「Well, if I have the ingredients and the location」

Due to the unexpected question, the woman is confused.

「Then, be my companion」

「Eh ? 」

「Be my companion and bake me some apple pie. I'm troubled because I bought too much, that's why I want someone who can cook」

「Y-yes」

A woman answers reflexly and has the face which closed.

「My name is Fujiyama, no. Arc-Demon, Yours?」

「Emily... Feed....」

Thus I, formerly Fujiyama Shinsuke, Now Arc-demon had Harem member #1 as a companion

The news of the A-class group “Steel Hunter Party” being destroyed with only one survivor has spread completely in the city of Alias

At the same time, the news about the newbie swordsman defeated the Earth Dragon that destroyed the “Steel Hunter Party” was more surprising

Due to Emily’s survival and the evidence which is the scale of the dragon. The new adventurer Arc-Demon was given the S-class title and the gold reward which is 200,000

Hearing the location of the best inn from the guild, curious to see if there are merchants. Arc took Emily to the inn

~~~~~

「How rundown ... Well, since it’s just a temporary residence to ward off rain and dew, isn’t it fine?」

Hearing Arc’s impression of the inn, Emily couldn’t believe her ears

Emily was an A-rank Adventurer, but she never lodged in such a high class inn.

This is the regular hotel the merchants who come to deal use to the alias which is a commercial city.

「This is rundown?... Man, you a rich heir form somewhere?」

「Hmm」

Arc laughed lightly, he then proceed to get the apple in his waist leather bag and put it in the table

....Heck, how the hell did those apples fit in that bag?

「I already got permission to use the kitchen, Use this as ingredient, if this isn’t enough just ask me」

Arc casually removed 300 gold coins from his leather bag.

「.....」

「I’ll head out, I’ll be back by tomorrow noon. If you want to run away, you’re free to do so」

「Eh? W-wait, where are you going?」

「Brothel」

It may be embarrassing for some to say “brothel”, but he went and said it without regard

Even if I ran away, I have nowhere to return to.

Feeling helpless, Emily proceed to cut the apples.

「Cain... what am I doing?」

Emily said while sighing

~~~~~

Even if I'm somewhat close to a god and can't attain enlightenment whenever I want to, it's hopeless due to my natural character.

If I want to embrace a woman, I'd pick the best woman available

When I got to the street where it was filled with pedestrians, inside the alley, a suspicious world has spread

It's dusk already, stores starting to light up the lamps for their banner to be seen.

The moment I entered, they're already pulling customers

「Dear Customer, we have good girls here!」

「They cost 200 gold/hour only!」

I gave them a bitter smile and asked them where "Dragon's cage" is

Since they are accustomed in entertaining customers, they honestly told me where it is.

Heading to "Dragon's cage", I heard a voice from behind.

「Please try our store! It's a service」

I gave them a bitter smile and waved my hand.

Arriving at the location, in comparison to the other shops, there's a single brothel with an elegant three floor levels.

Right now, this is the most luxurious place that I've seen

I called out to the guy who was standing in front of the gate

「This is the Dragon's Cage isn't it?」

「Yes it is.」

「How much for a night?」

「Is this your first time here dear customer?」

「Yea」

「Then, let me explain how the shop works

First-time customers have to pay 300 gold for collateral 」

「Cash Collateral?」

「Yes, this collateral money is held on to by the shop, and returned at the time the customer leaves the shop.」 (TN:

Thanks 87% senpai.)

It's a system to prevent the customers from running away, I removed 500 gold from the leather bag and gave it to the boy

「D-dear customer, it seems that you gave too much」

「It's fine, take it. Anything else from your system?」

「Y-yes! Thank you very much! You can choose from average to the finest girls we have here.」

「Of course, I'll be choosing the finest lady」

「Understood..Please enter...」

~~~~~

The boy led me to the lounge and made me seat on a sofa

The furniture seem to be luxurious

「Then I'll be calling all the available ladies, please choose from those girls」

「Yea」

I can see the face before paying... What a nice system.

I waited for a while, when the boy came back, he has 10 prostitute forming a line in front of me and greeted me.

「 「 「Thanks for coming today」 」 」

The girls are wearing thin veils that's almost transparent, and they're not wearing a bra.

Now then, which girl should I choose?

Their level can be compared with the entertainers from my previous life.

I casually used "Doctor" and "See through" skills to determine which girls are healthy and which girls contain STDs.

Using my skill, I concluded that none of them have sexually transmitted disease, maybe there's no STD in this world

From the moment the girls entered the room, there was one that I deemed perfect. (TN: help on this line)

Long silver hair, a real beauty. She tops the other girls who are present in the room

Her age is similar to Emily's. It's just that, she has an aura of an "Erotic woman", it feels like she was born to be embraced by men.

Her overall style is slim, but her breasts has the same size as Emily's

Her ample bosom is emphasized by her slim body

I already like this silver haired woman, but I pretend to feign ignorance

「Hmmm, with such beauties it's hard to decide.」

「You can make a request as long as it's reasonable, how about it?」

「Ok then, show me your boobs」

「Certainly」

When the boy said so, the girls smiled and took off their veil. All that's left is their panties.

Various sizes of breasts are shown, it was a masterpiece.

This alone is enough to give someone a nosebleed, but I'm much greedier.

「Can I touch them?」

「That's OK」

「Umu..」

I got up from the sofa and started fondling their breasts, rubbing their nipples.

「Ahn~♪」

「Ufu.....」

「Yan~♪」

「Hyaa~♪」

I like the reaction of the silver haired girl

If you look closely, you'll notice that her skin is the whitest among them.

I already made my decision, but I decided to tease them further

「Hmmm... I'm choosing between this silver haired woman here and that golden haired woman there. Anyone else can go back」

When I said so, the other girls grabbed their veils, smiled bitterly and left the room.

The staff sure are educated, this store sure is luxurious

「Fufufu.....」

「Kya~♪」

The remaining girls, with their chests revealed, smiled.

The golden haired girl seemed to be second when it comes to beauty

「What would you like to do?」

「Let's see... remain undressed. Introduce yourself, tell me what you can do and what's your specialty」

「I understand... My name's Fatima」

The boy prodded her, the silver haired girl stepped forward

「My name is Fatima... there is no particular play that are no good, ah, but I dislike pain. My special skill is bubble

wash.....and my reputation is good for」

Next to her, the blonde girl steps forward.

「Katie, I'm not bad with any particular play. for SM, I'm good as long as long as it's not hardcore. I'm good with blowjobs, oh, and anal is ok too. 」

「Hmmm. I'll take Fatima, next time I get here, I'll take Katie.」

「Please do visit us again, ok?」

Katie put on her veil, bowed, and left the room.

「Ufufu... Thank you for choosing me, I'll make sure to send you to heaven」 (TN: Death by snu snu)

「Umu, I'd take this lady. How much it is for a night?」

「Understood... You've got good eyes dear customer, She's our number one lady here.」

「Ah... Do I have to pay in advance?」

「Yes. One night is 3000 gold.」

「Hm ? When I asked in the city market, they said it was 2000, isn't it ? 」

「Yes, for returning customers, 2,000 gold is enough, but in case they are first-timers, as whe don't know what kind of people those customers are, we receive half the fare in concept of guarantee for their first time.」

I see.... It's an insurance system, also they want to check if you have some weird fetish or violent against women.

「Hmm.... I'll give you 5000 gold this time」

「5000 gold you say? It may be rude to ask, but do you seek for a weird play?」

「Ah, no. That's not it. That 2000 gold is an advance payment for the next time. Think of it as token of patronage and my hope for a more flexible relationship. Also I'd like to try other plays」

While speaking, I took out 5000 gold from my item box and put it in the table.

Chaching~ The sound of money filled the room.

「Understood. If that's how you want it. The room will be prepared immediately, please wait for a while」

「Fufu.....See you later then.」

Talk about soap play.. This store must have a soapland then.

Just like the boy asked me to, I waited in the room while drinking alcohol.

~~~~~

Twenty minutes later, Fatima's voice could be heard behind the curtains of the room.

「Sorry to keep you waiting.....」

Fatima opened the curtains, sits on sieza, and made a bow.

「Preparations had been completed, fufu... Would you like to go to the restroom first?」

「Yea, no problem」

「Then, I'll guide you to our room.... fufufu, this would be fun isn't it?」

With a smile, Fatima led me to a room. I wonder what would a soap play feel like.

高級娼館でソーププレイ その1 ★ (即尺、ボディ洗い)

## Luxurious brothel's soap play Part 1 ★ (Body Wash)

[Google Docs for those who want to read with the raw above the TL](#)

With Fatima's invitation, I entered the room. Inside was, well, a soapland similar to the ones I know from the previous life, yet a bit different.

The size of the room is three times larger though.

Speaking of which, the bed is double decked, there are two bathtubs. Instead of an air mat, the soft mat laying down in the bathroom seems to be made of sponge.

Probably the reason for having two bath tubs must be the other one is a hot bath.

It can't be helped since water can't be gathered quickly.

While I was looking around the room, Fatima bent forward and hugged and kissed me at the same time.

「Mmm~....chuu~..... Chu.... fufu... smooch」 (TN: Chu = Kiss SFX)

After entwining our tongues together, we separated.

I was extremely aroused with such a passionate kiss.

「Well then, I'll start stripping off your clothes... Fufu~」

Fatima skillfully removed my armor

She started talking halfway.

「There we go... It's been so long since an adventurer stayed for a night here. Usually our customers are merchants or old men.」 (TN: Those gang-rape old men you see in your NTR doujins/hentai anime. Yea, those kind of old men.)

「So, you prefer younger men?」

「Hmmm. Doing it with old men isn't bad, but I do prefer the Vigor of young men as expected... This is ok already」

She placed the removed armor, mantle and sword in the closet.

「Then, shall we take off these clothes?」

To stop being mocked, I took of my black clothes.

The moment I took of my pants – It stood up.

「Oh dear.... !」

She raised a fascinated voice when she saw my penis.

「It's quite large isn't it?」

「It's still not fully erect yet.」

「Fufufu.... Is that true?」

I removed my pants fully while saying so.

My penis stood like a tower reaching for the sky.

「Amazing!! This is my first time to see this size... Will this fit in my mouth?」

While saying so, she knelt and started rubbing my rod and licking my glans.

「Should we start with my mouth first?」

「Mm~.....\*kiss\*.....\*lick\*.....Should we do it in the bed? Or should we stay here?」

「Let's just do it here.」

She started to service me while I remain standing.

After licking the glans, Fatima took my large penis in her mouth. Her fellatio began to make indecent sounds.

「Mm~.....\*slurp\*.....\*drool\*.....\*lick\*.....\*Slurp\*.....」 (TN: This sfx looks boring. lol, I'll use romanji below. I just want to tease you.)

So this is the shop's number one's tongue, the quality is considerably good.

「Mm~.....Jyuru.....I'm sorry, I couldn't take it all.....」

「You should go with what you can.....」

「Mmff.....Jyupu.....Jyuru.....」

Fatima's hand is assisting her in doing the fellatio by playing with my scrotum. While her other hand plays with her secret place hidden inside her panties.

My desire to ejaculate increased as I look upon the sight.

「I'm going to cum.....!」

The sentence ended with me vigorously ejaculating.

「Mmm! Mmmmf! \*cough\* \*cough\* I'm sorry, I couldn't swallow it all. I didn't expect it to be that much.....」

「Don't worry about it.」

「Ufu.....Then, I'll clean this up」

Fatima said so, she held my penis and began her fellatio again.

「Mm.....mnmf.....Jyuru.....Amazing.....It didn't get limp after that.....?」

「I told you already right? I can do it a lot of times.」

「Mmf.....Jyuruu.....This would be fun.....」

I wrapped my lower part with a towel after she finished her cleanup fellatio

「Could you please wait for a while in the bed? Do you want something to drink?」

「Bring me some alcohol」

「Certainly」

Fatima took a bottle from the shelf, poured it in a glass and left it on the table.

This sweet aroma comes from a honey wine.

Fatima took off her veil and her panties. She's now in her birthday suit. She quickly pinned long hair down.

Her erotic nape came into view.

「Fufu... Don't stare too much, it's embarrassing.」

「Your body is beautiful, flaunt it more」

「Fufufu.....」

In fact, Fatima's body has a proportion of a model

Large chest, elastic yet not saggy, small areola which is unsuitable for a prostitute, and her pink nipples shivers.

Her pubic hair's color is the same as her head, the thickness is normal, it seems to be the smooth type.

「Ufufu... Could you wait for a bit?」

While saying so, Fatima took the cup, brought herself to the bath, drank its contents, rinsed her mouth, and spat it out in the drain.

I laughed at the scene, afterwards I made a huge sigh

「.....It doesn't smell semen anymore.」

「To fight off the odor, you use mixed herbs, ain't that expensive?」

I just released a lot a while ago in her mouth, yet the smell of semen can't be perceived anymore.

It seems like the kiss play would be ok.

「Well then, let's proceed... please watch your feet.」

Fatima removed the towel on my waist, held my hand and invited me to the bathroom.

Then, I sat on the wooden stool.

....You can find that kind of perverted person anywhere in the world

Fatima started to carefully wash my dick and my anus with her body that was foamed with soap beforehand.

「It's really amazing.... It's throbbing」

After being washed thoroughly, hot water was used to wash away the bubbles.

「Is the water okay? Is it too hot for you?」

「It's fine」

「Next, we shall proceed with the body... fufufu」

Fatima proceeds to cling to my body, covering me with foam.

「U.....Fufu.....」

My chest was rubbed by her big breasts, my crotch being rubbed by her thighs. Her whole body is clinging me passionately.

「Nn.....ha~.....」

While rubbing, Fatima felt it a little.

Unlike Emily, I'm not using charm.

With charm, even the most experienced prostitute would fall, that won't be fun at all.

「Mmmmm.... Nn~.... Mchu... .Jyuru...」

With the mood rising, we started to exchange kisses.

I supported Fatima's back with my hand, while the other massages her breasts.

「Ahn~♪ What a mischievous hand.」

Fatima kissed me once again, then washed away all the foam.

「Next, let's enter the bath.」

「Bath first before mat play?」

「Yes, I'm really good at it, but we'll do something else first okay?」

It seems that there's another service.

I soaked my body in the hot water as told, and began to relax

## Luxurious brothel's soap play Part 2 ★ (Periscope)

[Google Docs for those who want to read with the raw above the TL](#)

「Yes, first of all, let's clean your teeth」 (TN: Nisemonogatari? Anyone?)

Said Fatima, then she put a dish on the edge of the tub and proceeds to put water and salt on it.

I pinched some salt and brushed my teeth with my fingers.

There's no such thing as toothbrush and toothpastes here, but the soap is the the same in my previous life.

Speaking of, I did not find any mouthwash.

Well, if there's no sexually transmitted disease in this world, why need a mouthwash (TN: Seriously? You only use mouthwash after 69/Cunnilingus/Blowjob?)

「Fufufu.... Well then, excuse me.....」

Fatima entered the bath facing me.

Having two people in the bath, the water naturally overflowed.

「Fufu.....This one is energetic isn't it? It's amazing.....」

Fatima began to stroke my erect penis gently underwater, I held my ass up.

「Excuse me, but could you raise your posture? Yes, raise your feet please.」

Being told to do so, I raised my feet and hanged it on the edge, thus raising my waist.

My dick stands out in the surface of the water.

Right! This is a periscope

「Fufu, then I'll begin licking it.... \*Rero~\*」 (TN: Search "Rerorero Kakyoin" in youtube, You'll understand what the sfx is)

After entwining the head with her tongue, Fatima swallowed my big penis whole.

「\*Drool\*.....N~.....\*Lick\*.....\*Drool\*.....」

The sound of water was mixed with an indecent sound.

Fatima's tongue crawled on my meat devotedly.

「Mm~、 Mmm~、 Mm~.....\*Drool\*.....\*Lick\*.....\*Drool\*.....」

I've experienced periscope in my previous life, apparently, the woman finished doing my cock, we should proceed with the mat play

But Fatima was still busy continuing her fellatio.

「Nmu~.....\*Drool\*.....Mm-chu~.....\*Lick\*.....\*drool\*.....」

With a large penis inside her mouth, her tongue still moves freely, licking the head, neck, the rod as whole. One hand is massaging the scrotum underwater, while the other jerks the part where her mouth hadn't swallowed

「That's it.....I'm cumming ! 」

I declared once again. I spewed a large amount of semen inside her mouth.

「Nn ! Mmff ! .....Nmu.....\*drool\*.....\*swallow\*.....」

Although the semen was too much that it was spilling out of her mouth, she still insisted on swallowing the semen down her throat.

「Mm~.....Fuu.....Haa~.....Amazing.....You just released a while ago, to release such an amount」

Fatima laughed teasingly, and began to poke my skyhigh dick.

「I'll just prepare the mat, take your time in the bath.」

Said Fatima. She then got herself out of the tub, laid down the mat made of sponge from the wall, poured hot water to heat it up.

I submerged in the tub and watch her do her work

After warming the mat, Fatima mixed red lotion and hot water in the tub and stirred quickly.

「Ufufu.....How is the red slime lotion ? This is the finest lotion you can find」

I heard that well.

If I see a red slime, I should immediately hunt it.

Fatima spread the lotion in the mat, laid down the towel to act as pillow, and painted lotion all over my body.

「Then, could you come over this mat? your foot goes here. Be careful coz it's slippery」

I did as I was told, I got out of the tub and laid down on the mat.

「Ufufu... Then I'll begin」

Fatima declared, thus the mat play begins

**Luxurious brothel's soap play Part 3 ★ (Main event: Mat Play)**

[Google Docs for those who want to read with the raw above the TL](#)

---

Hello! Pun here. This is my first time writing my thoughts in a post, it's a pain in the ass to make introductory lines every time.

By the way, you may want to read [The result of me who suffered from communication disorder and allocating all skill point to communication skill and Reincarnated](#) from my friend Missere Meow.

I'm also thinking of taking another project along with this Cheat WN. Though, I still don't know what to pick, and I won't be picking till I caught up with the author.

I'll be asking for some suggestions later, I'll include the criteria so you won't be throwing some random titles.

Next chapter is a bit short, So I might post it today too.

Then without further ado, enjoy the mat play. Thank me later.

---

First, fatima used her hand to apply lotion on my back.

「Then, here I come... Fufu~♪」

As declared, my back got slimy with the lotion was being applied.

「Mm.....」

Feeling the big breasts on his back, her nipples are getting stiff.

Fatima's small nipples are erect already.

「\*Kiss\*.....\*Kiss\*.....\*Kiss\*.....」

While washing my back, a barrage of kisses can be felt.

「Heave-ho.....Fufu.....」

Fatima changed her slimy posture and my legs was rubbed by her breasts.

After that, my pubic hair that's being in the middle of my crotch is washed too.

「Ufu.....Fuu.....」

Fatima isn't the type who pants heavily during mat play

In my previous life, the woman's breathing was mechanical, which turns me off. So, I'm really grateful for her kind of

response

Fatima started to wash my other leg just like how she did earlier. With my slimy body facing down, my penis slips out of the gap.

「Fufu~.....How is it? Does it feel good?」

「Yea, it feels good. Keep going.」

「Fufu♪ I like honest customers you know. Then I'll do a small service for you♪」

Fatima let go of my lower body and faced my butt

「Could you raise your ass a bit?」

I did as I was told.

「Then, excuse me... Mmm....\*Kiss\*....\*Lick\*...\*Kiss\*」

Fatima buried her face in my ass and started licking my anus.

「Mmf... \*Lick\*...\*Kiss\*...Oh dear-\*Kiss\*...Do you like being clean? Such consideration.」

Before coming to the brothel I used the skill "Clean" on my body.

I have already expected it, still being licked in the anus sends shivers down my spine.

「\*Kiss\*.....Mmf~.....\*Lick\*.....」

Fatima, while licking my anus' insides, plays with my testicles on one hand, and rubs my penis on the other.

With the synchronized stimulation, my rock hard dick turned to diamond.

「Oh My~、 Amazing.....\*Kiss\*.....What are you going to do? Are you cumming already?」

「No.... I want to do it inside.」

「I understand... Then, face this way~」

Thus, Fatima held me, with the help of lotion I turned over.

「Well then, if you'll excuse me.....」

With that, my whole body was poured with lotion once again.

「\*Kiss\*.....\*Lick\*.....」

Both of my nipples were licked alternately.

The mat on my previous life wasn't slippery, but this one seems to be water repellent, thus I slipped.

To make it easier for Fatima I held her body.

「\*Kiss\*.....Fufufu.....Thank you~♪ That's it, should I wash you off?」

Saying that, she shifted to my lower body and sandwiched my dick in her breasts, then began tiffucking.

「Mmm~.....Mmm.....Mmm~.....It's still amazingly hard.....Mmm~.....\*Kiss\*.....Mmm~.....」

She kissed my dick while continuing her paizuri.

I must say, Fatima is really skilled in mat play.

She's always glued to my body.

「Aaahn~ I can't take it anymore, I'm gonna put it in!」

Unable to suppress herself, Fatima straddled on my waist without even listening to my reply, then inserted my cock in her.

「Aah~! Haa~! A-amazing.....! It has reached deep inside.....!」

Before Fatima caught her breath, I started moving my hips on a piston motion.

「Mm~! Aah~! Haa~! Amazing! Mmff~! This takes me away.....!」

Lewd sounds mixed with lotion resounded the whole room.

「Mm! Mmmm~! Aahh~! Aaa~!」

Seeing Fatima's naughty breathing with her breasts bouncing up and down, I held her ass and thrusts with my hips.

「Mnn~ Hii!! D-don't.....! I... Should be the one... Moving.....!」

I obediently stopped moving, letting Fatima move by herself. She then grabbed my hand and placed it in her breasts.

In which case, I didn't hesitate to rub it.

「Ah! Ah! Ah! Ah! Ah!」

Fatima sped up.

Her inter vaginal walls are tightening, I'm about to cum with the sensation.

「Aah~! Mm~! D-don't! Gosh!」

The stiff Fatima tightened even further.

Unable to bear it anymore, the dick that has been played with in the mat, released a huge amount of semen once again.

\*Do byu rururu\* (TN: I don't know what this means, that is the romanji by the way)

「Ah! Aaaaaahhh!! Don't, I-It's coming out!! Cumming!!!」

\*Splurt\*

Hitting Fatima's womb, I blowed a large tide. I reached climax.

「Ah, Aaah.....!」

With her body reaching the climax, Fatima's shaking body was supported by me.

「Aah~...T-this is the first time .....that I squirted on a sex with a customer.....」

「Do you release a lot in private ? 」

「When masturbating, yes several times.....」

Fatima confessed easily while trying to catch her breath.

~~~~~

After that, we took off the lotion with hot water, caressed each other in the bath tub. I rose up the tub to finish bathing, rubbed my body with a towel and wore something something similar to bath gown.

Fatima also wears a bath gown.

I sat on the bed, drank honey wine when Fatima come to ask.

「Have you eaten dinner yet? I'll order some food if not.」

「No, not yet. Can we order food here ? 」

「When staying for a night, isn't that obvious. You can also order breakfast here. 」

「I don't want to be stingy, but is this included in the payment? That's quite a service you have there」

「Oh my, even though you have quite the money, you still mind it. Of course it's included in the payment.」

「Then, please. 」

「Yes~♪」

Laughing cheerfully, Fatima pulled the string, then a bell sounded the room.

Soon, a boy knocked on the door.

「Enter~」

「Sorry to interrupt your fun, but, what would you like for dinner?」

「What would you take on our menu ? 」

「I can pick whatever ? 」

「Of course」

「Then, as long as it fills up my stomach, any meat meal will do.」

Come to think of it, I've only eaten apples since I came to this world.

I suddenly got hungry

「The usual sandwich for me.」

「Understood, Please wait for a while.」

The boy bowed and left the room.

In the bed, the two people sitting were silent.

Meanwhile, Fatima slid her hand in my gown. She then started stimulating the dick that does not show any signs of decline.

「To stay overnight, you must be a really wealthy merchant?」

「Let's see, I do adventure sometimes, but my grandfather is a merchant」

「Do you find it difficult to work with elders Fatima ? 」

「Ufufu, let's see, most people in their first time takes time to recover after their release. Dear customer is an amazing person.」

Fatima's hand was heating up, she's now in serious mode.

I gently grabbed her hand to stop, then whispered in her ear.

「Let's leave it to later.... I'll pour it inside you till your satisfied.」

There's contraception magic used in the bodies of the prostitutes. I searched and confirmed this earlier.

Fatima's body shook up and quivered.

「You'll break me by then.....」

Saying that, her eyes was filled with expectations.

Then, the boy delivered the food, we enjoyed eating it in the bed.

Because the texture was different from the meat I've eaten before, I asked Fatima-

「That's the finest cut of a cow.」

-Is what she said.

Indeed. It tastes like cow meat, yet it's as soft as chicken's, it's easy to eat.

When we finished eating, Fatima put the tableware in the tray and left it in the hallway.

Unable to wait anymore, I hugged her and led her to bed.

Before sleeping, I came eight times, Fatima had twelve, and the bed was wet with squirt seven times.

When I was satisfied, I slept with Fatima on the bed that stinks with [love nectar](#) and semen.

The next morning

「Mm~、*Kiss**lick*、*Suck*、*Drool*」

In the windowless room, my biological clock told me that I dozed off.

「Mmf~.....*lick* *lick* *lick*.....」

Fatima gave me a fellatio, trying to wake me up. I pretended to be asleep, gratefully accepting the service.

「*Slurp*、*Suck*、*Drool*」

「.....It's gonna come」

I declared, and ejaculated inside Fatima's mouth.

「Mm~！ Mmff！*Slurp*.....Mm.....*Gulp*、Gulp.....」

Fatima seems to be surprised at first, yet she calmly swallowed the semen.

「Mmf.....*Gulp*.....Fuu.....My stomach is filled with semen.」

I raised my body, held Fatima, and started rubbing her breasts.

「Ahn~♪」

「.....I'm putting it in、 Ok? 」

「W-wait! We did it like crazy yesterday, I didn't notice but it made my Pussy sore now, It must be loose today so I might not be able to satisfy you」

「Why not just heal it?」

「Oh, you can use heal? Then I'll take your offer.」

「k, Heal」

I put my hand on Fatima's pussy, then applied a little magic.

「The pain is gone now, though the tightness of my pussy won't return, anyway, I'm good for sex again」

「Did I just destroy your business?」

「The tightness will return to original within three days, and this won't affect my normal work」

Fatima said so, I slid my finger inside her to confirm her tightness.

「Hmmm, If it's about the tightness, normal customers would be fine, nevermind, you're not normal」

That said, I don't feel bad.

「Hey~... Are you coming back again? If so take me, I'll be waiting for you, okay?」

「Yeah, when you're tight again, I'll be back」

「Won't you get bankrupt? Don't overdo it okay?」

「Money is easy to get. Besides you would be wet waiting for three days」

「Quite stubborn aren't you? Could it be that you're the S-class from the rumors yesterday?」

「Yeah」

「In that case, it's fine... But, are you alright? You've been fully erect all time since yesterday... Are you okay?」

「Oh this? That can be controlled」

When I relaxed my hips a bit, my large penis that has lost its support, *fwoosh*, drooped.

「Oh my, that's quite convenient. But, too bad, I thought i could still go for another round.」

「So you don't want another round?」

「Fufu, that's a joke♪ There's still some time before breakfast, want another round?」

Saying so, Fatima sandwiched my cock and began titblojobbing.

Fatima's mouth-pussy was comfortable, I came twice in a row.

~~~~~

After that, I received a light meal for breakfast.

Fatima returned my mantle, armor and sword

「Ah, and yes, here.」

I took out 300 gold from my item box while saying so and gave it to Fatima.

「Oh my, are you sure? 」

「Grab a drink. It's a tip for your service.」

「Think before you spend okay? Still, thank you」

After that Fatima led me to the curtain of the reception room.

Before opening the curtain, Fatima made me bent and gave me a kiss.

「Mmff.....\*Drool\*.....\*Kiss\*.....」

The passionate kiss took longer than the first one.

「Fuu... Then, my job is done here, please do visit us again.」

She said then bowed. I opened the curtain.

The boy was waiting in the reception room

「Dear customer, did you like our service?」

「This sure is a luxurious shop I say」

「It's an honor. Here, the cash insurance that has been entrusted to us. 」

「Ok」

I received 300 gold from the boy

「In three or four days I'll return, Is Fatima available by that time?」

「Yes, if you'd like. Fatima is available in those days.」

「Then, I'll reserve Fatima for my return, also, introduce me to some girls like you did yesterday」

「Certainly」

~~~~~

When Emily came home from her noon shopping, Arc was reading a book in the bed

A large pile of books can be seen in the bed.

「.....And here I thought you ran away already.....」

「And where do you think I'm going to run off to? I just bought some necessities for my stay in the inn」

「We're not going to stay here for long anyway」

Arc flips a page of the book while saying indifferently.

「.....As promised, I made an apple pie. It's in the table」

「Ah, that one? that tastes bad.」

「That's because there's a lot of apple in there! !」

That said, she noticed that the plate on the table was empty.

「.....」

「For you, 2000 gold, use it to buy your necessities.」

「That much..... !」

Not listening to her, arc took 2000 gold from his leather back and put it on the table beside the bed.

「.....」

「Don't run away with my money. Also, let me tell you something」

「.....What?」

「If you're going to follow me, gaining luxuries isn't impossible」

「I'm going out.... I need to cool my head for a bit.」

「Return by night, I'm going to do you.」

「!」

Being glared at, Arc continued to read the book without care.

Emily exhaled a sigh and went out for a walk

Wavering Heart.

[Google Docs for those who want to read with the raw above the TL](#)

It was the thirtieth day since I met and was raped by Arc.

The naked Emily who's resting on Arc's arm, started to recall the things that happened until now.

Speaking of Arc, he was combing Emily's chestnut colored hair while letting her rest in his arm. It seems he was looking at the ceiling, lost in thought.

Arc goes to the adventurer's guild once every three days, then takes a request that even dozens of people grouped up can't do. Then, brings back the proof at the same day. When he comes back home, he brings hundreds of thousands of gold.

Then next day he'll go to the brothel, leaving Emily at the inn. He won't be back till the noon of the next day.

When he's not doing any requests, he's usually at the inn, reading a book, not caring about anything else.

When Emily complained about the mountain of books, he clicked his tongue and stored it in his leather bag.

I was amazed by what was going on with that leather bag and, when I asked, Arc let me touch the inside of the bag.

There was nothing inside the leather bag

....Isn't that the legendary "Magic Item Box" of which I've only read about in books?

If there was a so resourceful adventurer such like Arc, I should have heard of him.

But, I have never heard of such a monstrous adventurer before.

Emily tried asking who he is, he replied with "Just an adventurer"

Then, on the days when Arc doesn't visit the brothel, he does Emily everyday, to which turns her crazy. He'd ejaculate three to four times, then they'd both sleep in the same bed.

The sheets would be wet with love nectar and semen every morning. The staff of the inn wouldn't complain since they're being paid well.

Next morning, after Arc made her enjoy the pleasures of a woman, she'll suddenly remember Cain and be filled with guilt.

Cain, a companion from when she was in a party, was the partner she was in mutual love with and to whom she had offered her first time.

Well, Arc is handsome without a doubt. In sex, other than his huge cock, his technique is excellent. Cain has a

normal size yet he was gentle.

On the other hand, Arc does it bluntly. It's unpleasant.

Though he's unsociable, he's kind sometimes.

(Aaah! Gosh! What am I thinking?)

Confused, Emily scratched Arc's chest with his fingers.

Arc said "Ouch", yet, there's no scratch is to be seen in his body.

(Ah, I should sleep.....)

~~~~~

Resting in my arm, Emily's breathing turned into someone who's sleeping. I kept thinking

Emily might have not noticed, but my thing rose up again.

Nowadays, she doesn't hate it when I embrace her during night, and even accepts the kisses she so much hated at the beginning.

If I ask her, even though reluctant, she'll give me fellatio.

Emily's mouth isn't as good as Fatima yet, still it's progressing.

Sooner or later, Emily will be able to do it well.

My activities as adventurer named Arc Demon is doing well.

Changing my name has no meaning.

I just thought that my previous name "Fujiyama Shinsuke" would be too weird in this world

The people in the guild calls me Arc, so now I'm used to it.

Work is simple.

After I receive a request, I fly to where the monster is. After casting a debuff, I slash it with a sword, then I bring back the evidence.

Then for two hours, I defeat slimes for lotions, then return to the guild.

-This way, I earn an average of 200,000 gold, many times even 500,000 gold.

In Japan's term, I'm earning ten million yen an hour.

Even if I only work once every two to three days, there's still money. That's why I usually stay in the inn, reading a book, searching for knowledge in this world

The general topography, information about monsters, commonly used magic and skills, world state and history, and general customs and behavior.

I'm learning to manage money wisely, and a little more about this world

I've tried out various things in the brothel.

It's not like I'm always doing Fatima, I do pick Katie and others sometimes.

Katie isn't as talkative as Fatima, still she does some good service like anal, but when we tried it she fainted with my pounding so I refused to do it again.

Katie's level in fellatio is the same level as Fatima.

Compared to Fatima, the other girls are inferior, thus I exclusively pick her, sometimes I pick Katie, and sometimes I pick both of them when they're available at the same time.

I was curious of how other brothels look, in the end the girls with the same beauty from "Dragon's Cage" was nowhere to be found.

Being a flashy adventurer, then having lots of money to get expensive women, my name was surely known, thus an arms dealer invited me for lunch tomorrow.

Socializing with merchants would be good for my information gathering, so I took the offer.

Tomorrow is a day off.

I should sleep.

---

Guess who's the next harem member?

Oh right. I won't be forcing "donations for a sponsored chapter", I'm asking donations so I can pay for my internet fee, and for me to buy another cup of ramen – just enough to survive for another week. ayy lmao.

## Merchant's Daughter

[Google Docs for those who want to read with the raw above the TL](#)

---

The commercial city Alias has gained independence from the Harold Kingdom. The city center is popular for its trading, and is influenced by rich merchants.

However, with the rise of trade, the carriages that needed to be protected from monsters increased too. Naturally this increased the profit of the adventurer's guild and weapon merchants.

-Even Sean Rockwell, this town's main weapons merchant whom I came to visit today, belongs to a family that made fortune like that and, with weapons at its center, deals with everything like armor or magic tools, being the most prominent billionaire in Alias.

The house looks like a mansion. It is located in the high class district.

The gatekeeper let me through when I declared who I am, then I was guided by the maid to meet Rockwell

「Welcome, Sir Demon, we finally met. Since the weather is good, let us eat out in the terrace. Please」

「Much obliged.....」

My impression of Rockwell is, he's a short fat man, I thought

A "Dragon's cage" regular, also Katie is his favorite, so I asked her about his personality beforehand.

「That old man, after he cums once he insist on making me fellate him until he gets hard again, I hate~ it.」

-is what she said.

Other than that, the only information I have is that he's a really wealthy merchant.

When we reached the terrace, a large table with various dishes and wine is prepared.

「The main dish is roasted duck that has been raised in my house... A delicacy, isn't it?」

「I'm looking forward to it」

Indeed, every dish was a line-up of delicious-looking food, but, as they were a luxury, to me they seemed just dishes with portions too little

Since I'm the one socializing here, let's not say anything about it.

After that, Rockwell conversed me about business and monsters, then a woman came in.

「Father, is this a customer?」

When I first saw the woman, the word “Beautiful” immediately comes to my mind.

The woman has long blonde hair, small face and a dress that would suits up someone called a princess, her facial feature seems to be gentle, her smile would attract any man.

If Fatima’s beauty is like the moon, this woman would be the sun.

Fatima would be the goddess of lust, while this woman would be the goddess of love.

By the way, Emily is also beautiful, but this woman is superior in many levels.

Rockwell, when he saw the girl, made a face that seemed to say “crap!”, but I, hiding my inner thoughts, instead of staring scrutinizingly at the woman, asked with composure.

「Is she your daughter ? 」

「Yes, her name is Marie... Go on, greet the S-class adventurer Arc Demon」

「Nice to meet you Arc Demon-sama, My name is Mary Rose Rockwell, I look forward to our future」

Since the woman bowed pinching the hem of her dress, I stood up from the chair to return the respect.

「How do you do Miss Mary Rose, please do not mind me, I’m just an ordinary adventurer.」

「Please do call me Mary Demon-sama, I’ve heard rumors about you, you seem to take down scary monsters in just one strike 」

「Those are just exaggerated rumors miss mary.」

While exchanging a chat, I used the skill “See through” unnoticed.

The breast is smaller than Fatima and Emily, yet her waist is ant-thin. I’m not sure if her pubic hair is blonde too because it’s thin.

Still, her ass, it seems men would love it, what great volume, by no means it’s not a vulgar ass.

Speaking of, Fatima and Emily are of different type, getting comforted with an elegant body must feel good too.

「Demon-sama seems to be eager with work, are you interested in charity?」

「Charity... Let’s see, it may be not charity for some but doing adventurer work is charity for me. I get rid of the monsters who trouble people and the trade」

「Oh my! Then.....」

「Marie, stop giving strange invitations on our customer... You may leave now.」

Rockwell restrained Mary and made her step back.

「I’m sorry father, then Demon-sama, I will excuse myself here.」

Mary bowed once again, and I responded to it.

After Mary left, I returned to my seat, feigning calmness.

「What a beautiful daughter you have there, and she also have a nice personality, I would be envious of whoever marries her.」

「No, no... She may be beautiful but still she not yet of the right age... So until she's 19, marriage talks are declined.」

You must be kidding?

I used the skill "Mind reading". Rockwell seems to be a doting father, rejecting all the marriage proposals for her daughter.

And, if things go well, marry her to capital's royalty or nobility and take the chance to expand business.

「Also, since she's been doing charity work for the poor... I'm a bit worried handing over the business to her.」

「Hahaha, it doesn't seem to me that she tries to throw the house.」

After that, Rockwell and I continued to chat on business.

Rockwell was relieved that I didn't seem to show interest in Marie.

He's mistaken

I want to embrace Mary

I want to bury my dick in that body of hers.

I want to know how a virgin woman feels like in bed.

I hid my animal desire, after my lunch with Rockwell was done, I left and made my way home.

The lust is swirling inside me since I saw Mary

After speaking with Emily at the Inn, I left and went to the brothel.

The room in the brothel was lit with a dim light.

「Ahn♪ Haa~ ! Aaah~ ! Haaan~♪」

I vigorously moved my dick inside Katie.

「Mmf.....\*Kiss\*lick\*.....\*Drool\*、Wait Arc! If you do it roughly, Katie will break.....Aahn~ ! Mmm~ ! .....  
\*Lick\*.....」

I stirr Fatima's insides with my other hand.

The gasping Fatima licks Katie's chest, while I play with the clitoris.

「Ah, sorry, but I'm in the mood to be rough today.....」

My desire for Mary hadn't been settled yet.

Fortunately, these two were available.

「T-that's good ! Continue ! Poke your big dick in ! 」

Katie's love nectar is dripping as I continue to poke her.

I don't usually use charm in the brothel, but when I do, I do it vigorously (TN: Actual line is: 'I don't usually use charm on prostitutes, but I wanted to do it vigorously today, I sent some small amount in my dick.' I just want to use the old meme)

「Aaahn♪ Cumming ! CummingCumming!! I'm Cumiiiiiiiiiiiiing ! ! 」

Katie's pussy clamped while she was shouting, I ejaculated buckets inside her, while we're at it I speed up my finger inside Fatima

「Aaah ! M-me too ! C-cumming! ! Mm——— ! ! 」

Fatima, who's on all fours, was squirting love nectar from her crotch. We both blew up a large amount at the same time.

「Aha~.....♪」

Completely exhausted, Katie sprawled on the bed.

Afterwards, Fatima immersed herself in the aftertaste of sex

「It's your turn now, Fatima.....」

「Okay! I'll accompany you until the beast inside you calms down♪」

~~~~~

This night, I came three times inside Katie's pussy, and six times inside Fatima's.

Since I also ejaculated while alternating thrusting between the two, it was not the exact number, but, as expected, my sexual affinity with Fatima is exceedingly good.

The exhausted Katie is now sleeping in the bed, while Fatima is kneeling in front of me, servicing the penis that has been sticky with semen and love nectar with her mouth.

Since she's been able to endure charm sex, Fatima's resilience is considerable.

「Mm.....*Slurp*.....Wait for a but okay?.....*lick*.....I'm cleaning it first.....If you're going to cum、 you can cum anytime.....*Drool*.....」

Fatima said so while licking the dirty cock. Seeing her do that made me hard again

「Hey、 Fatima.....」

「Hmm ? 」

Fatima tilts her head with the penis inside her mouth.

「If you were to be redeemed, how much would it cost ? 」

「Mmff ! *cough*cough*.....W-what are you saying suddenly.....」

Fatima released the dick from her mouth, she continues the conversation while doing a handjob.

The handjob wasn't neat, yet eager.

「Let's see.... I've been asked several times, it's around 10 Million Gold」

「Why do you refuse the offer?」

「It didn't fit the condition」

「Condition ? 」

「First would be money, But even more than that, I want someone who can satisfy me on bed. Second condition to clear would be; I don't want a boring man. I don't want to be just a concubine or a tool for sexual relief, I want to enjoy sex.」

「Hmmm.....」

I looked up the ceiling while receiving a handjob, I thought.

In terms of Japan money it would be 10 Billion Yen, also Fatima's condition to be redeemed.

「Impossible right? Also, having you visit me make me happy, I'm satisfied already.....」

「I can do it.」

「Eh ? 」

Fatima tightens her grip unconsciously.

「Do it gentler.....」

「Ah, eh, sorry, but what do you mean by that? You're currently living in an inn right? Also, I've heard that you're living with a woman」

「Yeah, I'm preparing to transfer to a house.」

「.....ÇA ragged house is no good」

「Don't worry, the house would be larger than "Dragon's Cage"」

Hearing such offer, Fatima tilted her head.

「The house can be prepared immediately, there's no need to worry, or is there something else?」

「.....No, If Arc is the one to redeem me, I would be more than willing, but will your money hold out?」

「Gold or whatever it is... by tomorrow I could already think of a way to raise money!」

「You won't loan?」

「Doing it miserly won't do.....I'm about to cum」

Saying so, Fatima rushed my dick to her mouth and received a great amount of semen.

「Mmff.....*gulp*.....*gulp*.....*gulp*」

Fatima gulped down the semen. I stroked her head lightly.

Fatima doesn't seem to dislike her hair being brushed.

Cute girl, I thought, then I continued to enjoy brushing her hair

「Nn~.....*yawn*.....I'm going to sleep」

Katie woke up.

「Ah~! Fatima that's unfair! Let me lick too~!」

Katie said so while clinging on my back.

I smiled wryly, let the two lick my dick and ejaculated. I then slept with the two.

I need to work harder tomorrow.

Easy Money Cheat.

The next day

I walked away from the guild, then when I confirmed that no one was looking, I casted flight magic on the same point where I flew before.

The landing point is the lake shore of Alias.

Everywhere as long as I'm not seen would be okay, but I choose where there are less monsters because they're a bother, and I like the sandy beach.

I eliminated all the monsters within five kilometers in radius along the shore.

After using "Clairvoyance", I casted a barrier to not allow anyone in, then made another barrier to obstruct vision from outside.

Then putting my consciousness on the shore, I casted an "Intermediate Magic" with conditions attached.

「Gather.....」

The sands within five kilometers started to gather and formed.

When "Accumulation Magic" was finished, a hill of sand appeared in front of me.

Of course, it's just a pile of sand.

But...

「Fuahahaha..... ! It's a mountain of treasures ! 」

To my eye, the sand looks like a mountain of gold and silver treasures.

Then I floated the pile of "sand" in the air, and casted "Melting magic"

「Good. Good.....Melt it down then transmute!」

After melting the sand in an exquisite fire, separated them into chunks, used "solidification magic", then hardened it with "cooling magic"

Crystallized sand fall from the sky after I finished my magic.

「Hahaha ! It's a success ! 」

What's obtained from crystallizing 'sand', in other words, 'quartz'... is, in other words, 'crystal'.

Before me, countless lumps of crystal, of sizes ranging from that of a fist at least to twice the head of an adult at most, fell down.

Crystal is a gem essential for magic tools.

Being a superior magic catalyst than other gems, it's commonly used for magic tools such as magic wands.

From olden times without change, crystal has been mined as a magic item, but in recent years it's been exhausted and a severe magic tool shortage has been declared throughout the world.

In short, it is necessary for adventurers who fight monsters using magic tools. High Demand – Low Supply would mean that the price would skyrocket.

I, who am originally a human from another world, know that 'sand' and 'crystal' are the same thing, and thus I can make as many crystals as I want.

『Silica Sand』 is just a sand you can find anywhere.

The humans here who want so much jewels wouldn't expect that they are just stepping on it.

This is my way of making money in this world

「Fufufu... I wonder if they're still not glamorous enough?」

Tossing the biggest chunk, I used "polishing magic" just like how jeweler practice.

「Polish」

In this world, I just toss it in the air, It'll be polished in high speed, by the time it returned to my hand, the crystal with a size of a child's head turned to a complete crystal ball

「I'll put a little service... Fufufu.....」

The crystal ball in my eyes are just normal, but in the eyes of an ordinary magician, they would see an enormous amount of magic power injected in it.

「I've just finished making legendary magic items! Hahaha」

However, even if a magician used the peak of the magic ball magic, I still wouldn't be harmed

I put all of the jewels and magic balls in the item box, then removed the barrier, then flew back to Alias.

~~~~~

When I returned, I hired about twenty carts and loaded it with the crystals.

Given the allowance and alcohol all they like, the coachman, who doesn't want to die, didn't pry about the details.

Since I'm the famous S-class, no one dares to oppose me.

Then the wagons entered the main street, carrying the contents to the biggest building of the merchant's guild

The staff, who saw the contents, ran down to gather the merchants.

Merchants were astonished with the mountain of crystals I've brought, They asked me where the mining vein is.

I gave out a lie, telling them that I found it in a cave that only S-class adventurers can enter.

Merchants' eyes were bloodshot.

Furthermore, I showed them the magic ball from my pocket, showing it as a featured product, it has fueled the greed of the merchants.

Bidding was done at the same day, Sean Rockwell, successfully won the bid. Other merchants also purchased the crystals on a high price.

And that's how I got 80 Million gold in one day, The merchants also got their magic tools.

It's a win-win relationship

If I repeat this multiple times, I would be the number-one Millionaire in this city.

After all, all I have to do is to watch for the price of crystal in the market so the value won't drop.

There's no need to rush

The treasure is just lying in my foot, and I can use it for free.

The story of Arc Demon's wealth was spread to the city fast.

Treating the Hyenas properly, I leisurely got back at the inn

( .....Next would be a house, then everything else. )

To commemorate our last day on the inn, I came lots inside Emily.

Emily gathered her baggage and moved out of the inn with me.

For taking care of us, I gave the inn a decent amount of money.

Walking out from the inn, Emily followed me from behind. Curious onlookers were wondering what would Arc Demon do, still they kept their distance.

Emily asked while we're walking

「.....So, what kind of house did you buy?」

「The house I bought is expensive and it's not yet finished」

「Huh?」

「I just bought a land.... look over there.」

「W-wait, just land?」

Ignoring Emily's protests, we arrived at my land that was surrounded by a fence which was added by the people I hired yesterday.

The location is a bit far from the main city and the adventurer's guild. The insides of the fence had no grass to be seen.

The dealer knows that I'm a millionaire, so he tried to overcharge me, but I tried to bargain with the skill "Price cut", thus I purchased the land for only one million gold.

Even if it's wide, just how much does land cost?

「Are we going to build tents here? I'm not complaining though」

「Just shut up and sit there patiently.」

「Huh?」

I snapped my fingers and created a barrier.

Other than those I permit, nothing can enter my land.

The barrier would protect everything inside with magic. Now without any distractions, I rubbed my hands and started constructing the image in my mind.

The onlookers expectation would rise. I'm currently chanting the lost "Construction Magic"

「..... 『Build』 ..... ! 」

After I finished chanting, the outside wall was trembling with noise, "Housing materials" like trees, rock, iron, and animal skin came flying together in my land and piled themselves up.

「W-what's this ! ? 」

Emily, who has been watching was taken aback.

Due to the commotion, the onlookers increased.

The gathered materials automatically processed themselves, like they are being done by a giant invisible hand.

Rock is cut, the wood turned to planks, iron melted and changed its shape, and the skins of animals were tanned.

Building materials being loaded automatically, and the basic part of the building constructed.

「W-What did you just do ! ? 」

「What, just some construction magic」

「Construction magic ? ? ? ? What the hell ! ? That's the first time I've heard of it ! 」

Witnessing a magic that has never been seen before, Emily panicked a little. I continued speaking.

「The construction magic will do just by itself, the building time is 5 hours, I'll go out, you don't need to ask for my permission to get out」

「W-where are you going!? You're going to leave this thing alone?」

「Didn't I tell you last night? I'm going to claim someone」

「Ah, Fatima, was it? Is she your lover? I'll stay here and watch this.....」

「k, I'm going out」

Leaving Emily and the onlookers, I headed to the "Dragon's cage."

I already told the boy from “Dragon’s cage” yesterday that I’ll claim Fatima, Fatima had consented already.

The S-class Arc-Demon and him claiming the city’s number one prostitute has been the rumor yesterday, along with him becoming a millionaire.

The coachman was showering me with praise, I had him park in the red-light district, and I entered the “Dragon’s cage”

「We’ve been expecting you Demon-sama」

The owner of “Dragon’s cage”, whom I’ve met a lot of times, lowered his head

The owner was a gentlemanly looking person who grows a mustache, having such an elegant impression, you wouldn’t expect him to be an owner of a brothel

「Right, let’s do it right away, here’s the 12 million I have promised. Is Fatima here?」

「I have certainly received it... Well then, I’ll proceed to the bank with this, in the meantime, please wait and have a chat with Fatima... Fatima, please」

The owner bowed while saying so, then he leaves the room. The curtain was opened at the same time, and Fatima appeared

She is not in her usual veil, instead she’s dressed in elegant purple evening dress.

Her eyes are wet, and her cheek is flushed.

「Yo, Fatima, I told you right ? 」

Not letting me finish speaking, Fatima dived to my chest and showered kisses on my face.

「You.... Arc, You’re an amazing person...you really did turn to rich, touch me, touch the woman you have just bought.」

That said, I touched her breasts

Her heart beat is being transmitted.

「I look like an innocent woman, to have my heart pound like this.....Ahn~♪」

I slowly caressed her chest.

Me sitting on the sofa, I slowly caressed Fatima who’s on top of my lap.

「Let me ask you some things, how old are you?」

「Mm.....Mmff..... 2 2 .....mm.....」

「Second question, is Fatima a professional name?」

「Mmm.....That's my real name.....Mm~ ! .....Fatima Froude is my full name.....Ufu.....」

「That's a nice name... Fatima, from now on, you're mine.... I'll touch you more」

I tore the hem of her dress, slipping my hand to her secret place, It's already been wet there

「What is this, isn't this already flooding?.....」

「Nnn ! Mmm ! I-It can't be helped..... ! I'm already exited.....Aahh ! ! 」

I slid a finger inside, slowly stirring to enjoy the slimy vagina, the boy came inside the reception room and bowed.

「Sorry to disturb your playtime....but Fatima's friends wants told me that they want to greet her, would you let them through?」

「Yeah... It's ok, since we're friendly with each other, let them in」

「Certainly」

「Wait ! Gosh, Arc.....」

Fatima, who was licking my earlobe, bite them for revenge, her empty hand has been rubbing my crotch

While we waited for them to come to the reception room, the girls who were wearing casual clothes entered the reception room, and saw us doing lewd stuff.

Representing the girls, Katie greeted us.

「Fatima, stay healthy okay~? Receive lots of love okay?」

「Ah、 Mm、 Mmm、 K-Katie.....From now on.....You're the number one lady.....Ahn~♪ Work harder.....Mmf」

Fatima is behaving firmly even if I'm stirring her pussy leisurely

「A...Ahn ! H-Hey arc, you won't stop visiting the brothel ? 」

「Yeah... You're my woman now so you can take rests, also I like the atmosphere of the brothel」

「Mmm ! .....Ufufu、 Bad boy.....then, girls please do look forward in the future okay?」

「Of course」

When I said that, the girls raised their voice in happiness.

I called the boy and handed him a bag of cash from my pocket.

「That's fifty thousand gold, It's a gift, go buy the girls drinks and food.」

The girls gave a shout of joy.

The boy received the bag respectfully

「Well then, I'll let everyone see Fatima's last ecstasy in the Dragon's cage」

I opened Fatima's crotch while hugging her, I started stirring her pink folds and striking her G-spot with my finger

「Ah、 Wait, Arc ! Ah, Ah, Ah, Ah, Don't ! C-cumming ! It's coming out ! ! 」

Fatima's pinned body stiffened, large amount of liquid gushed out from her body.

The ladies have been fascinated by the scene before their eyes.

~~~~~

The ladies have finished saying their goodbyes, Fatima rested in the sofa. The owner came back

「I'm sorry to keep you waiting, the cash have been safely carried and deposited. It seems that dear customer has a horse-drawn carriage, are you heading to the church after this?」

「Church ? 」

「Our prostitutes here have contraception magic and a curse that makes them unable to leave this city. The church can remove those curse」

「What, I don't need to go to church for such trivial stuff... 『Discurse』 ...There, I freed your body from the curse Fatima.」

The owner's eyes widened when he saw me use a spell to remove Fatima's curse.

「I'm surprised, 『Discurse』 is a spell that only high rank priests should be able use」

「Ah ! Arc, just how amazing are you ? 」

Fatima hugs me again.

「What about the contraception magic?」

「Let's see.... Leave it like that first, rather than making a child, I'd like to enjoy having sex first.」

「Right.... Still, a child would be nice.」

In fact, Emily also agreed to use contraception magic.

According to Emily,

「I don't want to bear a child from a rapist.」

.... is what she said

「Come, were going home, I've prepared a carriage」

As I said, I held Fatima on her waist and head out to the exit of Dragon's cage

「Could it be a covered wagon?」

「Hm ? Yeah, it is, what about it ? 」

「Could you go and remove the cover? I want to go and brag everyone my husband.」 (TN: could also mean Master)

Saying so while making a smile that could take away any man, I instructed the coachman to remove the cover of the wagon

I and Fatima, embracing each other's waist, boarded the carriage

At the entrance of the Dragon's cage, the owner bowed deeply

「I wish for your happiness... and your future patronage.」

This chapter is dedicated to RFRichard, Thanks for your donation. May you be blessed with lots of delicious loaf breads in your entire lifetime

Yes Slaves! No touch! is referencing to the hero. (SpearBro and Desumachi) Real title is “That right, Slaves”

The carriage that Fatima and I are riding is moving along the highway slowly.

The prostitutes and employees of other brothel congratulate us, showering us with praises, throwing flowers in our horse-drawn carriage.

It almost seemed like a little festival.

I held Fatima on the carriage, massaged her chest and kissed her, in public view.

Fatima as well, rubbed and stimulated my crotch.

「*kiss*.....*lick*.....Ufufu.....Master、 Right now, I'm so happy I couldn't think of anything else」

「You'll be happier from now on.....」

「Ufufu.....Mmm~♪」

The crowds cheered while we're doing naughty things.

Then, we reached the main district, jealousy and envy can be seen from the onlookers.

On the contrary, we used it as spice of excitement, we continued to caress each other, till Fatima's dress was almost removed.

「.....Restrain yourself a bit. 」

Descending from the carriage, Emily greeted me coldly.

「Like I care, I do what I want」

「Ufufu, Master, who's this girl? 」

「Emily Feed, you can call me Emily, also I'm just his companion」

「Oh my, Are you not his mistress? 」

「Hey! 」

Fatima laughed at the enraged Emily and shrugged her shoulder.

「That was a joke. My name's Fatima Froude, you can also call me Fatima, since we'll be together, let's get along okay?」

「It's not like.....I'm going to get out.....」

「Still... this is amazing, did you make this master?」

Fatima points her finger on the house that was automatically built with construction magic.

「That's right, It will be finished in three hours, I told you that it will be larger than "Dragon's cage" right?」

The first floor has just been finished, but still the majesty of the house is conveyed.

「Amazing! You're really amazing master!」

Fatima's laughter was like pleasant on the ears.

「Ah, hey, judging from how I see it, even if I do the chores, there's no way I could do a large house」
Emily expressed her worry.

「Right, if it's about food, I've already talked to a restaurant chef in the town, yet as expected manpower is needed.」

「That why, are you going to hire a maid or a slave? After all you have all the money」

Hearing "Hire a slave" from the fastidious mouth of Emily, I realized once again that this world has different ethical sense (TN: Really now?)

「That's right, I'd like to buy a slave then, what kind of slave should I buy.... How much do they cost in this city?」

「Ah, as expected, you would buy a slave.」

Fatima chuckled

「I'm interested in beautiful slaves, I only embrace beautiful women」

Hearing those words, Emily blushed and hit my ribs (TN: Get raped, turned to a tsundere.)

「It hurts」

「Ufufu, let see, normal slaves costs around five thousand, ten thousand gold in the market」

「Hmmm」

Comparing to my previous world, buying a slave is the same as buying a car.

「Then let's buy the good-looking ones, you girls want to go with me?」

「Let's see.... The scenery here looks interesting, but since this is important, I'll go」

「I'm going to watch if you're going to buy an odd slave.... don't do lewd things in the carriage please.」

「Bear with it.」 (TN: Deal with it)

I lifted the two girls and boarded them in the carriage, then I told the coachman to head to the slave district.

I massaged the chest of both girls until we reached the slave district.

Next chapter is a bit long, so only one chapter today, Also I'll be doing Oni vs Oni 6 with Raising the dead.

Special thanks to RFRichard for the donation

Since the carriage have arrived in the slave district, I held the blushing Emily and Fatima down the carriage.

The slave market had high walls surrounding it, and within it were many buildings that housed the slaves.

A large muscular man asked us for our identity and so after telling him I was here to buy slaves and then greasing his palms with some money, the large man groveled before me, opened the gate, and called for the master of the slave market

After that, we were lead from the main gate to the plaza where the humble master of the slave market greeted us.

「My, my, Demon-sama, what can we do for you today?」

「I came to buy slaves for my house. I want it to be smart and good looking. Let me have a look.」

「Yes, we will bring slaves who matched your preferences, please ascertain them yourself」

「Ok」

The big man gave us chairs, I took a seat.

「Well... I wonder what kind will come out? 」

「Sorry to throw cold water on you... but I don't believe the sort of girl that can live up to Master's expectations will appear.」

「Hm? 」

「A beautiful and fantastic body slave would be good , but merchants from brothels buys ahead of time. Because Katie was born a slave...You shouldn't bother」

「Hmmm.. Well, it's not like I'm expecting much. As long as it looks, good it's fine」

After waiting for a while, the owner returned with a group of slaves, they lined up in front of us.

All of the slaves have already lost light in their eyes and were looking down, wearing shabby hemp clothes, and was wearing shackles.

in the order they were lined up, I looked over the slaves before my eyes stopped at the girl that was closest to me

「Hey... there's one here isn't there? A winner」

「Ah, you're right, it's a cute girl」

Fatima and I whispered to each other.

The slave is a petite girl with short pink hair, her beautiful face is outstanding compared to the other slaves in the row.

Her body is thin, I can't confirm the size of the chest, even she lost the light in her eyes like the other slaves, the feel of her seems intelligent.

However, her distinct feature would be her long pointy ears, which was stretched horizontally

.....Aren't these the rumored elves?

I asked the host.

「Hey, is that slave an elf?」

「No, that's a half-elf, that slave is a bit special so, the price is higher...」

「I don't mind, bring her here, I'd like to see in detail」

「Yes、 Hey ! Lulu ! Come here !」

「.....Yes.....」

The half-elf named Lulu answered with a mosquito like voice, dragging her shackles, she stood in front of us.

Looking closely, she's quite young

「You're Lulu right.... How old are you?」

「..... 1 8.....」

「Is that in human terms?」

「.....No, 18 years since birth.....」

「Hm」

Although she is seen as a 14-15 year old, she's already a decent adult.

「What's the specialty of this slave?」

I asked the host.

「Yes, first, Lulu can read, write and do simple calculations」

「Oh, that's quite unusual from a slave」

「Yes, she also has the skill 『Housework Utility』」

「Woah.....」

The skills human can acquire is fixed upon birth

Even Katie of "Dragon's Cage", she has "Hygiene" skill

That's why Katie is good at anal play.

「Also, she can use simple healing and antidote spells, she'd be useful in the family」

「That's good and all but, did you learn magic naturally?」

「No, it was taught to me by other slaves」

「Hmph... so she was smart to begin with」

「R-right, Lulu is a very clever slave, she doesn't even trouble us.」

「Hmmm... Why is such an excellent slave still remains unsold?」

Emily asked an obvious question

「It's just that, because the slave's skills are good she's quite expensive, although the other reason is, a lot of customers don't want a demi-human stay at their home, Even if she has 『Housework Utility』, it's because the fact that ordinary slaves should be trained severely. Her body is shabby that brothel's don't buy her」

「I get it now.....」

Hearing that now, it seems like there's discrimination against demi-humans.

「Could you tell me the history of this slave」

「Yes, Lulu is a half-elf, born from a human father, and an elf mother. Because she was persecuted from the elf village, The family lived in the mountains, her parents were killed by a monster when they had gone out to procure food, she had been wandering since she became an orphan, that's why I took custody of her.....」

「How old was she?」

「That story was when Lulu was 14 years old.」

「Hmmm.....」

I was about to buy the slave at this point, but my inner sadism surfaced.

「Strip her, I want to see her naked.」

「Certainly... Lulu, take off your clothes」

「.....Yes.....」

Lulu took of her clothes, she stands in front of me with only shackles only

「.....」

「Hmm」

I already know it even with her clothes on, still her chest is only slightly raised, pink nipples are attached in her sorry chest.

The half-elf's skin is as white as a porcelain.

Pubic hair is shaved bald.

「Remove her shackles, open her crotch, I want to see her pussy」

「Certainly」

The host used a key to remove her shackles

「Lulu, it's better if you look at the customer」

「.....Yes.....」

Lulu sat on the ground, her legs formed an M shape, and showed up her private part.

「Open it yourself」

I further requested

「.....Yes.....」

Lulu followed obediently, she used her hand to open her labia, showing its contents.

Her folds were a light pink, her clitoris small too the point one couldn't be sure it was actually there, and then her vaginal canal was exposed to the air

「It's small isn't it? If master puts his big penis in, it would tore apart you know?」

「What are you saying, we can just expand her vagina with sex magic」 (TN: Really now? ain't that too convenient?)

「You, if you can do something like that then say that from the beginning... It was really terrible every single time you did it」

I ignored Emily's complaint and acted greedily.

「I want to confirm her sensitivity... can I grope her?」

「If possible, can you not please damage the hymen」

「What, so she's a virgin...but I like that... Then, I'll touch you」

I declared, while crushing her clitoris with my thumb, and inserting my finger in her vaginal entrance

「.....Mm~.....mm~.....Mmm~..... !」

She's holding her voice back by biting her lip, her sensitivity isn't bad

With limited conditions, I'll make full use of my sexual technique to corner Lulu.

「Uu.....Mm.....Mmmmmmm ! !」

Lulu's body trembles as she climaxed, she then blew a humble amount of liquid.

「Sensitivity is good... Yup, I'll buy this girl, how much for her?」

「Yes, that will be 150,000 gold」

Around 15 million yen if in Japan....That's the same price of a luxury car.

「Good, I'll buy her. Lulu, I'm Arc Demon, your master, from now on call me "Master"」

「.....Y.....es.....Master.....」

Lulu answered while puffing and breathing heavily on my shoulder

「I'm granting you the skill "Hygiene", clean my body whenever I call you, do you get it? 」

「.....Yes.....」

「Oh my, Master, you can grant skills? Then give me "Clean" skill... that way we can even do anal」

「That's right huh... Then I'll grant the "Clean" skill to all my women... You okay with that as well, Emily?」

「I don't want to be done in the ass, but I'll be able to clean myself all the time, I'll take it」

「Alright, Lulu, I've decided you're going to be the the head slave. In my house, I won't allow such a thing as discrimination against demi-humans... got that?」

「I don't mind it in particular.」

「I've partied with demi-humans before, so I don't have any objection, Let's get along, Lulu」

「.....Uhm.....Y、 Yes.....」

Being persecuted in the past, she seemed confused by the generous act.

Then, from the slaves present, I picked those who look pleasant and seemed clever, I bought an additional of six slaves..

I paid the full amount and formally became the girls' owner, removed their shackles, and had them swear loyalty to me and recognize Lulu as their chief.

The slaves also have the same curse as the prostitutes, so there's no need to worry about them running away.

After that, I had the slaves get in the carriage, we then proceed to the city to buy maid clothes that matches their sizes, the spare clothes will be delivered to my house later.

After that, I went and hired away the female chef that I mentioned before from the restaurant she worked at with the offer of a high salary, and then returned to my property with everyone. With that, my mansion was completed.

The mansion in the fantasy world

[Google docs for those who want to read with the raw above the TL.](#)

「.....」

「.....Amazing.....」

「.....」

The girls were at loss of words when they saw the completed mansion

The gathering onlookers had the same reaction.

The expressionless Lulu was looking up the mansion with her mouth slightly open.

The completed mansion were three stories tall, the entire surface is covered with marble, surrounded with walls and a splendid gate.

A cheerful laughter broke out the silence

「Ahahahaha! What a great mansion....It is an honor to work in such a mansion.」

Said by the resident chef, Alma Powers.

She looks like a 40 year old, she wasn't employed as a sexual object, she wasn't ugly, rather she looks well

A skillful chef, rather than being lured by the high salary, it seems that she has been attracted by the condition of being able to use any luxury ingredients.

「Master、 may you show me the kitchen right away? I'll have to learn how to use it, I'll also get the ingredients for dinner today、 is there something you want to eat? 」

「Let's see.....For me, any meat meal would do. But since we're celebrating the completion of the mansion, you may use expensive ingredients.」

「A meat dish right? What about you girls? 」

Being asked by Alma, Fatima and Emily returned to us.

「Ah, Right, let's see.....I think I have to build up my physical strength, meat dish is fine with me too. Normal amount is fine.」

「It's strange for just one person to take a different menu.....So, I'll take a meat meal too」

「All meat meals right? Well then、 should I make effort to procure a whole chicken? 」 (TN: I'll refer to them as chicken because google images told me that it's chicken, well the literal is bird. I'm just doing what i want.)

「Chicken ! I want to eat the parson's nose of a chicken ! 」

「Ah, that's unfair, Fatima ! I also want to eat the parson's nose of a chicken ! 」

「Don't fight over such things....we can just buy two right?」

「Oh? Master, two whole chicken for three people, no matter how much you eat, it's too much」

「If there are leftovers, Alma and the slaves can eat it you know?」

The slaves got noisy when I said that.

「What a strange employer...Well, that's fine, can you show me the kitchen?」

While saying so, Alma entered the mansion fast.

On behalf of the slaves, Lulu timidly spoke up.

「.....Ummm.....M-master.....a chicken would be too luxurious for us slavesa cereal porridge would be enough for us.....」

「If there's a leftover, it would be a wasteful」

「.....wasteful ? 」

I spoke to the slaves.

「Listen, Certainly I'm a millionaire, but I hate wasting money, I only use them on useful things」

「.....」

「Everyday, we will eat fresh food and rice, You're free to do whatever on the leftovers」

「.....Yes.....」

The confusion seems to be bigger than joy for Lulu and the slaves.

「Lulu, you need to nourish yourself in particular. You need strength to be embraced by me」

「.....Yes... Then, master, what should we do today ? 」

「There's no need to clean since the mansion is new. maybe, just boil water in the firewood boiler. But first, get accustomed on how to use to the mansion.」

「.....get accustomed on how to use to the mansion.....」

「This mansion is a bit different from the other mansions.... don't ask for work like earlier, you should move and find what could you work at」

「.....Yes.....Master.....」

「Hey hey, can I look around the mansion ? 」

The unmesmerized Emily asked.

「Yeah...Before that, I'll explain the rough structure」

I began to explain while pointing at the mansion

「First of all, the third floor is my bedroom and my study room, the study room contains cursed items so anyone other than me is prohibited to enter.」

「Okay」

「Second floor is where the women's chamber and guest rooms are located... Fatima, Emily, You can choose whichever room you like to use.」

「Understood」

「In the first floor, you can find the kitchen and dining room, the bath, the servant's room, and the living room. Make yourselves comfortable」

「.....Understood.....」

「Then, let's go inside the mansion」

Unable to wait anymore, Fatima and Emily bursted in the mansion

Lulu and the slaves followed them

Before entering the mansion, I take a look around the onlookers, then spoke to the particular man I saw.

「Hey you, you're a guild staff right ? 」

「Y-yes ! Arc-sama ! How can I help you ? 」

「I may be a rich man now, but I'm not going to quit being an adventurer. From now on, come to this mansion whenever there's an unreasonable request from the guild」

「Yes. Certainly」

「And then.....When 『Raiden Dragon's』 subjugation request appears(Lit: Lightning and Thunder)、 don't turn to other adventurers、 always bring the request to me」

「Understood..... 『Raiden Dragon』 isn't it..... ? I'll always bring the request in this place.....」

「You got that? That's absolute. Here, have some tip」

A bag containing 30,000 gold was given as I said that.

「T-Thank you very much ! ! 」

Ignoring the staff who was bowing multiple times, I entered the mansion.

~~~~~

I was at the living room, resting at the sofa, Emily and the others came to me cheering.

「Hey ! What's with that bedroom? ! It's too wide、 What are you going to do with a stupidly huge canopy bed ! ? 」

「What do you mean by "what"?」

「Ahaha..... ! Master, the bath is too wide, there's even a sponge mat and lotion, You love it, don't you,

master?」 (TN: Refers to the mat play I guess)

「That's because I want to enjoy the mat at home」

「Umm. Master, we have not found any water well, from where should we gather water?」

「Just twist the knob of the faucet. When you boil water in the boiler, hot water will come out」 (Pun: People die when they are killed.)

「A faucet? it is a lost ancient technology, isn't it?」

「Oh, I used it and the toilet flushed, what a great mansion.」

「A flushing toilet? I hear that only nobles have them!」

「Because it is convenient for you?」

Construction Magic in parallel with Excavation magic pulls the water and keeps the sewerage system.

「Master, the ingredients have been stocked. Still, that was a nice kitchen.....I can shake my arm freely」

「Umu..... kitchen, restroom, boilers and laundry related appliances are meant to be more convenient, this place is still incomplete though.」

「Which part of this house is incomplete ! ? 」

Emily, showing an amazed expression, after that her face cloudened.

I know because I have held that same expression.

That is, remembering her past boyfriend, wondering if it's okay for her to have such luxury, that kind of face

I got up from the sofa and kissed Emily.

「Don't think too much, you should enjoy every day, Emily..」

「.....」

「Emily, Fatima, Lulu, use 『Clean』 skill to cleanse your bodies.....」

I'll enjoy 4p tonight」

「Un~.....Haa.....Mm.....Fufu.....」

Large bath....

On the top of the sponge mat, the four of us were making lewd sounds along with the sound of lotion.

「Mm.....Ufufu.....Lulu、 look properly.....you wash the whole body like this.....Mm.....」

Fatima is covering my top、 with the help of lotion, our bodies slide boldly on the mat.

「.....Yes.....Mm~.....Like this.....？」

Lulu awkwardly scrubs my left side with her childish body.

「Mm~.....\*Slurp\*.....Always doing this in the brothel.....Mm.....You're a huge pervert.....」 (TNPun: Get it? Huge. Pervert)

Emily, sensing rivalry from Fatima, learned from watching, she then proceeded to scrub the right side of my body then lick my ear.

「Mmf.....Then, I'll do here.....Heave-ho」

Fatima shifted on my lower body and sandwiched my dick between her breasts, puts the sandwiched dick in her mouth, she then began her Titblowjob.

「Mm~.....\*Drool\*.....Mm~、 Mm~.....\*Lick\*.....\*Drool\*.....」

「Emily, Lulu, lick my nipple」

「Mm.....Like this? \*Lick\*.....」

「.....If you'll excuse me master.....\*spill\*.....」

Both of the girls' tongue still have ways to go, it's ticklish to some degree, still, this feels good.

「Mmu.....\*Drool\*、 \*Kiss\*.....\*Gasp\* ! I can't wait anymore ! I was at my limit from this noon's teasing ..... I'll put it in okay ? 」

Fatima, not asking for my consent, straddled on my waist.

I gave her a wry smile, set my aim, then thrust upwards

「Aaah~ ! ! 」

It had the sound of my dick plowing through her vaginal walls.

「Ah~ T-this! This is the one i want ! ! 」

「.....A-amazing...」

Lulu is watching us have sex with her eyes wide open, she even forgot to rub her body

「Lulu, rub Fatima's breasts」

「.....Yes.....\*Rub\*.....\*Rub\*.....Like this?? 」

Lulu raised her body, then rubbed Fatima's bouncing breasts with awkward hand movements

「Mmm ! Ah ! Ah ! Thrusting so hard while doing this! If you do it like that! Mm~ ! 」

「I'm going to thrust more Fatima..Mm..Mmm」

Emily came to kiss me while teasing my nipple

「Mmm.....\*Kiss\*.....\*Lick\*.....Hurry up and come already.....Mm~.....」

To prank Emily, I whispered in her ear.

Its as Emily says, the place where our hands were connected I reach out with my fingers that were on fatima's stomach and rub her clitoris.

「Ahhh~ ! ! E-Emily.....S-stop!.....Mm~, Mm~, Mm~ ! Aah~ ! I can't ! Cumming ! ! 」

「I'm going to cum too..... ! 」

「Aaaaaaaaaaaaah ! ! ! ! 」

I ejaculated a huge amount, at the same time, Fatima squirted a huge tide.

「A-amazing.....Letting out so much」

「.....Fuwa.....」

Emily and lulu's cheeks blushed as the witness Fatima reaching climax

「Haah.....Haah.....Ufufu.....That was amazing.....」

「Fuu... Well then, let's wash away the lotion and enter the bath」

~~~~~

「Fuu.... Hot water is nice...Ufufu... *Lick*」

Fatima is leans on my left side while soaking in hot water, then playfully licks my neck while clinging.

Lulu is sitting on my right side, sitting in the hot water, waiting for my orders.

Speaking of Emily, she is sitting directly opposite of me on her knees, her knees seem to be troubled as her legs are squirming.

「Hehe.....Emily, come here.」

「.....What?」

Reluctant at first, Emily came into my arms, then I rubbed her private part lightly

「Mm~! H-Hey!.....!」

「Fufufu... Hey, Emily, What's this slimy thing?」

「T-that's! Y-yeah! that's lotion! Mmm~!」

「Is that so?...It seems there's still some lotion, we have to wash that carefully....Fufu」

As I declared, I stirred Emily's insides intensely.

「Mm! Ah! Aah~! D-Dont.....! Stop.....! Mmm~!」

I stopped moving my finger and removed it from Emily's vagina.

「Mm~.....! Eh.....? W-what.....?」

I stood up from the bath, I took out my proud dick and placed it in front of Emily's face.

「Emily, you need to be a bit more honest.....。 Come on, you know you want this」

「.....」

Emily went silent for a moment, she grabbed it, not before long, she starts to entertain my dick without saying anything.

「Mm、Mm、Mm、*Drool*、*Slurp*、*Kiss*.....*Lick*.....」

「Good girl、now, it's time to put it in.」

When I said so, I pushed Emily on the edge of the tub, massaged her breasts, then inserted slowly

「Mmm~!Haa、Haa.....」

Fondling her breast and rubbing my dick against her vagina slowly to increase the feeling.

「Ah! Ah! Ah~! Aah~! W-why.....! are you moving slowly.....!」

「Fufufu.....Hey、Fatima、Lulu、suck Emily's nipples」

「Ufu、Okay♪」

「.....Yes Master.....」

The two of them sucked Emily's nipples as told.

「Ufufu.....*Lick*.....*Suck*.....」

「.....*Lick*.....*Lick*.....」

Continuing the slow pace, Emily starts to feel really good.

「Nooo..... ! I can't cum like this..... ! M-More..... ! 」

「Ufufu....What "more" ? 」

I stirred her vagina in one stroke

「Do me more intensely, pound me, make me cum ! ! 」

「Hahaha. That's good, I'll do as you wish ! 」

I changed from slow sex to intense pounding of Emily's vagina, the hot water were spilling due to our speed.

「Mm~ ! Haa~ ! Ahh~ ! T-this ! This is what I wanted ! ! 」

「*Kiss*.....Ufufu.....A return gift from what you did earlier.....Ei~♪」

Fatima pinched her clitoris while still sucking the nipples.

「wha~ ! ! Mmm~ ! ! D-Don't ! ! C-cumming ! CummingCummingCumming ! ! 」

「Good.... I'm Cumming too」

「Mm~Aaaaaaaaaaahhh ! ! ! ! 」

Emily's pussy tightened, squeezing out the semen from me.

「Haah.....Haah.....I came.....Haah.....Haah.....」

「Fufufu... that was cute, Emily」

「.....I don't know anymore, Mou ! 」 (TN: [Mou means Mou](#))

Emily said while blushing, she faced away.

I stroked Lulu's pussy lightly, her cheeks blushed.

「Mm~..... ! M-Master..... ? 」

「You'll get dizzy from prolonged bath, let's leave now. We'll all go to the bedroom, then I'll take your virginity 」

「.....Yes M-master.....」

Saturday tomorrow, I might translate more chapters. Expect Kumo on Sunday too.

Bedroom.

In the wide, canopy covered bed, Three girls cling on my dick

「Mm.....*lick*.....*Kiss*.....*Lick*.....」

Emily is licking my rod from the side, and is playing with my balls.

「.....*Spill*.....*Lick*.....*Spill*.....」

From the other side, Lulu is imitating the others, and crawls her tongue awkwardly.

「Mm~.....*Slurp*.....*Drool*.....*Lick*.....Ufu.....*Drool*.....」

Fatima is occupying my front, severely using her tongue techniques on my glans

「Ufufu.....Lulu, you do it like this.....Mm、*Slurp*.....*Drool*.....*Suck*.....*Lick*.....Fuu.....come on, try it」

After Fatima showed example and licked my meat stick, Lulu is now facing my dick.

「Y-yes.....Mm.....*Kiss*.....*Lick*.....L-Like this?*suck*.....」

Lulu's small mouth serves earnestly.

「I'm cumming soon, Fatima, your turn.」

When I turned my meat stick on Fatima, she showed a bewitching smile.

「Go on、I'll drink it all.....Mm.....*Drool*.....*Lick**Lick*.....Mm、Mm~、Mm~、*Slurp*、*Slurp*.....」

「Okay, cumming!」

I declared, I ejaculated inside Fatima's mouth

「Mm~! Mmf!Mm~、Mm~.....*Gulp*.....Fufu、Lulu、If you're going to do it with your mouth drink the cum okay? Do it only if you can.....*Lick*.....」

「Y-yes.....」

「Fatima, Emily, clean my mouth. Lulu, I'm going to do you.」

「It can't be helped....Mm~, *Kiss*.....Do her gently okay?*Slurp*」

「Fufu.....True, can this big thing really fit inside Lulu's? *Kiss*, *Drool*.....」

~~~~~

I grab lulu's petite face, and raise her up while still on her knees

「Is that your first kiss? Lulu」

「.....Y-yes.....」

I gently sealed Lulu's lips, pecked lots after, then put my tongue in.

「Mm~! \*Drool\*.....Mmm, Mm~.....\*Slurp\*.....」

Lulu also timidly entangled my tongue

「Fuu... Lulu, I'll be using sex magic from now on, lie down in the bed」

「.....Yes.....」

Lulu lied down on the bed, I put my hand on her abdomen and casted "Vagina Expansion" and "Contraception Magic" (TN: Vagina Expansion pack, you can get it for just \$30!)

「Mm~.....! Mmmm~.....!」

Feeling discomfort from her crotch, Lulu twists her waist

I examined the condition of the vagina using my finger, finding out that it was narrower than Emily's.

「Mm~! .....Mm~!」

「While it's a little wet....it's still not enough, Lulu, I'm going to lick you」

Saying so, I lifted Lulu's waist, and started to suck on her young shaven pussy.

「Mm~!! Mmmmmmm~!!」

Lulu writhes and grabs on the sheets, I continued to use my tongue and stir her insides without caring.

「Hey....Don't do her too much, okay?」

「Hmmm, Emily, Fatima, Caress her too.....」

「I understand~♪ Then, I'll be licking you Lulu...Ufufu, such a small nipple♪ \*Bite\*...\*Lick\*」

「Lulu, bear with it a little okay? \*Lick\*.....\*Kiss\*.....」

「Hya! .....Mmm~! .....Mm!」

Lulu's waist jerks several times, having both of her nipples licked.

Without letting her hips go, I lightly nibble her slightly erect clitoris.

「Mmm~!! ㇿㇿ~~~~~ㇿ!!!!」

Biting her lip, Lulu's hip trembled, while climaxing on my face.

「She came.....」

「Haah.....Haah.....S-sorry master, I've dirtied your face.....」

「It's fine.....More importantly, Lulu, when you can't take it anymore, you can let out your voice you know?」

「.....Y、 yes.....」

「If it's this wet it should be fine.... Lulu, I'm putting it in.」

「.....Yes.....」

I lowered her hips erotically until it touched my meat stick, and began to slowly insert it.

「!! .....Ah.....Ugh.....」

With the sound of my meat searching her body, I bumped to hymen, I then thrust it in one go

「Mm! Mmmmmmm~!!!!」

I feel like I could hear the \*puchipuchi\* noise of something tearing

I thrust as deep as possible,, and without moving I pet lulu's pink hair.

「That's good....You've endured it well, Lulu」

「Haah.....Haah.....Y-yes.....」

「Good...I'm going to move」

「W-wait! You! Let her rest for a bit!」

「I'm casting heal from my cock so it's alright.」

「Ahaha, what a convenient cock. Lulu, I'll be licking you」

Fatima said so, she then began to lick Lulu's ear while teasing the nipple with her finger.

「Mm~! Ah~! Ah~! M-My ear! Mmm~.....!」

While stirring up her narrow vagina Lulu pants harshly.

「It seems like her ears are sensitive....Emily, lick her ears too.」

「Mou! .....Lulu, if you really can't take it, just say so, okay? .....\*Kiss\*.....」

「Ah~! Ah~! Ah~! Ma! Maste-! Master.....!」

「.....What is it? Lulu?」

「Ah~! Something is coming! Ah~! Aah~! Mmmmmmmmmmm~!!!!」

Lulu's body convulsed, blowing a humble amount while climaxing heading towards cloud nine

「.....Cumming from your first sexual experience...Good girl.」

I pulled out my dick from her inside, then stroked her head once again.

「Haah.....Haah.....Haah.....M-Master.....」

Lulu smiled teary eyed.

「Fuuu...So, what are you going to do with your dick? It's impossible for Lulu already.」

Fatima points at my virgin-blood-stained dick

「Let's see...Since we have "Clean" skill to clean ourselves, we're going to do anal. Fatima, Emily, stand on all fours and show me your butt」

「Mm~ ! Aah~ ! Fufuu、 M-mou.....What a naughty man.....Mmm~ ! 」

「Ah~ ! Ah~ ! Aaah~ ! I-I already said stop..... ! Ah~ ! 」

Fatima and Emily lined up in all fours, I filled my hands with lotion, and slid my finger in.

The lotion and intestinal fluids mixing were making a lewd sound.

「It should be okay if it's this lose...First, I'll put it inside Fatima」

「Mm~! Ufufu...I wonder if such a large thing can really fit in」

While I continued to stir Emily's anus using my finger, I grabbed Fatima's waist, take aim, and sink my meat stick in her anus slowly.

「Aah~ ! ! Gah..... ! Haah ! .....A-amazing..... ! My anus...is being stuffed..... ! 」

Fatima's anus is the same as her pussy, it's clenching tightly in several areas

I removed my penis from Fatima's anus

「Mm.....Mm~.....You're already satisfied now, right?」

Emily looks at my cock while playing with her anus

My dick is glossy with semen and wet lewd intestinal juice.

「You're telling me that even though you're this wet already... I'm putting it in」

「W-wait, are you serious!? This is my first time in my butt.....Mmmmm!!!」

Ignoring her protests, I insert my penis in Emily's Anus

Emily has more intestinal fluids than Fatima, which allows me to make a long and large strokes smoothly.

「Ah! Gah!! Y-you're kidding me.....! Y-you really put it in.....?」

「.....I'll move now.」

With the help of lotion and her intestinal fluids I began to piston more daringly than with Fatima.

「Aaah~! D-don't! I'm feeling weird!! I'm turning weird!!」

「.....Fatima, Lulu, you girls caress Emily too」

I ordered Lulu and Fatima.

「Hey! Wai.....!!」

「Ufufu....Give it up Emily.」

Fatima grabbed and started rubbing Emily's big breast from behind

「Aaah~ ! Don't ! Fatima, stop ! 」

「Ufufu....Since the first time I saw you, I really wanted to freely touch those big breasts ~ ♪」

With the pleasure of anal, and Fatima's techniques, Emily goes blank with ecstasy

「.....Umm, master... What should I do ? 」

「Let's see.... I'd be glad if you played with the pussy」

「Yes....Well then, please excuse me Emily-sama.....」

Lulu said so, reaching Emily's lower body with her hand, she began tracing Emily's secret place.

「Hiii ! ! I-if you do that right now..... ! 」

「Good, I'm about to cum」

I sped up my piston while saying so.

「Hii ! Aah ! Aah ! ! D-don't ! ! I'm cumming from my ass ! ! Cumming ! ! I'm cumming from my ass even though I don't want to ! ! 」

「Here! Receive it ! ! 」

I ejaculated a huge amount of semen inside Emily's gut.

「C-Cuummmiiiiiiiiiiiiing ! ! ! !」

She screamed that as she climaxed from her anus, before dramatically collapsing.

「Haah.....Haah.....I've turned into a pervert.....Haah.....Haah.....」

「Fuu.... Tonight's a good night... Okay, let's sleep」

We slept with our bodies close to each other.

Once Again, thank you RFRichard for your delicious donation.

---

With that said, our life in the mansion began.

Our nightlife is also doing well, there are times when I embrace one girl, 3p, 4p, we enjoy it.

Fatima and Emily are gradually getting along with each other, their combination is responsible for making me feel good and ejaculate.

Lulu tries to make me happy by asking Fatima how to move her hips and tongue more effectively, or how to tighten her vagina.

Even after doing three at the same night, I'll still go to the brothel the next day and have fun with Katie and others.

During the day, the girls are free to do what they want.

I leave 5 million gold to Alma, Emily and Fatima in order to buy daily necessities and food.

Fortunately, thanks to eating delicious food everyday, Lulu's group are gaining a good complexion lately, and the light in her eyes is coming back

Fatima seems to like shopping, she hires an escort from the guild, then buys furniture to make the house even more grandiose.

Emily doesn't want her body to deteriorate, so she asked me to let her resume guild work

I approved of her being employed by the guild with the condition that she has to be in a party of B-class adventurers

I used hypnosis on Fatima's escort and Emily's party-mates just so they won't have any prurient thoughts about them

too am finishing, as always by myself, the S-rank quests I receive from the guild, and taking notice of the market prices, when the merchants have sold off the crystals, I once again rise funds just by making lumps of crystal and selling them for high sums.

With that I make a lump sum of money, making me one of the richest people in town.

That kind of life lasted for three weeks, then the subjugation request for "Raiden Dragon"

Raiden Dragon subjugation is an S-class request, it is a dangerous monster that it would normally take one hundred A-class adventurers to kill.

It mainly lives in the highland, its body can freely manipulate lightning, and it breathes thunder.

It's still a weak opponent when it comes to me.

After I took the request I immediately flew up high with flight magic, put the dragon to sleep, I cut its neck carefully in order to not damage the loot.

I used the skill "Null Shock" and began to carefully dismantling the dragon, the loot "Raiden Dragon's mane" and "Lightning Sac" was removed.

I returned to the guild immediately, showed the evidence, and got two million gold as award.

But for the subjugation of Raiden Dragon, it is but a small change.

I earned permission to take home the "Lightning Sac" from the guild

I got an OK because the guild doesn't know how to deal with the disposal of such a dangerous item.

When I brought back the "Lightning Sac", made everyone inside leave, assembled the image in my head, remodeled the house with "Reconstruction magic", I used the "Lightning Sac" to make an "oven" and a "generator"

Now, electricity can be used in the mansion

~~~~~

I had everyone come back in, I rested in the sofa and had everyone gather.

「Master, I found more weird equipment's in the kitchen, woah what's this!？」

「That one, It's "IH Cooker" and that one is "Refrigerator". IH cooker can be used to heat pans without using fire, the refrigerator can be used to store food and cold preserve them. I'll teach you how to use later.」 (TN: IH Induction Heating/Heater, I live in the 3rd world country so I researched about this...)

「Heehh? That seems convenient. Does that belong to the lost ancient technology?」

「Something like that.... Well, the normal kitchen is still there, so Alma, use whichever is easier to use」

「Master, Master, the candle holders are missing, there's some weird object attached on the ceiling instead. How do you use it?」

「That one? Just flip the switch that is placed near the door, and light magic will be activating by doing so.」

「Oh, that's convenient.....」

「.....uhmm, Master, The boiler has been changed, how do you use that ? 』

「That "Magic Boiler" is to heat up the bath water, just flip the switch and the water is heated...u do not need to use firewood every time.」

「Y-yes....Also, there's a large white box in the bathroom....what could that be?」

「That's a "Washing machine", just put the laundry and the powder, then press the button, and they will be washed automatically. I'll teach you how to use it later.」

「.....Somehow, the convenience is scary.....」

「When you have free time, go and find some work for you to do.」

「.....Yes, Master.....」

「Hyaaaaaaaaaaaaaaaaaaaaa ! ! ! !」

Once we had gathered together, Emily let out a sudden shriek, as she tumbled towards us with her skirt half ripped.

「H-hey, Emily, what's wrong ?」

「T-toilet, water.....」

「 ? Is the toilet clogged ?」

「T-that's not it! After I finished in the toilet and was about to flush it with water, I saw and pushed a weird switch, suddenly water gushed out from the toilet」

「That one's a magic washlet.....When you press the switch the switch, water will come out of the toilet, you can use this instead of "clean" to clean up your ass and pussy.」

「That was your doing!? Only you would come up with such as useless idea ! !」

「If you get used to it, it'll be convenient.」

Alma laughed loudly.

「Geez, what an interesting mansion. Could you teach me how to use the Kitchen right away, master」

「Yeah.....」

On my estimation, the shock bag will last for at least a year.

The Raiden Dragon subjugation is requested once every three months, there should be plenty of power remaining by that time.

Like this, I have obtained an all electric life in the fantasy world

I've heard this kind of story.

“I have a lot of money but I'm lonely, that's why I go to places with a lot of people”

In the market, I gain a lot of profit from selling crystals, that the profit naturally made me the richest man in the city.

Of course, with my “Wisdom MAX”, and my “Mind Reading” skill available, I can determine when someone tries to deceive me.

With that said, selecting only lucrative goods makes my business the place where the other merchants gather

That day, Sean Rockwell visited as well, he approached me with investment as agenda.

Although Rockwell's business is currently revolving on weapons, with the stability of the crystal supply, he's trying to strengthen the business involving magic tools.

For that reason, in order to get funds, he is asking if he can loan from me, is the current story

As for the interest, Rockwell proposed to give 5% every quarter.

I, in my mind, evilly snickered before the pig that presented himself on a silver platter, apple in mouth.

Continuing the talk, I brought four times the amount of what Mr. Rockwell desired, to his pleasant surprise he immediately concluded the contract then made me sign it, I headed home chuckling.

Then after 20 days...

The day before the first quarter payment, the residents of Rockwell mansion fell asleep because of someone's magic, during that time, the storehouse had all of their cash and certificates were stolen, the incident turned Alias

abuzz

The culprit is me of course. (TN: Charity girl, GET!)

~~~~~

Having all the people in the mansion been put to sleep with magic, at first I, who am a great magician, was suspected.

But, I had an alibi that I was playing with the prostitutes on “Dragon’s Cage” when the incident happened.

Because I was always rumored to be having fun with the prostitutes, the suspicion was cleared with people proving my alibi.

Of course, making an alibi is a simple work

I used “Clone Magic”, had it play in the Dragon’s cage, on the other hand, I perform the coma robbery, putting it in the item box, I stole several tens of millions of gold from Rockwell’s storehouse, burned the troublesome drafts, and left Rockwell penniless. (TN: Bunshin Mahou)

Because “Clone Magic” is a forgotten ancient magic, they won’t suspect my alibi.

Cumming inside a prostitute and stealing money at the same time, I’ve never tasted something like this before, the immorality was pleasurable.

Anyway, the people who loaned Rockwell was crowding in his mansion.

I was also there, asking him for his payment from his loan.

The merchants were getting noisy because they want to be the first one to withdraw the cash cash collateral from Rockwell, but when I told them the amount he owes me the they were overwhelmed and stayed silent.

「O-one.....」

「100 million gold ! ? 」

「That's right, I Arc Demon had lent Sean Rockwell 100 million gold. If someone else has loaned him an amount higher than that, I will give you the right to ask Mr.Rockwell for the payment first, Is there anyone?」

「.....」

The merchants shook their head in silence.

I examined this beforehand.

The highest amount these guys lent Rockwell is 10 million.

「.....Then, I'll go first because I'm the largest creditor, is that okay? .... Well, Mr. Rockwell, can you return the 100 million?」

Rockwell swings his tired face sideways.

It's natural because he's penniless.

「That's troublesome... Even if you were to sell all of your household goods it still won't reach 100 million.」

The merchants gulped their saliva while watching.

「But, I'm not a Demon(Oni). If you give me what you value the most, I'll forgive your 100 Million gold Debt.」

The merchants got noisy.

Mr. Rockwell asked me while clinging.

「T-that "What you value the most" would be?.....」

「Isn't that obvious? It's Mary Rose」

When Rockwell heard that, He screamed and sat-in the floor.

「I have two conditions. You will turn over Miss Mary Rose Rockwell as compensation for 100 Million gold, you can't complain on this matter. Second, any form of connection with Mary Rose will be cut, you won't meet meet again. If you accept this condition, I'll give you a bonus」

「B-Bonus ? 」

「After selling all of your household goods, I'll provide five hundred thousand gold, without interest, for all of your creditors that are here, I won't be asking for the repayment..... what? with 500,000 gold you can make a small weapon shop to pay for your debts」

「.....Uuu.....」

I thought I need to give him another push, but Mary came in the door speaking.

「Father.....」

「M-mary!? No good! Don't come here, It's no good!」

「Father, I've heard about it....If I can help father, I'd gladly be your wife.」

「Wife ? 」

I laughed.

「You're misunderstanding something Mary....You won't be my "Wife", you'll be "My thing"」

Mary flinched for a moment, yet her decision remains unchanged.

「That's fine....As long as father survives.....」 (TN: the sea of debt.)

「Uuuu.....Mary.....」

「.....Mr. Rockwell, would that be fine ? 」

Rockwell nodded feebly.

「With that, I got your permission to take your daughter.」

I said, I then lifted Mary with one hand.

「Kyaa! D-Demon-sama.....」

「Call me “Master”」 (TN: Danna-sama)

「.....Y-Yes....M-Master.....」

「After that, you're all free to do what you want. After the Liquidation of his properties, I will send 500,000 gold to Mr. Rockwell 」

I held Mary up to the carriage and we went home.

After that, I heard that they stripped all of Rockwell's possessions, not even a strand of hair was left.

~~~~~

「.....And then you brought her? That's evil.....」

I ignored Emily's complain.

「Lulu, lead Mary to the vacant room in the second floor.」

「.....Yes Master.....」

「Mary, I'll grant you "Clean" skill. Clean yourself tonight.」

「Yes..De-.No, Master.....」 (TN: To make it clear, she's about to say his name)

「Oh? You brought someone today」

Mary's body stiffened when she heard Fatima

「Of course...Fatima, support her.」

「Ok」

「.....」

「Don't be so stiff.....Mary, In this mansion you'll experience things you've never imagined.」

「Y-Yes, Master.....」

「I'll be embracing you tonight」

I declared. I headed to the study room after.

Pun here. I'm a fan of desumachi so I'm imitate satou with his chapter introductions. Also, Lulu, Aze and Zena are best girls. Mary's name is also a name for a flower. The title can be interpreted as taking Mary Rose's virginity.

After eating dinner, I took a bath with Emily, "I can't wait to bury my dick inside Mary" -are my thoughts while cumming inside Emily's mouth. I then got up from the bath and relaxed in the living room wearing a bathrobe.

Lulu then came in reporting.

「.....Sorry to disturb your relaxation master, but Fatima and Mary had finished their preparations.....」

「Good.....」

「Ah.....」

I head to the bedroom while rubbing Lulu's ass.

Opening the door, a strong scent from an incense tickled my nasal cavity.

Fatima loves this fragrance, it also has an aphrodisiac effect.

Behind the canopy bed's veil, two women's shadow can be seen.

「Ufufu....Come here master... This child is so stiff, she must be nervous. Hurry up and make her loose master. 」

「Yeah.....」

I open the veil and climb onto the bed, I remove the bathrobe and become naked.

「Ufu♪」

「Kyaa ! 」

Fatima is just like usual, but Mary covered her face and averted her eyes from my erect cock

「Don't avert your eyes Mary. From here on out, making you feel good is something you should be thankful for you know?」

「E-even if you tell me that.....」

Mary trembles, she's wearing a pink negligee, she's not wearing a bra so her breasts are visible.

I asked Fatima, who was wearing a purple negligee.

「This negligee is your hobby ? Fatima」

「Ufufu....That's right. I hurriedly ordered this from the town's number one clothing store.... Does it suit me?」

「Well done...I'll give you lots of love later.」

「Fufu... I'm glad♪ But, give lots of love on this girl first, okay ? 」

「Yeah.....」

I approached Mary on my knees, I then started fondling her breasts on top of her negligee.

「Aah~ ! D-don't ! 」

Mary tries to hide her breast with her hands, Fatima restrained her.

「Nope~♪ Give it up and feel good already.」

「Aah~ ! Don't ! Mmm~ ! No~ Stop! ! 」

With Fatima holding her, Mary is powerless, so all I have in my mind is fondling her boobs.

「Mmmm~ ! T-this..... ! Don't....I said don't..... ! 」

「Well...Let me get more serious with the fondling.....」 (TN: fondling breasts is a serious job.)

I released Sexual Ability MAX and resumed the breast massage, her nipples got erect, i pinched and twisted it.

「Mmmmmmm~!! Why's this....! My body won't listen to me!!!」

I played with Mary's Mammaries(Pun: Get it? Mary's Mam-mary's?) for a while, her nipple that was hidden by the negligee has been wet.

「Oh.....Mary, your body produces milk?」

「I-I don't know such a thing.....! Aaaah~ ! 」

「Oh my, that's true...The amount may be a bit little, but it's milk」

「I don't know, I don't know!!」

「Hmmm... should I block her mouth?」

Hearing me say that, Mary flinched and tried to move, but with Fatima restraining her, she can't do anything.

「D-dont! It's my first kiss.....Mmmmmfff ! ?」

Mary's eyes turned white when I kissed her.

With my "Tongue Technique MAX" active, I licked Mary's jewel like teeth and gums, coiling around her tongue, violating her to my heart's content.

「Ah, Aaaaaah.....」

Mary's eyes are intoxicated after I finished kissing her.

「Fatima, massage Mary's chest」

「Got it.... And what about master?」

「I'll be doing this.」

Saying so, I traced Mary's secret place on top of her panties.

「Aah~! You should touch that place....」

Mary tries to resist by twisting her body, but since earlier she's got no strength.

It seems that the kiss worked.

Fatima restrains her by rubbing her chest. I removed her panties.

「Aaaah.....」

Mary covered her face in shame.

My finger has traces of love nectar shining, I stirred her with my sexual technique

「Aah~！ Mm~！ Such a thing！ I don't know such a thing！ Mmmm~！！」

「It's hot....also, there's a lot of folds.」

「Oh my, could it be a rare vessel？」(名器)

「Might be... Good! Let's put in a finger.」

So I declared, I stirred her vagina vigorously while stimulating her G-spot at the same time.

「Aah~！！ W-what！？ Something is coming！！ D-dooooooooont！！！！」

Mary's body trembles as she reached ecstasy

「Haah.....Haah.....Haah.....I-I don't know such a thing.....」

Fatima let go of Mary's limp body, my cock was treated three times.

「Now, It's finally time for the main event.....」

Pun here. I was about to post this earlier, but blackout. Dammit!

Anyway, 10 more chapters till the end, 5 H chapters, and 5 non-H.

I casted contraceptive magic, held her ankle, and spread Mary's crotch.

「.....Ah! D-don't.....Please don't look.....」

I continued stirring her with my finger. Mary tries to close her legs, but with Fatima playing with her breasts, and me using full force, all she could do is writhe in shame.

「Let's proceed to the tasting.....」

As I said that, I bent Mary over and licked her pussy!

「Aaah~! D-don't! T-that place....Mmm~! Don't lick.....Ah! Ah! Aah~!」

Mary's vagina has many folds and is really hot.

The tightness is also good.

「Don't come yet.....I haven't put my dick in.....」

Mary's vaginal walls is dripping wet that it stains, I raised her waist and opened her vagina.

「Hiii ! D-Don't!.....That thing won't fit in.....」

「Give it up Mary, you're my thing already...Imma put it in.」

「D-Don't! ! !」

Ignoring Mary's request, I slowly caved in my large dick.

Not minding the Hymen, I stabbed her all the way to the [cervix](#)

「Ah.....Gah....Ha... ! I-it hurts.....」

「I'll cast heal, bear with the pain, this pain means you're a woman.」

「Uu.....Kuu.....T-that's.....」

「Oh my, oh my.....Hey、 How does this girl's vagina feel?」

「Let's see... Her folds sure are tight. Just like you Fatima, it's an excellent pussy. I might not be able to hold back for long」

「Ufufu... This girl, she's just a virgin a while ago, yet her love nectar is overflowing. She might be a nympho」 (TN: actual line is Sexual intercourse genius.)

「Noo~ Don't say such shameless things.....」

「.....Ok, I'm gonna move, I'll send you straight to heaven」

I moved my dick in her narrow vagina, she started feeling it.

「Ah~ ! Aah!! Hyaa~ ! N-noo..... ! Why..... ! Does this..... ! 」

With charm active and Sex techniques MAX, Mary is already losing herself.

「I'll go faster.....Here! Here! 」

「Hyaa ! Ah~ ! Aaah~ ! ! Good~ ! Why does it fweel good ! ? 」 (TN:Yup, Ahegao already)

Seeing her break made me excited, I want to ejaculate inside her.

「Good! It's the last spurt...Gonna cum soon ! 」

Nearing climax, I moved my hips faster.

「Hyaaaa ! ! fon't ! ! Something is coming ! ! Cumming ! ! Aaaaaaaaah ! ! 」

I hugged Mary's body which was about to jump

「Aaaaaaaaaaaaaahhh~ ! ! ! ! Cu-cumiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiingggg ! ! ! ! 」

Together with Mary, I released buckets of semen inside her pussy.

「Ah ! Hyaa ! Aaah~.....」

Mary's vermiculated walls squeeze like she's milking out semen out from dick.

「Aaaah.....」

Mary fell on her back, I then removed my dick from her inside.

My dick is still hard, doing it with one woman isn't near enough.

「Ufufu.....Master, did it feel good?」

「Yeah... That was good」

「Fufu, but you're still not satisfied right? It's fine, let this girl rest, you can use my pussy too.」

「That's true... Fatima, I'll pour you with lots of love too.」

「Fufu♪ Come.....」

Being courteously invited, I fancily inserted my dick in Fatima's pussy

In the end, I came inside Mary's three times, four times inside Fatima's, and once on Fatima's mouth

I rammed on Mary's tight ass.

Mary refused at first saying that place is dirty, yet with my sexual technique, I entered her anus and ejaculated inside.

Dumb thief ★

Pun here. I was sad that Secret didn't win the Frankfurt major, but I do like how OG played, so I'm still satisfied with the result. (I'm not satisfied with the bets tho)

Also, I got Kashima~ Now, I'm hunting Graf at E4. Wish me luck on my sorties.

This chapter contains Netori, so please skip this if you don't like it, but if you've read this far, I don't think you are a normal person that skips a netori chapter.

The news about Mary Rose being mine is rushing through the city.

The jealousy had been directed to me because I had been monopolizing the city's number 1 prostitute, yet no one voices out complaint to me.

With my power to hold her by 100 million gold, I embraced Mary lots after the first night. (TN: blackmail-ish, you get it.)

Of course I did the other women the same way too. (TN: not blackmailing, he means sex)

Fatima said that Mary seems to be resistant on sex at first, in addition to having aptitude for sex originally, I continuously made it rise, now, she calls me master while vigorously moving her hips.

At first, she seemed hate oral sex, but with Fatima's guidance, she polished the talent, and can now swallow semen when I ejaculate.

Mary is a prostitute at night and is the Goddess of Love itself in the morning, I suggested that she should continue her charity work.

I handed Mary 5 Million gold, and I told her:

「Use this money as you wish, you can even use all of them to invest in the charity's long term funds. I won't bother you with it, so do as you will」

Mary thinks for a while, and had decided to use the money as funds for her charity work.

I was in the mood to throw away money to please Mary, but Mary seemed to have some business talent, thus the charity work gained profit.

Mary resumed her charity work, and as her master, my fame raised naturally.

Those were the days....

「Ah~ ! Fuwah~ ! More ! Do me more! ! !」

Emily is already making love with me in the bed this morning.

I already gave her lots of love last night, yet when she saw my morning wood, she got excited. (TN: do you remember the times when Emily hated doing it with him? I don't either.)

「Mmm~ ! Mm~ ! Mm~ ! Aaah~ ! A little bit more..... ! I'm gonna cum..... !」

Then there was a sound of knocking.

「Master, are you awake? ?」

「Fatima? It's fine, come in.」

「W-wait ! Wha- ! !」

Fatima came in after opening the door.

「Oh my, you're enjoying yourselves....Did I perhaps interrupt?」

「Doesn't matter....gonna cum」

I raised my hip and Emily's pussy neared climax.

「Ah~!! Aaah~!! Arc!! Love!! I love you!!」

Emily was saying that while making an ahgao face.(TN: the actual line is close, so I chose ahgao)

Emily bit my shoulder in embarrassment.

「Oh my, oh my.....」

「Mmm~! Mmmmmmmmm~!!」

「It hurts, Emily....Gonna cum.」

I stopped and hit the womb, releasing a huge amount of semen inside, Emily climaxed while biting my shoulder

「Mmmmmmmmmmmmm~!!!!」

「Fuu.....Good girl、 Emily、 That felt good」

I patted Emily's head while speaking, she then stopped biting and covered her blushing face with the sheet.

「Good grief.....So, what do you need Fatima?」

「Oh、 that's right、 I've caught a person in the garden」

「What? That's unusual.....」

The mansion is surrounded by a fence, and I filled it with magic stone traps.

When someone entered the premise with malicious intent, they'll be paralyzed and be unable to even let out a voice.

Since I build this mansion, they despise it for being filled with women, some outlaws tried to invade the house, but they were caught in the trap, I send them to the authorities, and they disappear as they were executed.

Nowadays, outlaws know that if you don't want to die, don't try to invade the Demon Mansion

「Does he not know about this house ? Could it be a wanderer? If so, should we send him to the authority ? 」

「That's what I'd like to consult you with.....」

「Hm ? 」

「Could you take a look at it ? 」

「Got it.....」

I wore my clothes and left Emily in the bedroom as I head to the garden

~~~~~

I descended down the stairs heading to the garden, there I saw a young man.

Judging from his clothes, he does seem to be a son of a merchant.

His clothes seemed to be Magic resistant, yet the trap penetrated it the moment he stepped inside the house.

My magic won't be broken by something like magic clothes.

Anyway, we can't question him petrified, so I removed the petrification ring.

「-Gah!! \*Cough\*\*Cough\*! \*Wheeze\*.....」

It was nighttime, when the man gained consciousness after being paralyzed, writhed in suffering.

So annoying. I used to bind on him.

「Ugh! D-dammit!.....You!....You!.....Mary.....!」

「What? So you're acquainted with Mary?」

「Oh my? Could you be Thomas?」

Mary coming down after hearing the commotion, saw the man's mediocre face.

「Mary, do you know this guy?」

「Yes, Thomas was a business partner, when we were small we used to play a lot.」

「Childhood, that means, till you both grew up?」

「Yes, but when Thomas' business went on such misfortune, he visited us several times, but my father refused to open the door.」

「I see...I get it now.」

I lightly kicked Thomas' belly

「Ugh.....!」

「Being a childhood friend, suffering the same misfortune as your house, by reaching his hand out, he'll try to kidnap you and invite you to be an adventurer, he tries to sneak to abduct, because it's a dangerous house, and with its huge sum of money, he wore a magic resistant cloth to abduct Mary」 (TN;TL;DR: He saw Mary as a comrade and tries to kidnap her and steal money. nope, too lazy to edit, you're here for porn anyway)

「Uu.....」

Thomas had cold sweat as I had guessed correctly.

「.....Mary ! You don't need to live in this house! Come with me!」

「Even if you say that.....」

The confused Mary hid behind me to protect herself

「Sorry bout that, but Mary's mind and soul is mine already」

To show off, I embraced Mary from behind, fondled her chest, and touched her secret place. (TN: Netori kitaa. I'm a netorare hater tho, I'm a man with double standards)

「Aah~ ! You can't, Master ! In this place..... ! 」

「You say that, but aren't you wet already?」

「STOP!!! Uu.....Mary」

「So, Master what do we do about this guy ? 」

Fatima pokes Thomas with a twig.

「Hmmm.....im also a member of the company, and i think it really is lynching privilege」

「So, we kill him ? 」

Thomas went pale when he saw Fatima imitating a neck chop.

「We can do that, but he's a merchant's son. We still need to get permission from the firm, and the lynching should be in open.」

Hearing those words, Thomas' face went hot.

He's probably thinking about whip punishment.

Of course, I don't plan to settle on such a half-assed punishment

Sorry to say Thomas, but you tried to touch my woman, you shall be punished.

I embraced Mary in front of the young man and ejaculated to my heart's content.

## Punishment

---

Pun here. I've reached the 100\$ mark in donations~ Yay! just 900\$(Still a long way to go) more and I can buy a great performance PC. Thanks for the people who donate. I pray for when you get reincarnated you will get 30cm dicks.

---

The young son of the merchant, Thomas, fell down in ruin without any backing. The association approved that I will be the one giving the punishment.

I've done the necessary preparations and invited the merchants on a wasteland away from the town, that's where the punishment will be performed.

Most of the merchants who came to see the lynching were hungry for entertainment.

I've previously instructed the adventurers from the guild to tie him up and strip his clothes.

「D-damn it! ! W-what are you going to do?」

The frenzied Thomas was presented in the wasteland tied up.

「Now, will it be whipping?」

「Fufu.....Well、 please take a look」

I tied up the young man Thomas in a pole(TN: I thought he was tied up earlier, I may be wrong in TL again), and coated him with sugar solution.

「Hii ! W-what are you doing? S-sto..... !」

「Coating you up nicely, starting from your head to your toe, your penis and anus too, I'm filling you up」

The adventurers coated him with sugar solution, not touching his pinky sized penis, it stood up.

The merchants who are spectating laughed out loud

「And then, what are you going to do with this? ? 」

「We'll leave him like that for three days and three nights.」

「..... ? Just like that? There doesn't seem to be any monsters around in this area.....」

「C-could this be..... ! 」 (TN: Masaka!)

One of the merchants noticed and turned pale

「Yes, there's a colony of "red poison ants" in here. Come, let's have a drink on the other side of the river while waiting for the ants to appear. Let's move before the ants gather.」

Red poison ants are attracted to sugar and blood, and they have a weak poison.

When bitten, you won't die, but will be attacked by a tingling pain and ferocious itching.

The merchants left the place in hurry and I prepared the meal.

~~~~~

「Higyaaaaaaaaaaaaaaaaaaaaaaa ! ! ! !

Idaiii ! ! ! !

Gyuiii ! ! ! ! 」 (TN: "Ouch")

「Gyaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaa ! ! ! !

giiiiiiiiiii meeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeee ! ! ! !

pwease giiii meeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeee ! ! ! !」 (TN: "Kill")

「Hahaha! Outlaws who try to steal someone else's belongings should be punished...am I right, everyone?」

The pale merchants nodded their heads as they were overawed.

The banquet was done, but Thomas' scream still continued.

~~~~~

In the end, Thomas didn't die.

After three days and three nights, he was released, I healed and detoxified him, and sent him back to his parents

Thomas didn't die, but he lost eyesight because of the red poison ants, his body was swollen red, his spirit is ill, he's already a broken man.

If he doesn't receive periodic spirit magic treatment, he'll be unable to live his daily life.

After seeing the brutality, not only the merchants, but everyone in the city doesn't even try to trick me anymore.

## Information of damn thief

Pun here. new chapter is a bit late because of Kumo 215.

It's my birthday today! Yay~ and what a coincidence, today's also the start of Steam Exploration Sale~ Though, if someone gifts me a game, I won't be able to play it until I buy a new PC.

4 Futanari Chapters incoming, Someone actually bribed me. But whether someone did or did not bribe me, I'm still going to do it. the poll was just a joke.

---

After that incident with Thomas, I am now feared in the town, yet I play the gentleman in the brothel, I am gentle with the girls, cherish them and send them to heaven repeatedly.

Marie continued her charity work, and as her master I become popular on the poor.

However, some were misunderstanding that I was a gentle guy because I was sweet with girls and they tried to be overly-familiar with me.

Just like today, even though I told them that the study room is off-limits, Emily knocked on the door.

「Hey, are you here? I made some apple pie so I brought them here.」

Although Alma is our exclusive cook, I decided to have Emily make my favorite food which is apple pie.

Emily also complained that she won't let anyone else make apple pie.

「I'm busy. Leave it in the living room, I'll eat it later.」

「It'll be cold by then, I want you to eat it while it's hot.」

I allowed Emily in while sighing.

I don't see any problem with it anyway.

Emily sneak up from my behind and tried to read what I'm writing.

「What's this formula symbol thing? I've never seen such writing before.」

「This one's a cursed ancient symbol. If you stare long enough you'll be cursed.」

I said while I was shooining her away, Emily replied with a bleh and left the apple pie dish on the desk.

By the way, what I was writing was a formula calculating the interest rate, I can do it mentally, but I want to transcribe it, just in case.

Seeing the pie, I grabbed a slice and eat silently.

「Tell me your impressions」

「It's delicious as usual so there's no need to say it」

When I said that, Emily's face reddened and hit me.

「ouch」

「Geez...Well then, I'll resting on my room...」

Says Emily, when she's about to exit the room, she stopped.

「Hm ? 」

「Ah, oh right, while were at it, I have to tell you this...You've been deceived you know ? 」

「What is it? ? 」

No merchant would try to cheat on me, and no one will even dare to steal my women.

「When you take request on the guild, you only bring back the evidence and leave the corpse behind, Don't you? 」

「Yeah, it's a pain in the ass to take all of the materials. 」

「That's the reason, since you leave it, It will be exploited. 」

「Hm ? 」

「There are guys who take materials from the monsters you defeated and sells them as material at the armor shop at high price 」

「Hou.....although it's impossible to tail me.....Then、 they must see me getting a high reward quest before hand、 I wonder if they used "Stealth" Skill ? 」

「Maybe 」

"Stealth" skill is used to hide oneself

I too use "Stealth" skill to hide my aura, since no monster will come near if I keep my aura on.

「I don't care about giving it away, but, who's that shitty thief? ? 」

「It's a cute girl with slim body, animal ears, and huge chest.. 」

「For an insolent person to steal my property, I'll catch her and give her some punishment」 (TN: Sure, Punishment)

I thought Emily would say something, but she just shrugged her shoulders.

**Futanari beast girl, Kiki Part 1 ★ (Futanari Caress)**

---

Happy Friday breads(friends)! Here's your Futanari chapter.

---

The next day, an S-class subjugation request was sent to my house from the guild.

The opponent is “Gluttony Dragon” (TN: why all his enemies are all dragons? Poor dragons)

The dragon only eats dead meat, so they don't damage livestock.

I immediately replied that I accept the quest, prepared slowly, and flew at the site in intervals.

Reaching the reported location, I saw the Gluttony Dragon indulging itself on the Earth Dragon's corpse(TN:Not Sexually, Now Imagine a FUCKING DRAGON FUCKING A FUCKING DRAGON) (<-[my reading list](#) reference.)

I land in front of the gluttony dragon, then, I threw some stones to disturb his meal.

The gluttony dragon rushed at me as he was enraged because I disturbed his meal.

I sidestepped lightly at his charge, and had his neck fall in one swing.

With my Hearing MAX, I picked up a small sound, I was certain I heard a gulp from a distance.

The damn thief has come.

I pretended to take the evidence and fly away, I then came back invisible on the corpse of the gluttony dragon .

After a while of waiting, I saw a cute dog ear emerged from the thicket, walking unsteadily, the beast girl came out after looking around.

The girl has a tank top and hot pants as dress, a therianthrope (beastgirl), she has a tongue like dog ears and tail, other than that, she looks like a human.

Her height is the same as Lulu, and her round beautiful chest is the same as Mary's

Her features are quite good, she also has a rich pet-like atmosphere.

The girl draw her knife, when she's about to strip the materials from the gluttony dragon, I removed invisibility magic and grabbed her in the neck.

「Hey」

「Hii ! Awawa..... ! Arc Demon ! ? 」

The bound girl tries to escape by thrashing around.

「W-what is it? I haven't done anything wrong you know ! ? 」 (TN: Boku-girl!)

There's no point in arguing with this girl, so I pulled her tank top.

Nice body, *Boing* Her breast swayed.

「N-no ! ! 」

I pinned the girl to the ground, rubbed her beautiful breasts and licked her nipples in a rotating motion.

「....this is your punishment for using someone else's work for money making....you'll be paying up with your body」

「No~, Mm~, Mm~, Don't ! ! 」

「How about here..... ? 」

I tried placing my hand on top of her hot pants, the bound girl flailed wildly in resistance.

「Wait! That one's off limits! I told you don't ! ! 」

But I didn't hear her, I pulled her pants.

And then, something familiar can be seen in the girl's crotch

「Hm? You're a guy ? 」

「U,Uu.....」

There's a fine pussy when I traced her with my finger.

It's the woman's usual clitoris -just a larger version, it's around 12cm(4.7 inch), just a bit smaller than the average size of the erect penis of a Japanese male.

「Ooh....A hermaphrodite futanari, I've heard they were rare...It's my first time to see one.」

「No! Don't look!.....」

I used "search", I found out that it's able to ejaculate, but it does not produce sperm. (TN: [Genetics](#) study)

While I treat her penis, I also swirl her pussy with my finger.

「Hiiuu ! No ! I'm feeling weird ! I'm feeling weeeeird ! ! 」

I was curious on the unusual body, so I vigorously played with both genitals

「Aah~!! D-don't!! Cumming!! It's coming out!! I'm cumming!~~~~!!!!」

The girl's body convulsed as her woman part was done, and there was a squirt from her penis.

「Haah.....Haah.....What's this?.....This is even better than masturbation.....」

「You're interesting, Your name? 」

「Haah.....Haah.....Kiki.....」 (TN: read as Kinky(lol) just kidding)

「Well then, Kiki, what are you seeking by collecting the monster's corpses? Because if you want to live a comfortable life you can live in my Mansion. You'll have all the luxuries you know? 」

「Eh?.... Really? Living in the Demon's Mansion? 」

「In exchange, I will be your master, when I call you out, you should be prepared with your body, isn't that fine? 」

「Uh, Ok, I'll take it. B-but I'm still a virgin 」

「Hmm... Then, I'll take your virginity here....First, lick this 」 (TN: Author really likes fucking girls in front of dead dragon's doesn't he? maybe I should find my own dragon to kill too)

I removed Kiki's bindings and stick out my dick in front of her eyes.

「It's fine if I just lick this right? I'll do my best. 」

Pun here. Second Funtanari chapter is out! 5 more chapter till the end.

I will try to complete this series by the end of the month, so I can choose a new WN to work at. I actually chose a number of r18 WNs, but most of them are long (Around 4k-8k characters per chapter), which would mean that translating them will take longer than this series.

Himekishi is in my choice as well as Parameter remote control. Both of them aren't declared as dropped by their translator though. I may try to contact Diwasteman for parameter remote control, but for Himekishi, I will wait until lygar says that he won't do it. I don't wanna take someone else's work if they're still working on it.

I will do a poll on the next post and will show the choices I have for the next project.

Another project would be Pure love × insult Complex. I'm going to do this with [Missere Meow](#), and [snowfallsdown](#). Both of them already announced it, so I might as well post it too. lol

「Mmf.....\*slurp\*.....\*lick\*.....Boss、 Does it feel good ? 」

Kiki's tail is wagging and flapping as she lick my cock while looking up from below.

「It's still not enough...No good. You still need more practice. Lick it properly....I will use this on your woman part from now on.」

「Fuwa~....\*lick\*...But, will this big thing fit in?\*Kiss\*」

「Don't worry, I'll use vaginal expansion magic and contraception magic」

I casted magic on Kiki's abdomen, she separated her mouth from my dick in agony.

「Mmm..... ! What's this? My insides are hot..... ! 」

I let her crawl on all fours, her pussy seems to be in the same state as Lulu's, I swirled my finger to make sure.

「Aah~ ! !」

「If it's this wet it should be fine... Good! Imma put it in」

「P-please be gentle....Aaah~ ! !」

I sink in my meat stick, immediately broke her hymen, and reached her womb.

Kiki's vagina seems to be shallow.

「Ugh....It hurts...It hurts, boss!」

「I casted heal when I did put it in, so why are you saying it's painful?」

I turn my hand in Kiki's crotch, I gently held her cute erect penis.

「Hyaa~!! Don't do both!! C-cumming ! !」

I moved my hand lightly, holding Kiki's male part, then a small amount of semen was released on my hand

「.....I'm going to move.」

I moved my waist in and out her shallow vagina, reaching the cervix, and stimulate the G-spot.

「Hii! Ah~! Ah~! T-this! Even though it's my first time! I-It feels good!!」

I lose my hand on her male part, and started focusing on her vagina, and once again, it turned erect.

With my hand wet with semen, I violently treated her penis.

「Ah~Ah~Ah~Ah~!!t-twat's...sweryoslee..foing foth at the sham twime~....I'm turneeng weerd... I'm fweeling weerd」 (That's..seriously, doing both at the same time. I'm turning weird, I'm feeling weird.)

She's about to cum, Kiki's body convulses and her pussy tightens.

「Last Spurt!」

I kept pounding her cervix from behind, and at the same time, I also stimulate her male part.

「Aah~!! Hiiii!! I'm feeling weird.....!! Cumming!! Cummmiiiiiiiiing!!!!」

She reached climax on both of her genitals, she squirted cutely, and her vagina tightened like a vise.

I thrustted violently inside her vagina and sprayed a lot of semen inside.

「Aah~A-amazhing」

Kiki's body convulsed and finished her orgasm

~~~~~

「.....And from now on, Kiki will live in this Mansion. Try to get along.」

I gathered the girls from the mansion and introduced Kiki

Kiki's clothes were torn, so she's hiding her body in my cloak

「I already thought this would happen....haah...」

Emily sighed

「Well, isn't it fine Emily-sama, won't the mansion be livelier with this」

「I don't really know about that.....How old are you?」

「Uhhh....I'm 18 years old.....」

「.....Same age as me.....」

「Then master, how was this girl's body?」

「Yeah, it was a fresh experience」

「Fresh ? 」

To surprise the woman who inclined her neck, I took off Kiki's cloak

「Wha-! Wait stop it! It's embarrassing」

「Oh my, this child has a penis. ? 」

「Yea.....」

「I-i've heard that beastkin are rare, this is my first time to see one.」

「.....It's so much smaller than master's.....」

「Here, if you look properly, there's also a vagina.」

I had Kiki pose like she was peeing.

「Can this penis ejaculate?」

「Yeah...I used “search” and found that it can ejaculate, but it does not produce sperm」

「Oh my~」

「Well about that, it seems that Kiki has no experience with inserting her dick to a pussy. I wanted to give her a run gently, anyone wanna do it?」

「If it's the usual day I would raise my hand, but sadly today is...」

「Same here, I have work tomorrow, so I'll pass.」

「So Fatima and Emily is no go...What about you? Lulu? Mary?」

「I'm okay for today master, I have nothing special to do today」

「.....If master tell me to do so, I will...I'm okay today」

「Good! Lulu, Mary, we'll be enjoying this. Kiki, I'll grant you “Clean” skill, use it freely and clean your own body.」

I saw Kiki's penis lose energy.

「Oh, it's just limp....Ok, I'll cast "Vitality Restoration Magic"」

I poured magic in Kiki's penis, and it suddenly awakens.

「Hya..... ! H-Hot..... ! 」

Kiki's waist fidgets in front of Mary's face, I shoved my dick in Mary's face.

Futanari 4P Part 2 ★ (Futanari Sex)

「Go on Mary, spread your legs, accept Kiki's penis.」

「Y-yes master,.....Master, are you okay with me having anyone else enter me ? 」

Mary asked again timidly while opening her crotch

「It's merely a dildo... I know.. Mary , the day you aren't being hugged by me, you use the dildo from Fatima to comfort yourself」

「Wha..... ! Master is a terrible person.....」

Mary covered her face with her hands in shame, but she does not close her legs.

I got on Kiki's back, grabbed her penis and lead it to Mary's vaginal entrance.

「Now....Slowly sink it in just like that.....」

「L-like this..... ? Mm~.....W-what's this ! ? It's so wet ! 」

「Mm~.....It came in.....」

There seems to be a margin compared to when I put my cock in Mary.

But, Kiki raised her waist to reach the roots of her vagina.

「Aaah~ ! D-don't ! ! I-I'm about to cum ! ! ! ! 」

Kiki's body convulsed, it seems like she ejaculated inside Mary.

「Hmm.....So you came already、 Kiki.....Fufu.....You now know how a small pussy feel.....」

「HeyHey.....That was fast, Kiki」

「Even if you say that....it's so slimy it feels good....I can't release anymore...」

「Can't be helped....I'll strengthen the Vitality Restoration Magic. We'll enjoy it multiple times」

「T-that's a bit scary」

「Don't worry, just one night rest and you'll recover already」

I casted magic on Kiki's penis, Mary's face showed that she's in pain.

「Mm~...It's getting bigger inside the vagina.....」

「Mmmmm~ ! ! I-I'm about to cum again..... ! 」

「How many times you cum doesn't matter. Mary, I'll pour you lots later so tighten up for Kiki」

「Yes.....Master.....Mm~.....」

「Lulu, come here in a doggystyle position」 (TN: I'm so tempted to write "Roxxanne position")

「.....Yes.....Master.....」

Next to Kiki whose moving her waist in a piston motion, Lulu came in on all fours, her pussy is already wet from the blowjob, I stirred it with my finger.

「Mmm~ !Mm~ ! Master.....It feels.....Good.....」

「Ok, I'll put this in, Lulu.」

I grabbed Lulu's waist from the back and slid my dick in.

「Mmmmm~ ! ! Aaah~ ! ! M-Master..... ! Mm~ ! ! 」

I pushed forward to set an example to Kiki, I pounded Lulu's insides.

「Aah~ ! Aaah~ ! Aah~ ! Master..... ! Maasteer ! !Eh ? 」

女達の要望

Women's demands

With Kiki coming to our house, our lustful life accelerated even further.

Especially Fatima, whose taken interest in Kiki, she plays with her and dresses her with frills.

She doesn't hate it in particular, whenever she buys a new dress, I'm the first one to see.

My business is steady, I sold crystals in the market multiple times already, on the other hand, investments also ensures my profit, when I noticed, I'm not the richest man in just Alias, I'm already the richest man in the Harold Kingdom

It's been a year since I've been summoned in this world, I was called by the girls

Wondering what was happening, i went to the living room, Emily suddenly stands up

「You....Get us pregnant already ! 」

「What's with this all of a sudden, I thought you don't want to give birth to my child ? 」

「That's a different story! If we don't have children here, we'll only do sex every time, and that's fundamentally wrong」

「Hmmm.....What's about the other's opinion ? What about you Fatima ? 」

「I'm don't care either way, but as a woman, I want to know the feeling of having a kid.」

「What about Mary ? 」

「I also long to give birth to a child...It's a woman's pleasure」

「Lulu?」

「.....Eh?D-do master want to have a child with me.....?」

「Isn't that obvious? I'm everyone's master」

Fatima naturally whistles (TN:Touche Arc, Touche)

「.....T-to receive such affection.....I.....Also want a child.....」

「Hmm、 Kiki?」

「Yes! Yees!! I want Boss' child!!」

「Hmm.....」

I pondered about Emily's suggestion

「This means, everyone wants to have a child right? I've talked to everyone, they all want to have at least one child. After that, we can use contraception magic again and have sex」

「Hmm.....Kids.....Speaking of, I also want to make children」

The women cheers.

「But, when you're pregnant, I won't be doing hardcore sex.....I will be visiting the brothel for that」

「You've been visiting the brothel every time so we don't care. Besides if you want to do us, we can still use our hands and mouth」

「If we're going to have children...Hmmm..this mansion is a bit small for that」

「Where is it small? ! ? 」

「We need it to be wide so they can play, also the nursery....Ok, let's move to the imperial capital!」

「Oh my, Imperial capital? what about this house? ? 」

Fatima asked a sound question

「I'll hire people and maids to manage, and leave this as a villa. I want this town to be my business base. This crystal business won't last for decades, so it's better to distribute in other areas. So we'll start business if we go in Imperial capital」

「Will it be okay? ? 」

Emily asks anxiously.

「My odds of success is perfect.」

「Well, Master's business ability is well known by the merchants in the town....We'll be fine.」

「I'm feeling lucky today! We're going to the Imperial capital and buy a house」

「Well, It might be a bit late...but don't surprise the people from the Imperial capital that much」

「That's impossible to do」

I left without a word, to immediately build a mansion at the imperial capital, I bought a wide land, build a majestic five story mansion with magic, and had it go all electric.

The residents of Imperial Capital have heard the rumors but were still stunned seeing the construction magic

I then returned to Alias, had them prepare the household goods for several days, and had gone to the imperial capital riding a horse-carriage.

We moved safely at the end of the day, I told the girls to cleanse their bodies.

That night, I released contraception magic on all of them, and came to my hearts content

Children

A few days after moving to the Imperial Capital, we had gone sightseeing.

Kiki's interest seems to be winning the gambling arena, Fatima lost in the casino, I laughed and took back the money.

Emily wants to continue her work, so she joined a new party, as for Mary, she wants to continue her charity, so she was looking for a reliable partner.

Since the mansion is huge, the slaves and cook increased. all of them are under Lulu and Alma.

I started a new business trade.

Normally, trading business that involves carriages are attacked by monsters, at worst you can hire B-class adventurers as escort.

There I had an idea to consider putting a coat of arms design on my carriage, and paste it with my "Strong Man Aura".

Thanks to my carriage having the coat of arms, they're not attacked by monsters, and C-class adventurers are enough.

Since the cost is cheaper, they will naturally gather in my company, eventually, this region will be under my control, and I will be the richest in this country

Every night, I do the girls with the purpose of making them pregnant, Lulu and Mary got pregnant at the same time.

I released Lulu from slavery when she got pregnant.

Lulu was so happy she cried.

I attempted to treat her like the other girls, but she refused, she insisted on being the chief maid.

After Lulu and Mary got pregnant, Fatima and Emily followed immediately.

Then after a while, Kiki also got pregnant.

merchant daughter-in-law.

After having a daughter-in-law, I've calmed down, and grandchildren had appeared here and there.

By the time I reached 60 years old, I gave the company to Edgar, and I was living peacefully with my retirement

Even if I believe I can have eternal youth, my girls won't have it.

welp, time to say goodbye to our 30cm dick MC; Arc Demon

Mary died at age 55

She lived her life filled with affection, she was loved by a lot of people, and most people in the country mourned her death.

Kiki died at age 58

She was endeared by her grandchildren, she died happily.

Lulu died at age 65

I remember her humility, her continuous support in the house as the maid, she was family.

Emily died at age 72

In her late years, she jokingly said, "If i died, you won't have any good apple pies to eat", she laughed at the new woman in the house, and she suggested to have her daughter bake.

After she died, there were no more apple pies in my table.

Fatima died at age 90

I counseled my daughter who married, grandchildren and daughters who wedded to their husband's family well, and you always considered a home total and supported my house.

~~~~~

On my hundredth birthday, my grandchildren and great grandchildren came home and greeted me

I quietly told them

「My wives had died, my children died of early age too. I lived long enough in this world. I have no regrets. I will soon disappear in this world too.」

My grandchildren went abuzz when they heard me.

「It's goodbye then」

I casted space transport magic in the sky, I was sucked in by it.

My disappearance caused an uproar in Harold Kingdom, then I came to be revered as God of business

~~~~~

After using the space transport magic, I saw the same white room 80 years ago.

The gentleman greeted me.

「Thanks for the hard work, Fujiyama Shinsuke, no, should I call you Arc Demon instead?」

「Hahahaha, since I've lived longer as Arc Demon, Arc is better, God.」

The gentleman, no, God gave me a wry smile.

「As expected, you did notice it.」

「You said it right? MAX can be compared to God. Then? Did you enjoy watching my life?」

「Yeah, I was greatly entertained....that may be inconvenient, so let's make you young again」

When the gentleman lifted his ring finger, I returned to my twenty year old body.

「Fuu....It's been a while since I felt comfortable with this young body」

「By the way, why did you not use immortality on you and your girls, you do know you can do it right?」

「I don't want to insult how they live the lives they entrusted to me....and I want to live the same as the girls....」

believe you saw through that.」

「I see, as expected Arc-sama, you're interesting」

「Then, what will happen to me now? Is it hell as expected?」

「Let's see....Since your life was interesting, I want to watch the continuation. Just like how I want to read the continuation of a manga.」

「Is that so ? 」

「It's a past time anyway. This time, you can choose where to reincarnate. Of course, you're free to choose your status.」

「Haha! That's the spirit...then, to meet the God's expectations, I will make the next life interesting and make sure you'll love it」

Thus, my story as Arc Demon went to a close, and I went to a new stage.
