Ban Lu Qin Jun Translation Chapter 1

Ban Lu Qin Jun - Chapter

1

Inside the quiet room, there was only a small waving about to go out candle light. Even if there wasn't any blowing wind, but the faint light of fire seemed as if about to go out unceasingly swaying, provided a background for the inner room to become even dimmer and dubious.

The hazy curtain hung down as a screen, to hide the body inside of it. The curtain moved along with the person's movement, creating a subtle sound, accompanying a warm and enthusiastic breathing.

Yi Yun Zhai's consciousness was on the verge of deranged. The rationality in his mind had completely disappeared without trace.

His outstandingly handsome and elegant face was extorted to become all red by poisonous aphrodisiac, breathing had become louder and heavier, even his pupil had become larger at the same time. The aphrodisiac was stimulating all over his body.

He needed someone to help him dissolve the poison, no matter who, whomever was fine.

Xiao Lan Xun just lifted the curtain and got in the bed. Her face healthy color faded to the greatest extent, pale as the paper.

A bearing of a young woman, just like the first blossom of a delicate and charming flower in the early morning, the delicate fragrance which came through from the body, was a stream of sweet smell that couldn't be compared to any ordinary beauty.

But her expression was nervous, the combined together fingers were shaking constantly, seemingly the inner struggle almost ripped her body and soul apart.

Smelling the scent of a woman, Yi Yun Zhai immediately pressed her under his body, tearing apart her clothes.

“Yun Zhai.” Her trembling voice charmingly called out. The voice was filled with fear and dread, however, even if the heart was very much afraid, she still didn't flee the battlefield.

Yi Yun Zhai seemingly regained a little of his rationality, he stunned while gazing at the dainty in front of his eyes. Soon after that he furiously roared : “Who allows you to come? Go away.....Go away.....”

Saying the second ‘Go away’, his voice was hoarse to the

point almost like the roar of a wild beast.

The spreading wildly drug was like a thousand knives myriad of swords cutting his body. Each and every time was an unbearable pain. He was pained to the point nearly wanted to bite down his own flesh to make this kind of pain stop.

Xiao Lan Xun removed the clothes, revealed the white as snow skin and muscle, satiny as the water, caused Yi Yun Zhai to let out a wounded wild beast like low groan.

“You know or not the damn thing you are doing? Go away!
Go!”

“Don’t..... Don’t chase me away.”

The delicate voice trembling nonstop, Xiao Lan Xun took off the last piece of the clothes.

The candle light was too dim, nearly unable to see clearly her snowy white skin and muscle, but solely the sweet fragrance that coming from her body, already caused Yi Yun Zhai to send out a beastly roar. If not being worried for her who was his heart treasured woman, since earlier without the slightest scruple would be attacked by him.

“Yun Zhai, I..... I truly love you.”

Like saying the innermost heartfelt, the utmost hidden secret, Xiao Lan Xun leaned forward, allowing her naked body to be

embraced by Yi Yun Zhai. All this time since knowing each other, she always didn't have the courage to say out loud her love, today finally brave enough to tell him.

"I'm losing my consciousness, almost will....."

Xiao Lan Xun hugged his neck, she was embarrassed to no end, nearly unable to say it out, muttering said : "Embrace me, I don't want.....don't want to give you to another woman, I'm afraid that you....."

The beautiful eyes possessed the deepest anxiety and fear, those anxiety and fear in which she couldn't declare. If she said it out, she knew she would be broken hearted. And also, that day to come, whether it was long or short, she was afraid that that day would come soon.

"I am afraid that you don't want me."

"Bullshit! I want to marry you, as soon as I go home, I will immediately go to your house to propose marriage....."

His voice suddenly loud suddenly soft, the strong as iron arms couldn't help but tightly embrace the warm, sweet-smelling and soft beautiful woman before him. Clearly understood that he had to push away this person, but the desire inside him was much stronger compared to whatever rationality.

Moreover, he had loved Xiao Lan Xun since long ago. But she was very delicate. He had been waiting until the wedding night, not in this kind of simple and crude thatched hut. It seemed like he was violating her by wanting her in this way.

He wanted to give her the most wonderful first time, not like this kind of desiring (I think using lusting over her would be more suited here..i'll leave it to you to decide) her.

“Embrace me. Embrace me tightly. No need to say anything.”

His nose could smell the familiar scent on her body, the desire just like an out of control wild horse. Could no longer control himself, he pushed down Xiao Lan Xun, the rationality in his mind had changed into mud. Except for the desire within his body, he could no longer remember any other thing.

Even though he could no longer remember any other thing, but he still remembered that the woman beneath his body was Xiao Lan Xun.

“Lan Xun, I will marry you, wait until..... ahh.....” Yi Yun Zhai passionately kissed her, almost wanted to knead her to enter his body and properly loved her.

In the dark night, the white as snow body and a sturdy body united. The pain of the first time caused Xiao Lan Xun's tears

flowed to her whole face.

She firmly bit down her lower lips, didn't let out a cry of pain, firmly embracing the beloved man in front of her. She knew that this kind of opportunity wouldn't come for the second time.

Every time he vowed that he definitely would marry her, that translucent tears would rolling down drop by drop ; every time her beloved man saying "I love you", she would give him an intimate kiss, as if wanted to block this words, letting her ears to no longer be able to hear this words.

"Lan Xun, I certainly will marry you. I definitely will..... definitely....."

"I will wait for your marriage proposal. I will wait for you."

Xiao Lan Xun's tears were dripping unceasingly. Even if clearly knew this was only a lie, yet she still answered him with a gentle voice, actually her heart was already pained.

And for his beloved person, for all eternity would never know why her heart ached.

She for all eternity would never talk about this secret, also willing for this secret to be forever buried in the depth of her heart.

Forever, for all eternity. Nobody would know.

Xiao Family's front yard was not small, only that this time, the betrothal gifts had filled the entire of the front yard, indeed the Xiao's Family front yard appeared to be too small, as the result, unable to accommodate.

Solely from the betrothal gifts' thousands grains of pearls as well as hundreds grains of night-luminescent pearls, could be known that the one who came to propose a marriage was from what kind of rich and powerful family. The readily to take the opportunity Xiao's Family senior, Xiao Daye, laughed to the point grinning from ear to ear.

His youngest daughter Xiao Hong'r several years ago dressed up as a man and went out to study, assumed name as Xiao Lan Xun, fellow disciples with Yi Yun Zhai. Unexpectedly, in secret their feelings for each other grew, contrary to expectations, it facilitated the happy fate which brought lovers together.

And now the person who came to propose the marriage, was exactly the only son of the wealthiest family that was well-known in north and south sides of the Yangtze River*!! Yi Yun Zhai.

(t/n : *north and south sides of the Yangtze River (id) : All

over China.)

Although this with the Eastern Jin's Liang Shanbo and Zhun

Yintai's* tale was somewhat similar, but the difference was the Liang Zhu pair had a tragic ending, while the Yi Xiao pair's family stepped back and supported to conclude the glorious marriage predestined by fate.

(t/n : * Liang Shanbo and Zhu Yintai : pair of lovers in folk legend. *here the story copied from Wikipedia. XD)

This marriage matter had excessively caused a sensation, even more aroused rumors from not few meddling people.

On account of three years ago, Xiao Lan Xun left without saying good-bye, Yi Yun Zhai was worried to the point like an ant on a hot cauldron*. After he came home, immediately announced to the world that he was looking for somebody missing. The person he was looking for was precisely his fiancée, Xiao Lan Xun.

(t/n : *Like an ant on a hot cauldron : agitated.)

Upon hearing the son of the wealthiest family was looking for his beloved girl, a pile of people who wanted to claim connections of higher status and influence, with no sense of shame, changing their daughter's name into Xiao Lan Xun, brought them to Yi Family, causing the Yi's household to be filled with troublesome women, every girls' name was Xiao Lan Xun.

Even if this world was vast, to go as far as there were this many girls called as Xiao Lan Xun, this kind of fantastic story, how come there wouldn't be several people to click their tongues in wonder*?

(t/n : * to click one's tongue in wonder (id) : to be astonished.)

Yi Yun Zhai was an elegant and handsome man. The girls upon the sight of him, even if he was penniless, very likely would still want to give themselves to marry a man of a lower social status, let alone his family was having such great wealth.

Adding more within these two years, his father didn't intervene in the business, furthermore, handing over all of the family property for him to manage, he developed the family property to great height. The method in the trading business, compared to when his father was still in charge, he was much more skillful. Could be said as days come money comes.

This kind of man, who didn't want to marry him? Even if they were not the real Xiao Lan Xun, but if they could be noticed by Yi Yun Zhai, accepted into the house as the concubine, also for the rest of their life could live in the mountain of gold and silver.

Only that, no matter how beautiful the girls, Yi Yun Zhai not even shared a glance, these girls basically couldn't attract his

interest at all. Just said that they were the goddesses descended to the mortal world, also couldn't be compared to his most beloved Xiao Lan Xun.

He ordered the best artisan-painter in the world, according to his words drew out Xiao Lan Xun's portrait and published it to the world. As long as he heard the news about wherever there was a girl whose facial features resembled Xiao Lan Xun, he would immediately abandon his business, spared no pains to go and search.

Only wished that eventually he would succeed. Xiao Lan Xun as if a wisp of smoke, disappeared from this world, caused Yi Yun Zhai to almost give up all hope.

Three years had passed, it was almost four years. If Xiao Lan Xun was still alive, he didn't understand why she wouldn't want to come meet him?

Her origin and so on that she wrote down was all fake. He assigned people to search at that place, there was only a pile of desolate tombs. Therefore there were busybodies who spread rumors that he had been bewildered by a female ghost. Only that, Yi Yun Zhai definitely wouldn't believe that Xiao Lan Xun was a ghost.

Whether it was human or ghost, how could he not be able to differentiate them?

He understood that Xiao Lan Xun must have her own difficulties so that she was not ready to meet him. He wanted to use his true feeling to move her, he wanted to let her know, although he was from a family of a great wealth, he would remain as before, bear her in mind constantly.

He only expected her to appear sooner and reunite with him.

If not her, for this lifetime he certainly would not get married.

Yi Yun Zhai these past four years spared no pains in searching. The people who were at first ridiculing him for the sake of a beauty actually extensively used up his family property for the search, seeing his passion unchanging, rooted to his original intention, couldn't help but change their statement. One after another gave their thumbs-up, praising Yi Yun Zhai indeed was an unequalled passionate lover in this world.

Facing this kind of wholehearted man, all girls all the more be dying to become the embodiment of the beautiful Xiao Lan Xun, and then married to Yi Yun Zhai.

After all, everywhere under the heaven, there wouldn't be any men like him with such authority, potential, as well as extremely passionate, to the extent everybody secretly spat on and cursed Xiao Lan Xun, felt that even if she had great numbers of grievances, she ought to come out and explain for a bit, that's the

correct thing to do.

On the third year after Xiao Lan Xun disappeared, a servant that had endured the hardship of a long journey came to Yi's Residence. In his hand, he held a beautiful box, only said wanted to hand it over to Yi Yun Zhai.

After the beautiful box got taken in by the person who guarded the door, Yi Yun Zhai upon seeing the thing inside the box, his face became both surprised and happy.

The thing inside the box certainly was not any new or odd toy at all, only an ordinary pearl hair pin. Although it was a little expensive, but still, the model was already old.

Nevertheless, this hair pin was actually when Yi Yun Zhai concealed his identity as the son from the wealthiest family, presented it to Xiao Lan Xun as the thing to conclude his feeling.

Xiao Lan Xun's identity thereupon revealed.

As it turned out, she was a beauty of Jiangnan's countryside.

Her family although wealthy, but only a wealthy family in a small village, compared to Yi Yun Zhai, would be like the cloud and the mud. This was the reason why she from beginning to end didn't dare to appear and recognized by Yi Yun Zhai.

She was afraid her petty and low status, would unable her to

marry to the rich and powerful Yi Family, furthermore she wished that Yi Yun Zhai would give up on her. Never had thought, already three years, Yi Yun Zhai's feeling had not the slightest bit changed, that's why she showed herself up, also be ready to marry into Yi Family.

Yi Yun Zhai should be from the south of the Capital headed to Jiangnan, but he himself hadn't arrived yet, the betrothal gifts already arrived.

Those betrothal gifts drew the attention of people from the mountain and from the sea, this kind of being told from mouth to mouth with approbation glorious happy marriage would be about to come true, all the more caused all of the girls to envy her endlessly.

The whole little village was filled with the bustling with noise and excited outsiders who came to see, to go as far as to become a bustling day and night town, particularly when Yi Yun Zhai appeared, his refined and tasteful with ease and natural poise and appearance caused the women who came to watch to exclaim in astonishment.

The people had seen the Xiao Lan Xun in the picture was of an absolute beauty, adding more seeing Yi Yun Zhai was a figure of an exceptionally handsome man, everyone acknowledged him and Xiao Lan Xun as simply a couple made by the Heaven, a pair of the mortal world.

Yi Yun Zhai didn't take into consideration the people's attention. Straight went into the Xiao's house. The him who merely took several servants with him, still had the air of rich and powerful people, each and every movement of him was completely of manner a high rank noble.

Merely seeing Yi Yun Zhai coming in, Xiao Daye already laughed from ear to ear and came forward to welcome him. Yi Yun Zhai stepped forward to pay respect, Xiao Daye busily said : "Have a seat."

"Thank you Uncle Xiao."

A servant served them fragrant tea, Yi Yun Zhai superficially took a sip. His straight eyebrows slanting upwards and outwards, his eyes were like the stars. Speaking in a loud and clear voice :
"Uncle Xiao....."

Hearing him still addressing him as Uncle, Xiao Daye amiably said : "Should be Father-in-Law! You want to marry my daughter, I already acknowledge it. I am too impatient to wait, wanting you to quickly marry Hong'r."

Yi Yun Zhai's mouth formed a slight curve. His voice was deepened a little.

“Even though I had ordered people to deliver the betrothal gifts, however, how about let me see Lan Xun first? Not at all suspect there is a swindle in it, but within these three years, I have searched in anxiety, once my beautiful dream comes true, it makes me wonder whether I am still dreaming. Once I catch a sight of Lan Xun I will finally be at ease.”

Yi Yun Zhai speech though was polite, but he was unwilling to address Xiao Daye as Father-in-Law first, also insisted that he must see Xiao Lan Xun, from this it was clear how careful he was towards this matter.

After all, within these three years, all kinds of swindlers were unceasing. Because of to deceive him into their bait, to accept to marry their daughters, so how could he know that this time was not another swindling matter.

Xiao Lan Xun's hair pin was recognized by him in one glance, he actually unable to doubt that this was another fraud again.

But after all sorts of things within these three years, saying Xiao Lan Xun because of lowly status unwilling to see him, his heart indeed gave birth to a slight doubt.

Xiao Daye's forehead was sweating. He uncomfortably wiped and wiped it. In the receiving guest hall in this cool and pleasant weather of autumn, he actually with whole face filled with sweat,

truly a little suspicious.

“Of course! Only that Lan Xun was her assumed name, her real name is Hong’r. Yi Young Master, you might as well call her with her given name, could show the intimacy between your relationship even more.”

“Name is only a name. No matter it was Lan Xun or Hong’r, as long as it is her, whatever name she wants me to call her with, I will agree.”

Hearing him speaking with deep feeling, Xiao Daye laughed and nodded his head. Said to the maid servant : “Go and ask your Young Lady to come out.”

☆☆☆

Not long afterwards, Xiao Hong’r was being helped by a maid came out of the room.

Xiao Hong’r both cheeks were flushed red. On her outstandingly beautiful face was several threadlike drip of sweat ; she slightly applied cosmetics. Basically was a pretty face, even more like the lotus flower just appearing above the water kind of graceful demeanour.

Even the crowd of people who was watching at Xiao’s house was unable to restrain themselves from gasping in surprise. Because she was the real and living being from the portrait that was painted by

the artisan-painter, Xiao Lan Xun, more like the matchless beauty who came out of the painting.

“Lan Xun.” Yi Yun Zhai moved by his emotions stood up.

Already passed three years, Xiao Lan Xun’s face was seemingly slightly changed. The formerly thin and weak body had become fairly round, even the oval shaped face with slightly sharp chin already became smooth and round, however she was still his beloved woman.

“Yun Zhai.....”

She called out in hesitation, as if also seeing how much he had changed within these three years. He had become a knowledgeable businessman, being in charge of his family’s property, but the only thing that was still unchanged was his same remaining sincere feeling.

Yi Yun Zhai right away kowtowed to Xiao Daye, without the slightest hesitation said : “Father-in-Law, I will immediately dispatch someone to report to my father, to choose a good day to marry Lan Xun.”

He was so sincere and devoted, caused Xiao Daye to make a hehe laughter, while Xiao Hong’r revealed a redder flush on her cheeks. Seeing Yi Yun Zhai was too impatient to wait manner, wanted to marry her and take her to his family, the side of her mouth

couldn't help but burst out a joyous smiling face.

Xiao Daye hospitably laughed and said : “No. Let me take you to stroll about. Although my house is not large, but we grow some peaches and plums. This season can see the flower blossoming, it is indeed a beautiful sight.”

Yi Yun Zhai no longer refused. Seeing Xiao Lan Xun again, his heart was only filled with happiness.

“Then, thank you Father-in-Law.”

Xiao Daye brought him to roam almost the entirety of Xiao's house. Due to the Xiao's house being located in a remote area, the land in the village was not costly at all, so that he could have a great deal of land. The backyard of the house also wasn't small, the two people talking while laughing in their stroll, in the end of their strolling, it was already two hours.

All of a sudden, from a distant place transmitted several coughing voices and the tumbling and broken utensil noise. Xiao Daye's whole smiling face in a split second froze.

Yi Yun Zhai upon the sight of his changing complexion, also hearing the noise from the backyard transmitted to this place, seemed like the backyard's house was resided by someone. Carefully examined the backyard's house, looked as if it was newly installed. It seemed like the backyard's house was originally not at that place.

He asked : “Is there someone else in the backyard house?”

“E..... Nobody.” Xiao Daye answered at lightning speed.

The words just finished, the coughing sound was getting worse. Of course it was impossible for no one to be there. Xiao Daye wanted to conceal but could no longer be able to do so.

“This person who lives in the backyard is my nephew. He contracts a serious illness. Because since childhood he has been alone with no one to rely on, so I let him lodge. He has been ill since several years ago, the illness has gotten more serious, his life is only a drag. I think he will not be able to get on for another several years, he will die soon. For the reason that his illness possibly could be contagious, that’s why i made him live alone in that place. Only assigned a servant girl to deliver the meals. You are an honorable person, absolutely may not go there. Otherwise, if you get infected by the illness it certainly wouldn’t be good.”

Just saying these several sentences, Xiao Daye changed the subject. Yi Yun Zhai only nodded his head without saying anything. After all, this was other’s household affair.

“Young Master.....” The personal attendant Yi Yun Zhai brought along was called Xi Ning. He reminded him in low voice : “The sky is soon to be dark, Young Master, go back to the room to sit. Perhaps when it comes to the nightfall there will be mosquitoes.”

“That’s right. You come all the way from afar, you should have taken a rest. Tonight I will set up a feast to welcome you.” Xiao Daye made a several laughter sound.

End of Chapter 1.

They chat and feel a strong affinity for each other at their first meeting. Hence, they gather some soil as incense and take an oath of fraternity in the pavilion of a thatched bridge.

They study together for the next three years in school and Zhu gradually falls in love with Liang. Although Liang equals Zhu in their studies, he is still a bookworm and fails to notice the feminine characteristics exhibited by his classmate.

One day, Zhu receives a letter from her father, asking her to return home as soon as possible. Zhu has no choice but to pack her belongings immediately and bid Liang farewell. However, in her heart, she has already confessed her love for Liang and is determined to be with him for all eternity. Before her departure, she reveals her true identity to the headmaster's wife and asks her

to pass a jade pendant to Liang as a betrothal gift.

Liang accompanies his "sworn brother" for 18 miles to see her off. During the journey, Zhu hints to Liang that she is actually a woman. For example, she compares them to a pair of ["Mandarin ducks" rel="nofollow" target="_self">mandarin ducks](#) (a symbol of lovers in Chinese culture), but Liang does not catch her hints and does not even have the slightest suspicion that his companion is a woman in disguise. Zhu finally comes up with an idea and tells Liang that she will act as a matchmaker for him and his "sister". Before they part, Zhu reminds Liang to visit her residence later so he can propose to marry her "sister." Liang and Zhu reluctantly part ways at the Changting pavilion.

Months later, when Liang visits Zhu, he discovers that she is actually a woman. They are devoted to and passionate about each other and they make a vow to the effect of "till death do us part". The joy of their reunion is short-lived as Zhu's parents have already arranged for her to marry Ma Wencai, a man from a rich family. Liang is heartbroken when he hears the news and his health gradually deteriorates until he becomes critically ill. He dies in office later as a county magistrate.

On the day of Ma and Zhu's marriage, strong winds prevent the wedding procession from escorting the bride beyond Liang's grave, which lies along the journey. Zhu leaves the procession to

pay her respects at Liang's grave. She descends in bitter despair and begs for the grave to open up. Suddenly, the grave opens with a clap of thunder. Without further hesitation, Zhu throws herself into the grave to join Liang. Their spirits turn into a pair of butterflies, emerge from the grave, fly away together and are never to be separated again.

Ban Lu Qin Jun - Chapter

9

“Sorry! Yun Zhai, I am sorry. Everything is my fault.....”

Even if in his unconsciousness, Zuo Zhen Yu was still muttering his apology. Xi Ning who was taking care of him almost had his tears roll down, and his apologizing voice, every syllable practically broke Yi Yun Zhai’s heart.

Yi Yun Zhai was pained to the marrow of his bone, holding on the bed as he sobbed.

What had he actually done? Three years ago, he had promised to look after Xiao Lan Xun for all of his life. Wanted to ward off the wind for her and keep her safe from rain, whoever was not allowed to hurt his most beloved person.

And now he was the one who hurt Zuo Zhen Yu the most, the deepest. Why would he go against his own pledge? Why didn’t he protect his beloved person?

“Lan Xun.....Lan Xun.....” He called out in soft broken voice.

Zuo Zhen Yu opened his eyes, upon seeing him, his eyes became tearful, he wept and said: “It was me who had harmed you to this miserable state! Yun Zhai, everything is my fault! I shouldn’t have let you love me, it was my fault, it was my fault.....”

Things had come to this point, could it be that these two intended to burn the jade and stone together* before they were willing to end it? Xi Ning didn’t want to see someone commit suicide again. He knelt down all of a sudden, begging Yi Yun Zhai to let go.

(t/n : * To burn Jade and stone together (id) : to destroy indiscriminately, to bring destruction for both sides.)

“Young Master, carrying on like this is not the way out. Let Young Master Zuo go, just regard it as you two had never known each other!”

Yi Yun Zhai’s whole body gave a jolt.

Wanted him to let go the former days’ sweet memories, wanted him to personally let go of Xiao Lan Xun, upon the thought, a stream of shiver made his whole body shudder.

Wanted him to could no longer see Xiao Lan Xun, it was impossible for him!

This way was the only way out if there was no other way! Zuo Zhen Yu’s weeping voice was like grieving, each voice was filled with deep sorrow, “It is me who owes you, I will be willing to

spend the rest of my life lighting the oil lamp in the Buddhist temple, for all my life praying for your blessings, earnestly pray for both your happiness and longevity.....” The tears were dripping drop by drop to the brocaded quilt, “Like a flower dedicated to accompany you.”

Yi Yun Zhai angrily roared : “I don’t need a dedicated flower. I only want.....only want.....”

Zuo Zhen Yu hearing his few earlier words, already could guess what the next words will be. He cried until his whole body was trembling and fainted again. Xi Ning urgently called for a doctor, by then Zuo Zhen Yu finally could regain his consciousness.

The backyard’s commotion was so loud, since earlier had aroused rumor within the Yi’s residence. The rumor said Yi Yun Zhai locked Xiao Lan Xun in the backyard. Master Yi of course wouldn’t believe his own son could commit this kind of absurd matter. But the doctor in succession had come for multiple rounds, caused him had no choice but to believe.

Today, he directly came to the backyard. Once caught sight of the reclining on the bed in lethargic sleep Zuo Zhen Yu, he couldn’t restrain from retreating several steps.

“This..... Isn’t this Xiao Lan Xun?”

Even though he hadn't personally seen Xiao Lan Xun in person, but Yi Yun Zhai had asked a famous master of painting to paint out her portrait. The person in front of him was more graceful than the person in the portrait, let anyone upon a glance already could figure out that this person was indeed Xiao Lan Xun.

“She* didn't die?”

(t/n : * In previous translation I have explained about the she and he pronounce in Chinese. In Chinese, She and He has the same pronunciation, only difference is in the written. So, here, the father address Zhen Yu as She/her while Yun Zhai who knows about him address him as He/him.)

Master Yi saw that the people's faces on the scene were sweating. Xiao Lan Xun's forehead split to a big hole, adding to the previous rumor that his son was diligently visiting the red-light district, at home he kept concubines and so on, committed all kinds of outrageous affairs, Master Yi immediately understood more than half of the matter. He gave orders at once: “Right away call someone to send Xiao Lan Xun out of Yi residence!”

Yi Yun Zhen was greatly alarmed. Master Yi then scolded him for a short while.

“I don't know what kind of misunderstanding or gratitude and

grudges between you two, but she already knocked herself to a pillar for a suicide. That represented that she didn't want to stay by your side. If you didn't treasure her, what is the need to torture her? Even if the Heaven could tolerate this kind of matter, I will not allow in Yi residence for someone who to be put into great inconvenience."

Seeing the trace of blood on the forehead, the tear stains on the face, Master Yi was fully aware of his own son's impulsive nature, perhaps everything was his fault. To let him and Xiao Lan Xun meet again, very likely that Xiao Lan Xun would be hounded to death.

"Send her out at once! Forbid Young Master to see her, stir her, not even to touch a strain of her hair. Give her gold and silver, hundred taels*, send her far far away, let Young Master to not be able to find her for all eternity."

(t/n : *Tael : ancient currency.)

Yi Yun Zhai's whole body was shuddering, "No.....No, Father, don't send him away."

Zuo Zhen Yu for the past three years already didn't agree to see him, now if he was sent away, maybe he couldn't see him again forever! Wanted him to not see him again.....No, he absolutely wouldn't agree.

"You treated someone's daughter like this, you still dare to

forbid me from sending her away? Or should I send you away instead.”

Master Yi was fuming, his eyes glaring. The scolding was even more offensive.

“Father, I am at fault! I beg you don’t send him away. I had a little misunderstanding with him, now I already can think clearly. I want to marry him to become my wife. Love him for the rest of my life.....”

Master Yi also knew that he towards Xiao Lan Xun was using his deepest feeling. Although he didn’t know why they quarreled to the extent Xiao Lan Xun committed suicide, but his son beg for forgiveness had caused him to soften his heart.

“Do you dare to vow to the Heaven?”

Yi Yun Zhai immediately vowed to Heaven, “I, Yi Yun Zhai, vow to Heaven, for the rest of my life I will only love Xiao Lan Xun, forever love him dearly, be gentle to him, never betray him.”

Master Yi hearing him vow in such earnest, his anger in the end calmed down a bit.

“Take her to the guest room! She is not a prisoner, no need to be locked up by you, and also once she regains consciousness, if she was afraid of you, dreadful of you, say want to leave, you may

not stop her, do you hear me?”

“Yes. Father, I will never let him leave me again.”

Yi Yun Zhai’s face when he carried Zuo Zhen Yu in his arms was gentle as well as full of affection, it made Master Yi couldn’t bear to see it.

“I don’t understand you youngsters’ problem. But since you love her, what kind of serious matter that could make you torment her like this? If by chance she really died, by then you will truly weep in sorrow, find it too late to repent, won’t you? Then why the need you for these past three years painfully searched? I think three years ago when she left you, it must’ve been your fault.” Master Yi couldn’t help but sigh.

Xi Ning hearing Master Yi without understanding the situation kept on nagging, both wanted to laugh and wanted to cry. However, if his Young Master because of this could open his mind, maybe this was a good meddlesome!

☆☆☆

“Young Master, things have come to this, it would be better to take Young Master Zuo out and find a home for him!”

Moving Zuo Zhen Yu to the guest room, Yi Yun Zhai seemed to come to a decision, unlike the former agitation.

“Young Master, you torment yourself and Miss Lan Xun..... Young Master Zuo, is it worth the trouble?”

Yi Yun Zhai gazed at Zuo Zhen Yu’s dainty appearance, softly said: “What father and you had said is true. I shouldn’t torment him and me like this. Xiao Hong’r and him have similar appearance, wholeheartedly wanted to marry me. Why was it the more I was together with her, the more I felt disgusted. On the contrary, he had changed beyond recognition, yet I still went daily to his broken house to look at him a glance so that I can be at ease, seeing his tears, my body fiery burnt, it was hard to control myself. Clearly knew that he was a man still had no way to control myself.....”

“Young Master.....” Xi Ning waited on Yi Yun Zhai in Xiao’s house in those days, also knew the him at that time was really strange.

“I love him! I so love him. even if he hid his identity, face had completely ruined, I still couldn’t help myself from loving him, looking at him, being gentle to him, then why the need to ruin myself and him like this? In this world cutting sleeve* homosexual relationship is also heard of since long ago. I actually ignored him for what, to the point I forced him to end his own life? I am truly too heartless.”

(t/n : *cut sleeve (id) : euphemism for homosexuality.)

Didn't really understand what was Yi Yun Zhai talking about,
but Xi Ning still attentively listened to him.

"I want him to stay by my side. I want to marry
him!"

"Marry.....Marry him?" Xi Ning was shocked to nearly biting off
his tongue. Young Master had gone mad?

Yi Yun Zhai after reading aloud his feeling, his mood in a
split second relaxed a great deal.

He basically was a bright person, It's just that he was
trapped by love, so that Xiao Hong'r and others could deceive him
for such long time. Now that his mind had been cleared, everything
became clear at once.

"That's right! I want to marry her. He is called as Lan Xun,
given name is Zhen Yu. I want to make him marry me in woman's
apparel. For this lifetime, I will admit him as my
wife."

"Wait.....Wait, Young Master, are you for real?"

"That's right! You take a good care of him. I will go to
learn, between the homosexual how do they make love. I will go to
make some inquiries. Will be back in a while."

"Young Master.....Hey..... Young Master....."

Yi Yun Zhai seemingly had put down the heavy burden on his shoulder, had swept away the haze. Nevertheless, Xi Ning had begun to feel worry.

Young Master had gone crazy! Right. He certainly became extremely mad, that's why he could think of making a man marry him! Xi Ning sighed sorrowfully with whole face in sadness.

☆☆☆

Zuo Zhen Yu awoke. Xi Ning told Zuo Zhen Yu what Yi Yun Zhai had told him. Zuo Zhen Yu hearing this, his mood instead became even more distressed.

Was it because of his existence, to cause Yi Yun Zhai's rationality to be in disorder? Zuo Zhen Yu thought to himself.

Xi Ning just recounted the half of it, Zuo Zhen Yu already couldn't bear from shedding tears. Yi Yun Zhai just opened the door to come in, he caught the sight of Zuo Zhen Yu's mournful face, glared at Xi Ning at once, then chased him out.

"Zhen Yu, I bought lotus seed bun that's very well-known around here, you are injured, I will rip it for you to eat."

Every word and action of Yi Yun Zhai at this moment was like

the three years ago when the two were still together, caused Zuo Zhen Yu's heart to be unbearably hurt, nearly about to cry.

"What? You don't like me treating you well?" Yi Yun Zhai asked in a gentle voice.

"I have wronged you. You hating me, getting angry at me is as it should be. I don't deserve you treating me well." Wiped away the tears, Zuo Zhen Yu forced himself to brace up, but couldn't bear but crying again.

Once he cried, Yi Yun Zhai ripped a little lump of the bun, squeezed it to his mouth, that both sweet and nice-smelling flavor made Zuo Zhen Yu though wanted to cry but wasn't able to.

"Is it delicious?"

Zuo Zhen Yu's whole mouth was filled with the sweet-smelling flavor, he dazedly nodded his head, didn't know why Yi Yun Zhai today could change his nature.

The former cold and unfeeling towards him Yi Yun Zhai already no longer could be seen. Now the one before him was like the three years ago Yi Yun Zhai before finding out his identity as a man.

"Delicious."

“Eat some more, alright?”

How could he refuse his wish? Zuo Zhen Yu rapidly nodded his head.

Yi Yun Zhai ripped another lump and squeezed it to his mouth again. After seeing him chew for several time, he asked him: “Can I eat too?”

“Of course can.”

Soon after he earned Zuo Zhen Yu’s consent, Yi Yun Zhen abruptly leaned close to his face, with his mouth he tasted his sweet and fragrant lips, made Zuo Zhen Yu to be surprised to the point didn’t dare to move.

“You are so sweet and fragrant. I feel like I haven’t kissed you before.”

Zuo Zhen Yu’s breathing became rapid, because Yi Yun Zhai’s pair of hands had pulled him into his embrace, simultaneously gently kissed him on his ears.

“That day I got drunk and went to that little house, did I take advantage of you?”

Zuo Zhen Yu’s breathing was rushing, he couldn’t answer, but his tears saying it was right. Yi Yun Zhai from his expression already got the answer.

“Please marry me! Zhen Yu. However, must put you into great inconvenience, wearing woman’s clothing to marry me. We will be together forever, never be parted anymore, alright?”

“You.....Have you gone mad?” Zuo Zhen Yu hearing him saying this, could no longer be able to bear the sorrowful tears from rolling down. If he could marry him, why should he hide from him for so long

“I love you! Except for you, I don’t want anybody else! If this is called as madness, then just let me be mad!” Yi Yun Zhai sincerely and faithfully said to him.

“You.....You.....”

“Even if three years ago you frankly said to me that you are a man, I probably would’ve still loved you.” Yi Yun Zhai revealed a wry smile, explained clearly his feeling to him.

He had straightened out his thinking, even if Zuo Zhen Yu frankly and sincerely told him that he was a man, maybe he would stay the same as before, would helplessly be in love with him.

“You should know, Xiao Hong’r’s appearance and yours might be similar, but the more I saw her the more I loathed her. Everyday must go to the little cabin to listen to an ailing man playing qin so that could be at ease, his whole face was destroyed, but every

time he cried he made me agitated to the point of being unable to hold back, almost wanted to embrace him, never wanted to let him go for all eternity? All of this situation frightened me until I was flustered and panic-stricken. Didn't dare to go to that little cabin to listen to qin again, but still unable to dismiss you from my mind."

Zuo Zhen Yu was struck dumb.

Yi Yun Zhai continued with his speech : "I asked Xiao family to move you out, never had expected they'd actually chase you out, upon catching sight of you suffering from hardship out there, I felt as if a knife was piercing my heart, that's why I instructed my servant to go buy your paintings every day, hoped that your living would be a bit better. It was those calligraphy and painting, that's why I could identify that you were indeed Xiao Lan Xun."

"Is that true? So it was you!" Zuo Zhen Yu upon hearing this, couldn't restrain from shouting out of surprise.

No wonder at that time there was a servant who would regularly come to buy his painting. If he asked that servant who was his Master, that servant always hummed and hawed. It appeared that he was ordered by Yi Yun Zhai not to say it.

Holding his hand, Yi Yun Zhai embraced him.

"I only love you. If you wanted me to helplessly let you go,

it is impossible for me. I know you also feel the same, that's why you couldn't bear to see me suffer the solitude, then asked Xiao Hong'r to impersonate you, didn't you?"

These words of Yi Yun Zhai, caused Zuo Zhen Yu to be moved and tearfully nodded his head.

"Let's get married! I don't want just because you are a man, then I have to marry another woman, and cause you to be heart-broken and suffering, moreover, ruin that woman's life. You are my most beloved person, for this lifetime I will never let you go. You want me to be happy, I want you to be cheerful, want you to forever be with me."

Zuo Zhen Yu was utterly moved, he cried again. Only that, this time it was the tears of happiness, unlike the former days' endless sorrowful tears.

☆☆☆

After finishing the wedding courtesy of paying respect to the Heaven and Earth in the wedding hall, Yi Family was a layer of jubilation.

Yi Yun Zhai had found his beloved Xiao Lan Xun. Only that Xiao Lan Xun three years prior had sacrificed herself to dismiss the poison, face completely ruined, this matter by chance used by his uncle, Xiao Daye, making his daughter, Xiao Hong'r whose face resembled Xiao Lan Xun to take her place.

But the Xiao Family wasn't satisfy with just this, afraid that their plot could fall through and stand exposed, they ordered someone to drive Xiao Lan Xun away, harmed her to wander about in the street, nearly die of illness.

And Yi Yun Zhao although didn't know that she was Xiao Lan Xun, but from beginning to end he was worried about her. Ultimately, for Xiao Lan Xun and Yi Yun Zhai, love would always find the way. The Xiao family must receive the spit and curse from all the people.

Xiao Lan Xun's sentimental and grievance, aroused the poets to express it in poetic form. All the men were dying to have this kind of pretty woman to be in love with them for a lifetime. For a period of time, the two's love story had become an exotic tale.

Only Xi Ning and Xiao Family knew the truth. Only that, the Xiao family, no matter how they started rumor to create trouble, saying Xiao Lan Xun was a man, absolutely none would believe them, instead they suspected them to purposely wanted to break this beautiful predestined fate. Under the wrath of the public, the Xiao family was better off shutting their mouths. Didn't dare to say more.

And the only one who knew, Xi Ning, of course unlikely to shoot out his mouth and speak out the truth.

Ever since Yi Yun Zhai and Zuo Zhen Yu restored their relationship, he had returned to his normal condition, seemingly wanted to become a husband that wouldn't bring shame for Zuo Zhen Yu. Compared to the former days, he had become even more serious in managing the family business, made Master Yi couldn't help but praise him.

Zuo Zhen Yu showed filial obedience to the parents-in-law, personally looked after the family. The two seemed to have the husbands sings and the wife follows* kind of life. In Xi Ning's point of view, regardless of what they said, at present, this kind of situation compared to Yi Yun Zhai randomly marrying an unknown chaotic woman, then living in a suffering life, this one was much better.

(t/n : *The husband sings and the wife follows : a marital harmony.)

Once recalled about if unfortunately married with Xiao Hong'r, Yi family probably would be in great turmoil tragic state. Xi Ning just nonstop sent his gratitude to Heaven, fortunately it was only him who didn't open his eyes, wrongly recognized Xiong Hong'r as Xiao Lan Xun.

Even though the genuine Xiao Lan Xun was a man, so what? In any case, as long as Young Master is happy that was fine.

All along what Young Master did was always correct! Xi Ning esteemed him like this.

There was only Master Yi who secretly felt strange. He felt that Xiao Lan Xun might get help from the Heaven, Heaven helps the worthy. Or else, an ordinary woman, getting this poison since earlier should be dead. On contrary, she dragged on for several years. Because of this, he was definite that Xiao Lan Xun was truly a blessed person. This kind of woman, of course suitable for his son.

The wedding night, a pile of persistent people tried to find Yi Yun Zhai for drink. Xi Ning helped him to block them for a round. Wanted him to quickly go back to the room to accompany Zuo Zhen Yu.

Having Xi Ning to help him, Yi Yun Zhai smoothly avoided the miscellaneous people.

A moment of spring night worth a thousand gold. His most beloved Zuo Zhen Yu tonight can completely belong to him. How could it not make his blood and energy to be rising up, be dying to quickly return to his room?

Pushed open the door, lightly closed it, lifted up the red veil, Zuo Zhen Yu's whole face was an intoxicating flushed red, seeing that Yi Yun Zhai was even more fascinated.

He for these past few days had bought not a few literary

works regarding homosexual, all for the sake of tonight's preparation.

He had embraced women, but had never embraced man. Those two time when he embraced Zuo Zhen Yu was when his state of mind wasn't clear. Thinking back, for Zuo Zhen Yu, this was also not a happy experience.

Tonight he would wipe away the previous disgrace. Let Zuo Zhen Yu feel that being passionate with him was a happy and joyous matter.

He didn't want to hurt him, all the more didn't want to let him hurt until weeping with grief. He had seen too much of his tears, tonight he only wanted to make him happy and attain pleasure under his body!

Ban Lu Qin Jun Translation Chapter 10

Ban Lu Qin Jun - Chapter

10

Yi Yun Zhai called out in a low voice : “Zhen

Yu.....”

Zuo Zhen Yu embarrassed to the utmost, he had never thought they two actually could get married, however, Yi Yun Zhai’s love towards him was such intense, caused him to be unable to refuse his marriage proposal, besides, he was most willing to be his wife. Even if for all his life he had to appear in woman’s apparel, he would never regret it.

“You are so beautiful!”

He gently caressed Zuo Zhen Yu’s cheeks. Yi Yun Zhai’s movement was with so much gentleness and lots of tender loving, made Zuo Zhen Yu embarrassed and unable to lift his head.

Gently put him down, Yi Yun Zhai asked in a whisper: “Every time you and me were being intimate, it was definitely painful that you gritted your teeth. Will you be afraid of tonight’s matter?”

The first time he was indeed so in pain as to not want to live, the second time was Yi Yun Zhai by coincidence was being drunk, the beginning he treated him extremely rough, but

afterwards, he finally also could enjoy a little bit of the flavor of making love. Only that this matter was so embarrassing, he didn't dare to say it out loud. Zuo Zhen Yu was being embarrassed that he totally didn't dare to verbally express it.

"I will do you with an extraordinary gentleness, with the previous two times absolutely will not be the same." He guaranteed.

Caught sight of Zuo Zhen Yu's face floated up with blush, Yi Yun Zhai was fascinated and kissed his lips. Zuo Zhen Yu's clothes were gradually being taken off to the last piece, in a mess piled up on the other side.

"Mmh.....mmh....."

Zuo Zhen Yu moaned in a soft voice, because Yi Yun Zhai not only kissed his lips, his hand also restlessly was going down to explore, holding his already erected place.

He was ashamed that he wanted to pull out his hand, Yi Yun Zhai's hand was moving rapidly instead.

In a period of time, Zuo Zhen Yu couldn't restrain from opening his mouth to gasp, the pleasure was flooding his whole body, only that this pleasure was excessively shameful, caused him to resist with great difficulty.

Yi Yun Zhai could see his embarrassment, whispering softly on

his ears : “I want you to be happy, at ease. We are husband and wife, there is nothing to be ashamed of, let me touch you, pleasure you. You only need to enjoy the pleasure, that’s all.”

Yi Yun Zhai spoke with the depth of his feeling, Zuo Zhen Yu even more couldn’t resist Yi Yun Zhai, completely immersed in the pleasure he raised for him.

“Yun Zhai, I.....I.....” His eyes became red, resisting the urge to release, yet he couldn’t control his unceasing soft moans.

“It’s alright, I love seeing your unrestrained face.....”

Zuo Zhen Yu gasped heavily, all of a sudden his whole body jolted, the sense of shame from attaining his climax on Yi Yun Zhai’s hand made him almost cry out.

Yi Yun Zhai saw his flushed with embarrassment face, whole face was like about to cry, his hot blood surged up, suddenly lowered his body, once again madly kissed him.

“So embarrassing..... I am so ashamed.....”

Zuo Zhen Yu all of a sudden covered his face, absolutely didn’t dare to see Yi Yun Zhai, caused Yi Yun Zhai almost burst out in laughter.

“You like my service so much, why should you be

ashamed? I feel that you are cute as well as fascinating!" He gleefully said.

Zuo Zhen Yu embarrassed to his whole body became red, all the more unwilling to take off the hands that were covering his face.

Yi Yun Zhai suddenly touched his front chest XXX, stretching his tongue to lick, unceasingly bit on it.

The just now stopping passion, all of a sudden under Yi Yun Zhai's biting and licking, once again reacted, caused Zuo Zhen Yu to reveal a flushed red face.

His lowered head glancing at Yi Yun Zhai in secret, found out Yi Yun Zhai's hand had been smeared with didn't know what, all of a sudden slid to the curve line on his back.....

"Yun.....Yun Zhai....."

"Apply some lubrication, so later on won't hurt you."

He said it so clearly, to the point caused Zuo Zhen Yu's face flushed red.

He spoke in a soft voice: "I am going to put in a finger."

"Mm." He nodded his head, his whole face flushed red again.

Since the beginning he had given all of him to Yi Yun Zhai.

Sensing the slight pressure, Zuo Zhen Yu slightly creased his brows. Yi Yun Zhai's finger pressing even deeper, until it reached a certain point, he couldn't help his whole body from jerking, the passion once again awoken.

Yi Yun Zhai said in euphoria : "This is it."

He unceasingly stirred that place, made Zuo Zhen Yu to gasp for breathe, the body was writhing in pleasure.

Zuo Zhen Yu didn't feel the pain even in the slightest bit, only the unbearable tingling, caused his whole body to give out a slight jolt without stopping. He was dying to..... dying to.....

He was dying to have Yi Yun Zhai to enter his body! Zuo Zhen Yu's face flushed red out of embarrassment, yet hard to restrain his body's demand, wishing could quickly feel his beloved man.

"Yun Zhai..... you can.....you already can." When Zuo Zhen Yu was saying this, he was close to tearing up.

He felt that his body was not his body. In Yi Yun Zhai's hand, being rubbed and kneaded by him, caused him to feel both ashamed and joyous.

Yi Yun Zhai hoisted up his legs, his shameful place was being

seen by him perfectly clear. This type of posture caused his face nearly burning up.

Yi Yun Zhai slowly put in his erected manhood. Zuo Zhen Yu initially thought that this would be an extremely painful matter, but not only he didn't feel the slightest bit of pain, he also was pleased to the point his whole body simultaneously gave a jolt.

He slowly entered, seemingly afraid to hurt him. The deeper Yi Yun Zhai entered, the more Zuo Zhen Yu wished he could quickly fill up his inner body empty part.

Zuo Zhen Yu stuck closely to Yi Yun Zhai's arm. Yi Yun Zhai all of a sudden entirely entered his inner body, began to take out from his inner body.

"Ahh.....Ahh.....ngghh....." Zuo Zhen Yu bit down his lower lip, but still unable to hold down his moaning voice from spilling out.

His whole body almost snapped into two by Yi Yun Zhai, but not only he did not feel the pain, his whole person in this matchless pleasure was also nearly faint.

Yi Yun Zhai kissed his lips, he also couldn't help but kiss him back. Wrapping in Zuo Zhen Yu's warmth, Yi Yun Zhai's whole body abruptly shivered, he released everything in his body.

“Feeling good? Did I hurt you?”

Yi Yun Zhai’s question simply made him ashamed to the point of death. But his anxious eyes made Zuo Zhen Yu unable to not say the truth.

“Not hurt the slightest bit, also.....” He said with a flushing face: “Also very good.”

He just finished his words, Yi Yun Zhai’s manhood inside his body actually awakened again. Zuo Zhen Yu widened his eyes out of shock. Yi Yun Zhai simply couldn’t bear it and kissed him.

“Zhen Yu, can I do it one more time? I finally can touch you, love you, I extremely want you.....” Yi Yun Zhai’s manner of speaking was rushing.

Yi Yun Zhai was saying such passionate honest words, causing Zuo Zhen Yu’s face to become crimson red, the under belly unexpectedly began to stir again.

He lightly nodded his head. Leaning on Yi Yun Zhai’s bosom, enjoying Yi Yun Zhai’s madly passionate affection.

☆☆☆

“Young Master, can I come in?” Xi Ning knocked the door in advance, and then in an extremely soft voice asked. He was afraid that he would disturb the people inside the room. Since that last time incident, he had come to awareness that he might not just enter without permission.

A spell of a rustling noise, followed by a spell of breathing voice, the standing outside the door Xi Ning could hear Yi Yun Zhai's whispering voice.

"Don't mind him, back to sleep!"

Afterwards he also heard Zuo Zhen Yu's flustered voice.

"Don't again..... Xi Ning will find out....."

"Without my command, he wouldn't dare to come in! You see, doesn't he stand by the door, doesn't dare to enter?" The Yi Yun Zhai inside the room said as the matter of fact. Zuo Zhen Yu's beautiful and alluring face only him could see, even if he was his personal attendant, all the same may not look.

"I didn't know you are such a tyrant."

"Of course! Last time had been seen clearly by him, I truly wanted to whip him. You didn't see him staring blankly at you, if not because I know that your beauty basically could cause someone to lose their spirit, thus couldn't blame him, else since earlier I would beat Xi Ning, or at least punished him by not allowing him to eat for the whole day."

The standing by the door Xi Ning upon hearing this, his face turned to green and white. But he knew by heart that what Yi Yun Zhai said was true.

On the next day after their wedding, he carried water to wash the face into the room for them to wash their faces. He thought that after all all of them were men, should be no problem, but afterwards he knew that he was wrong.

On that day he finally found out why there was a man with an obvious male body, yet compared to a woman, could even more make a man go limp and powerless. Even though they were of the same sex of male, but still not similar.

That day, he by chance saw Zuo Zhen Yu being embraced by Yi Yun Zhai in his bosom, abruptly opened up his eyes looking at him, afterwards embarrassed to the point both cheeks crimson red, then anxiously pushed away Yi Yun Zhai.

That kind of scene, since earlier he had seen it to the point his body became languid, stupefied on the spot.

Zuo Zhen Yu's upper body was slightly exposed. The lower part of the body though being covered by the quilt, but his exceptionally erotic part, still caused him to nearly drool.

Last time, although in the little cabin he had seen this expression of Zuo Zhen Yu, but that time he was angry at him for being too shameless. So he actually didn't have the chance to carefully examine. Unlike this time, he could see clearly, vast and obscure, until he was being loudly scolded by Yi Yun Zhai, till then he finally regained his awareness.

Recalling that time when he entered without permission, it was truly awkward!

He absolutely wouldn't dare to have an inordinate intention towards Zuo Zhen Yu, and also solely thinking being together with a man, he would have goose bumps and drop on the floor.

However, if he had a wife like Zuo Zhen Yu, he might consider, consider over it. Only that he knew that he wouldn't have this kind of good luck, so could only daydream.

"I am going to greet Mother-in-Law and Father-in-Law."

From inside, the sound of discussing continued to transmit in broken bits. Every day was such a day. Xi Ning since earlier had been used to it.

"No need to go. We are newly-weds, sleeping for a bit late is normal."

"But..... But....."

His voice became even more overbearing, "No but but."

"Wuu.....Ngh.....What are you doing?"

After that was a spell of Zuo Zhen Yu's alarmed shout,

listening until this point, Xi Ning knew that this morning the two didn't need him to attend to, immediately turned on his heel.

He walked quickly, to avoid hearing the next sound in which he shouldn't have heard. Possibly, he had to drink a big pot of cooling green grass tea again. If still couldn't reduce the heat, he would have to drink that bitter to death cooling down tea.

He really didn't want to suffer from his own action!

☆☆☆

In the room, Yi Yun Zhai was embracing Zuo Zhen Yi's body. He intended to raise his body, but it was helpless since Yi Yun Zhai's pair of hands were roaming and wandering on his body.

"May not move, otherwise, I will not be courteous anymore."

Yi Yun Zhai said it like that, made Zuo Zhen Yu afraid that didn't dare to move.

Previously he didn't know that he was such a tyrant, now after they had married, just then he knew that his overbearing and doting on him, compared to in the past caused him to blush even more.

Yi Yun Zhai's fingers skillfully explored on Zuo Zhen Yu's lower body. Going through Yi Yun Zhai's assail, very quick he already had a reaction, let out a soft groan.

Turning over his body, Yi Yun Zhai continuously printed kisses on his lips. He timidly kissed him back.

Zuo Zhen Yu now finally knew how to kiss him back, made Yi Yun Zhai to be happy incessantly.

Zuo Zhen Yu palpitated endlessly while embracing Yi Yun Zhai on his neck, timidly explored inside his mouth to kiss him.

At the same time while kissing Yi Yun Zhai, Zuo Zhen Yu's lower body couldn't help but trembling.

Yi Yun Zhai swiftly laid Zuo Zhen Yu flat on the bed, one straight push movement caused him to nearly cry out loud out of impulse.

Although he could shut his scream, but he indeed couldn't hide his body's quivering.

“Lower your voice! It is daybreak already, outside there are servants walking about.....”

Yi Yun Zhai was as if wanted to tease him by saying this kind of talk, caused Zuo Zhen Yu to be ashamed and rammed his arm for a beat. Soon after that once again he was teased by Yi Yun Zhai until his whole body was powerless, sweet-smelling sweat dripping wet, and then could no longer be able to mind whether or not he let out any sound, whether or not the servants outside could hear any weird sound.

Newly-married for not even half a month, the Yi Family received an uninvited guest!! Xiao Hong'r.

Xiao Hong'r upon seeing Zuo Zhen Yu whole body was wearing a woman apparel, couldn't bear to let out a cold sneer from her nose.

“Shameless! Steal another's fiance.”

Yi Yun Zhai this morning went out to discuss business.

Mistress Yi also went out to burn joss sticks to fulfill her promise. Master Yi was accompanying her to go. The one left in charge in Yi's Family was only Zuo Zhen Yu.

Xi Ning once caught sight of Xiao Hong'r, said to Zuo Zhen

Yu: “Young Mistress, just drive her away! We definitely don't need to see her.”

“Young Mistress?”

Xiao Hong'r covered her mouth, almost burst out in laughter, caused Zuo Zhen Yi to be afraid of being found out to the point his legs became weak.

“Zuo Zhen Yu, other people aren't aware of your background, and you think I wouldn't know? As long as you asked Yun Zhai to take me as his wife, we both have the same status, then I will never tell others about your real status. Otherwise, once your real identity is revealed to the outside, the Yi Family would be in very

much shame.”

Zuo Zhen Yu was shocked by her words. He didn't worry for himself, what he worried about was Yi Yun Zhai.

Xi Ning hearing this he really wanted to verbally abuse her.

This brazen Xiao Hong'r, actually dared to come here to threaten, holding on Zuo Zhen Yu's weakness, still wanted to become Young Master's wife! Phei. They still hadn't reported the Xiao Family was perfectly correct. She unexpectedly boldly had this wishful thinking.

Xi Ning was halfway cursing her inwardly, yet he didn't expect the out to talk about business Yi Yun Zhai was to one's surprise come home earlier than expected.

He happily came in, probably due to being able to come home earlier to be with his wife thus he was joyful.

As soon as he entered, Xiao Hong'r immediately ran to him, acted spoiled: “Yun Zhai.”

Yi Yun Zhai's face changed, “Who allowed this person to come in?”

“Yun Zhai, Xiao Lan Xun has what kind of background, we all are fully aware! If you marry me, I will agree to keep the secret. If you don't agree, I will spread the words to let the whole world

know.” Xiao Hong’r maliciously said: “Let your Yi Family be disgraced in this lifetime!”

Yi Yun Zhai coldly smiled, “Fine. Just go and tell them. It will be the best if everyone in this world knew! My father previously wanted me to report the Xiao Family for the crime of hiding the truth. I just wanted to see in the end, who wins and who loses.”

“You!” She gloomily looked at him.

Yi Yun Zhai embraced Zuo Zhen Yu. Kissed him on his face.

Seeing his worried face had become pale, body also slightly trembling, a fit of anger was surging up.

This shameless scoundrel actually dared to pay a visit that caused Zuo Zhen Yu to get frightened. He previously still took into account that at least Zuo Zhen Yu stayed in her family for several years, in addition, Zuo Zhen Yu always said it was him who handed over his hair pin, had nothing to do with the Xiao’s family, thus he regarded this huge matter as petty issue. Never had thought, she would come by herself asking to get married.

“Xi Ning, take Young Mistress to the room, let Young Mistress to rest for a while.” Yi Yun Zhai didn’t want to show how cold and unfeeling a person he was in front of Zuo Zhen Yu.

Seeing Xi Ning led Zuo Zhen Yu to the inner room, Xiao Hong’r was pleased, thought he had agreed on the marriage matter. Just

when she was about to step forward to hug him, Yi Yun Zhai said in a low and deep voice: “Xiao Hong’r, I see that you are utterly stupid. Actually dared to threaten me! Don’t you know that I could make you disappear once you step out of the door, for all your life serving guests in red-light district?”

His expression was cruel and cold like ice, caused Xiao Hong’r to be afraid.

Yi Yun Zhai burst out in laughter. The laughter was completely lacking of warmth, “Informing me to return the enmity is too late. If I really wanted to make your Xiao Family impossible to make a living, it would’ve been absolutely as easy as turning my hand!”

He continued his speech : “Your father is not as stupid to come here, still could understand to be worldly-wise and play safe by shutting his mouth. You on the contrary are stupid to the point of causing others to want to vomit! Telling you, even if at that time I couldn’t find Zhen Yu, I will stay the same, never marry you. Solely catch sight of you, already make me want to throw up. Even though you and Zhen Yu’s face in a certain way has some similarity, you absolutely couldn’t be compared with him one thread one hair!”

He was saying such terrible and frightening terror, made Xiao Hong’r’s arrogance completely vanish.

Yi Yun Zhai coldly said : “It is you who provoked my anger.

Must get your Xiao family to be destitute and homeless. I think it is better for you to quickly go back to your house and pack your jewelry, get ready to run for your life!”

Xiao Hong’r was being intimidated by him to the point she started running at once, didn’t dare to step into Yi’s family ever again.

☆☆☆

“Zhen Yu, be at ease! I already lectured her and advised her to go back. She will not come to look for trouble anymore.” After he dealt with Xiao Hong’r’s issue, Yi Yun Zhai walked at a quick pace to the inner room to comfort Zuo Zhen Yu. He believed that the Xiao Family, except for the stupid Xiao Hong’r, nobody would dare to come here to make a show of one’s strength*.

(t/n : * to make a show of one’s strength (id) : to bluff, to strut around.)

“Real.....Really?” Zuo Zhen Yu was still anxious.

“Of course it is real. Come, give me a kiss. Because I shifted to come home earlier, I was laughed at, they said I couldn’t be apart from my newly-wed wife!”

He made a wink, caused Zuo Zhen Yu to laugh out loud. The just now nervous mood was as if being swept away by a fair amount.

He printed a sweet kiss on Yi Yun Zhai’s face.

Yi Yun Zhai's return the gift by intimately kissing him until he went dizzy from happiness. One hand already explored into Zuo Zhen Yi's skirt, rubbed and kneaded the snowy-white buttocks.

He cried out from the shock : "This morning just.....May not.....May not."

"Why is it may not? You just now were sad, as your husband, I am about to comfort you!"

"You are indecent!" Zuo Zhen Yu lightly scolded, but the inside of his waist shuddered, the teased body was completely going soft.

Yi Yun Zhai bent his body to kiss him. their love and passion was like fire, only wished that every day would be like this.

"I love you! Zhen Yu, you have been suffering for long time because of me, I will use the rest of my life to love you."

"I love you too, Yun Zhai." Zuo Zhen Yu embraced him, gently whispered on his ear the love that even forever would never be enough, just that previously when he told him this, it was difficult to the utmost. Now could easily pour it out was because he believed in Yi Yun Zhai's love.

Outside the room, Xi Ning was just about to knock the door,
all of a sudden heard from inside came through a gasping for breath
voice, at lightning speed he started to run away at
once.

Heaven! Luckily he could avoid the calamity. Otherwise, after
suffering from excessive internal heat, that pot of bitter tea
certainly must be drunk!

End of Chapter 10.

End of Ban Lu Qin Jun

Honestly! This is the most annoying chapter of all. DAMIT!

The love making just too sappy! Ugh! what's with all the blush....

DX

They really should learn from Jing and Lu Cang, only one or
two round? seriously?? Tsk Tsk Tsk... Jing and Lu Cang could go for
five rounds in a row. LOL.... XD

finallyyyyyyyyy..... We are done with this book!! XD

What do you think??

Let me throw in my thoughts for this book as the translator. LOL...

XD (what?? I may not speak out my thoughts? Don't grumble on me and
just read MY thoughts!! HUMPH!!)

Well, this book has almost the same feeling with Counterfeit

Bride, you know, with the poor protagonist crossdressing, deceived
the man they love with their hidden identity, the man got angry and
abused them, (got Raped too) , in the end be together/getting
married to the handsome and wealthy overbearing man with the

blessing from the family... 0_0

Personally I think this one is better than Counterfeit

Bride. More angst, more twist, more (predictable) mystery. But

all and all, I can't say this will be my favorite story. This is

only a regular and normal story, with a bit of cinderella syndrom.

There is nothing extreme in this story.

Yun Zhai's reaction after he found out the truth was really normal.

there was nothing out of the ordinary. Zhen Yu's reaction for the

mantal torture was also very normal! --yes, the easiest way out,

suicide, what else... -_-

But for you all who loves this kind of

sweet love story, this will be a perfect book for you to

adore

.

This kind of story is lovely I think. when

you

read this in the afternoon with a cup of tea and some

pastries

, with the breeze blowing and such, such a

relaxing read. XD

but me, who always loves extreme stories and extreme

characters, this book is too normal for my taste. LOL....

You see, I practically can see the ending and can guess the plot,

though chapter 6 really unpredictable for me. LOL.. I really cried

so much in chapter 6. XD

Yes, I reckon, It is me who has the weird taste. For me, Shun Jie

is more intriguing (though most people think he is irritatingly

stupid!) But for me, this kind of extreme character is to my

liking. XD

Alright, I will stop here, I won't say anything that could make you

all throw rotten tomatoes or rotten eggs to my face anymore.

Muahahahhahahahahaha..... XD

So? what do you think about this book? Feel free to throw in your

thoughts. I am a really open minded person. LOL... (You can even

complain about my translation style).

Oh, one thing, DO NOT criticize the author's style or anything that

disrespecting the author.

We are talking about the story, so, don't go overboard and insult

the author like someone did in my previous translation.

You may hate the story or the characters, but you have no right

whatsoever to insult the works of the author.

The author had been doing a very great work in writing this book.

(only not to my liking. LOL.)

Respect the Author!

Restrain yourself to only talk about the story and the

characters.

If you read this and still choose to remain silent, I

will CURSE you!! LOL....

XD

It is not your 'thank you' comment that I expected. I expect to

know your thoughts about the story!!!!

Oh, one more, please give a loud applause to

for doing such a great job in cleaning the chapters in the speed of light. without her, you all won't have this fast updates.

XD

Don't forget to thanks her!!

See you all in another translation projects. (coming soon---

XD)

Up next is FF3. XD
