# Chapter 17

## Going all out

TL: Krrizis

Editor: Nahct

For a short while, the headlights shone on the bats, assaulting them.

「Scram!! I'll beat you at your own game!!」

The bats moved swiftly, using a kitchen knife wasn't going to go well.

「Are you serious! Grr! Shit~ ! Am I just going to falter here!」

The bats didn't attack with their sharp claws, nor did they bite with their pointy fangs.

It was only me just trying to go all out.

Even after predicting several attack patterns, it was just like a performance of me going all out.

Gradually calming down, I moved to a counter-offensive stance.

## An Unpleasant Sensation

After I finished brandishing my knife at the flying bats, I set up my pitch fork.

Although the last time I went to a batting cage, I was a bit rusty, however...

「Haha, striking is all left up to God's will ! 」

*sigh* and letting out a tiny breath whilst swinging, my hand felt an unpleasant sensation gushing over it.

「Uwah... 」

A part of the wooden handle had been dyed red.

「Ahha, when I get back, I'll just wash it.」

Muttering, I gazed where the bats had fallen.

I picked up the items that has been left behind from the vanquished bats that had turned into light.

## Limits

Giant Bat Wing: Inferior processed meat that acted as the Giant Bat's wing  
「Eh... An inferior processed meat... Could this be an ingredient?」

What remained was a somewhat pink looking wing that looked like chicken wings.

「I can't really think of anything else, yeah!」

Putting the chicken wings away, I continued hitting the bats, that came out afterwards, with the pitch fork.

Having stored over 20 bat wings, the waist pouch seemed to be at it's limit.

Finally, it was filled to the brim.

「As expected, it was impossible for the item box but as it's useful, I'll use it for a while longer」

# Chapter 20

With this 20th entry, Underground Dungeon is officially dropped.

## Stairway

Editor: Nahct

Afterwards, I kept up the search and found the stairway leading to the next floor.

「As I thought, it was a dungeon...」

Level: 1 HP: 6/10 Ability: Appraisal 「Oh, my HP has decreased」

Having gone all out to smash the bats to bits was refreshing, but 4 HP had diminished.

It couldn't be helped as it was puzzling and I had no idea what happened.

Putting my feelings aside, I looked back at the stairway.

「Yosh! When my level goes up, I'll head down!」

As I had no idea what could possibly occur, I didn't want to risk venturing into an unknown territory.

Hence, just for a little while, I switched gears and continued hunting bats.
